I Predict 2000 A D:

I Predict 2000 A.D. Lester Sumrall, 1987 When? F. Kenton Beshore, R. William Keller, 2011 This book shows that the Bible clearly teaches the Rapture is not an imminent event that cannot take place at any moment Many prophetic warning signs of the Rapture have already been fulfilled and many more must be fulfilled before the blessed event from publisher description *A Modern Ninety-Five* Nancy A. Almodovar, 2008-06-01 In 1517 an Augustinian monk by the name of Martin Luther nailed ninety five statements to the door at Castle Church in Wittenberg Germany This was not a means of open debate but a desire to discuss scholarly objections to church practices of the time Five centuries later many of the same errors and heresies have crept back into the evangelical church A modern ninety five theses couched in new terms for a new generation require scholarly debate once again Through modern day apostles and prophets and through the elitists within the evangelical church the doctrine of buying God's grace and favor has been propagated through appeals for seed offerings and atonement day donations in order to garner God's blessings Pragmatic approaches to preaching the gospel through such movements as the seeker driven models have moved the focus of the message of Christ and the worship of God from being God centered to human centered Sound historical doctrines such as the Trinity have been relegated to the sidelines in favor of unity and ecumenicalism with Oneness preachers In the words of Martin Luther Out of love for the truth and the desire to bring it to light the following propositions need to be discussed in their entirety by church leaders pastors and laypeople alike

Last Days Madness: Obsession of the Modern Church Gary DeMar, 1999-08 Last Days Madness explains the most difficult prophetic passages clearly and concisely Gary DeMar sheds the light on Daniel 7 13 14 9 24 27 Matthew 16 27 28 2 Thessalonians 2 2 Peter 3 3 13 and dozens more He identifies the Beast the Antichrist and the Man of Lawlessness and clears the haze regarding Armageddon the rebuilding of the temple the meaning of 666 and much more This ground breaking book is guaranteed to make you think and is your survival guide and spiritual compass to insure you escape the paralysis of last days madness **The Good Friday Myth** Cecil W. Davies, 2005-06-23 This is one Bible study you won't want to miss It shows when the Crucifixion really occurred and how to confirm that from the Old Testament alone Fresh insights reveal previously unrecognized parallels between the Crucifixion and modern history that illustrate how the Crucifixion timeline is a key to understanding end times prophecy Recognizing our place in the procession of last day events will enable those who already know the Lord as their savior to become more efficient in their Christian service Twelve previously unrecognized patterns illustrate where we are in that schedule of last day events Even if you disagree with the positions presented these are issues you need to have answers for *For Zion's Sake* Fuad Sha'ban, 2005-03-20 This book explores the role of religion especially religious extremism in American culture In particular it examines the development of the Judeo Christian tradition its impact on America's self image and the way it has influenced America's attitude to the Arab World The Christian Right has become a very powerful force in American politics Its basic belief in Christian Zionism has resulted in a steadfast

commitment to the establishment of the state of Israel and to its aggressive expansion and has made Zionism a central part of government policy for both Republicans and Democrats Fuad Sha ban shows how this is not a new phenomenon what he terms the Vision of Zion in American life has its roots in literature the arts and internal politics from colonial times until today Looking in detail at a wealth of resources including religious and literary texts as well as official political statements he pieces together a subtle account of how America s Puritan roots have fostered a specifically religious political culture that encourages hatred and suspicion of the Muslim World in domestic and foreign policy

The Time of Christ's Return Revealed - Revised Edition Charles P. Pierce,2009-08-31 This is the real thing If you want to know when Jesus Christ will return to reign as LORD over all the earth this book will tell you The book is controversial because it is unique The time given directly from the Bible is distant unlike the majority of current views expounding the theory that the time of Christ s return is imminent in their lifetime Multiple witnesses of scripture are used to provide Biblical evidence for definite timing of events The book of Daniel gives the number of years between when the second Temple was destroyed in 70 AD until the Lord builds the Millennial Temple Daniel also tells us the number of days it will take the Lord to replace the third Temple with the Millennial Temple In the Gospel of John Jesus tells us when He will build the Millennial Temple Many witnesses throughout the Bible including the book of Joshua each confirm the same timing of events The Church is given truth with the goal of increasing The Kingdom of God The cause of problems and their effects are revealed along with a solution Those who have ears to hear will do more than just listen 523 page count 37 black and white images

