adventurers of our own age is an accessible introduction to one of the most important of the Christian mystical writers Jakob Boehme 1575 1624 was a humble shoemaker of Grlitz in eastern Germany who in response to the visionary experiences that began for him as a teenager wrote a series of theosophical treatises that explore the nature of God and humanity His ability to give words to the ineffable has never been surpassed and his influence can be felt in the generations of mystics who followed him as well as in Pietists German Romantics Quakers and American utopianists among many others Five of Boehme's most essential works are presented here in fresh translations that demonstrate why Underhill called him one of the most astonishing cases in history of a natural genius for the transcendent *Unfailing Love* Robin Thomson, 2025-07-01 Gospel devotional that offers hope comfort and encouragement to those caring for others Caring for someone you love who has dementia is a huge privilege but a heavy load too It can be draining and sometimes overwhelming Unfailing Love provides support and care for the caregiver with 30 short devotions on simple gospel truths that bring comfort and hope You will be encouraged to learn that it is possible to both lament and trust God at the same time that you can bring your struggles honestly to him as you continue to find strength in his word Woven throughout are stories from fellow caregivers so you can find solace in the experiences of others If you are not a caregiver yourself but know someone who is love them well by gifting them this compassionate devotional *What's Love? God's Warning!* Marvin Montoya, 2020-09-29 Love is God having given us commandments to live by Whoever lives by God's commandments there in is the love of God perfected We must warn the world from God's word that they will die if they don't turn from their wicked ways Everyone who has received the understanding of truth is under the same solemn and fearful responsibility as was the prophet of Israel Whoever is called to deliver God's prophecy but declines will be cast into the fire Many refused their appointed work to proclaim the warning to the world to work out their salvation with fear and trembling and to find in Jesus a shelter before the wrath of God shall be poured out **From Dust to Glory** Don Dees, 2016-06-06 The Holy Spirit encouraged me to write a very simple book aimed at people that have not heard much about the Bible God or Jesus The goal is to reach people and to bring them to Jesus Christ This book is a simple to understand summary of the Bible from Genesis to Revelation The Bible is always looking toward and revealing Jesus Christ In the Old Testament Jesus is predicted In the New Testament Jesus is revealed In the Old Testament expectations and anticipations abound In the New Testament these expectations of Jesus are fulfilled What is concealed in the Old Testament is revealed in the New Testament What is contained in the Old Testament is explained in the New Testament The Bible is all about Jesus the Savior of the world Each Chapter of this book contains four 4 sections about the chapters subject Old Testament Story New Testament Story A current day example Hymn Christ for the world for the world needs Christ Quote from Eric Liddell God Bless the readers of this book Check out Don's second book *The Devil's Playbook* a Book About Jesus [Truth Be Told](#) Brandon McManus, 2016-09-20 Truth Be Told was birthed out of an encounter with a man who had lost it all because of a series of his own bad choices but he was somehow clinging to one of God's

greatest promises in a way that made me feel that he expected God to bless him even though he continued to make poor choices As I thought about the truth of that great promise that he wanted to pluck from its context I