A History of the Apocalypse Catalin Negru,2023-01-20 Religion For thousands of years this thing has dictated which people should live and which people should die what shape our buildings should have or what colors our garments should contain what food people should eat or what words people should speak If religion is the opium of the masses then beliefs about the end of the world are like overdoses People touched by such beliefs no longer rely on a hidden personal and intimate god contemplated upon from the safe distance of the beating human heart They live with the promise of divine intervention at a grand scale on the current coordinates of space and time This can be an exceptional motivator and a game changer in terms of civil obedience both at an individual and collective level In the name of an immediate and palpable deity people can commit shocking cruelties However such belief can also account for some of the most exceptional social developments in human history

the Future Nicholas Rescher,1998-01-01 The future obviously matters to us It is after all where we ll be spending the rest of our lives We need some degree of foresight if we are to make effective plans for managing our affairs Much that we would like to know in advance cannot be predicted But a vast amount of successful prediction is nonetheless possible especially in the context of applied sciences such as medicine meteorology and engineering This book examines our prospects for finding out about the future in advance It addresses questions such as why prediction is possible in some areas and not others what sorts of methods and resources make successful prediction possible and what obstacles limit the predictive venture Nicholas Rescher develops a general theory of prediction that encompasses its fundamental principles methodology and practice and gives an overview of its promises and problems Predicting the Future considers the anthropological and historical background of the predictive enterprise It also examines the conceptual epistemic and ontological principles that set the stage for predictive efforts In short Rescher explores the basic features of the predictive situation and considers their broader implications in science in philosophy and in the management of our daily affairs

Jesus' Final Warning Dr. David Jeremiah,2010-08-02 In the confusion of

voices at the turn of the millennium Christians need to hear one voice above all others the voice of Jesus Christ Based on the Olivet Discourse in the book of Matthew Jesus Final Warning offers perspective and timely insights from the Lord Jesus to comfort encourage and challenge His Church in these stressful distracting times *666 and All That* Paul

Whiteman,2021-01-28 Some years ago for no obvious reason Paul Whiteman felt compelled to analyse the mystical number 666 also known as the number of The Beast His little mathematical revelation was followed almost immediately by a violent thunderstorm and by a severe attack of asthma requiring urgent hospital admission The concurrence of these scary events with his dabbling in the occult was probably coincidental But the episode prompted Paul to further investigate numbers and the beliefs associated with them the culmination of this research being *666 and All That* The initial chapters provide a pertinent review of the history and nature of numbers number systems and the numbers of time Relevant interpretations of the Revelation of St John are presented taking into account both exoteric and esoteric views Particular attention is given to the prevalence of sixes and sevens This all provides the background to his interpretation of the code 666 The obsession with numbers and supernatural apocalypses may say more about the nature of the human mind than some association with the spirit world So far the attempts of seers to prospectively predict a doomsday have been unimpressive But the most likely causes of apocalyptic events in the 21st Century are surely rather obvious Unchecked they may be associated with a major evolutionary divergence without the help of supernatural intervention Paul discusses these issues and the nature of the spirit that drives modern human evolution in this complex and fascinating read **Strategic Newspaper Management** Conrad C. Fink,1988 The time is right for bright aggressive newspaper managers to influence and prosper but bleak indeed for those newspapers whose managers lack the requisite knowledge Using case studies and examples from the business Fink shows why some newspapers change with the times and surge ahead and why some continue to publish to an eroding market base and fail The difference between success and failure he concludes is in long range planning and in daily operating methodology in simply the professionalism of management at all levels
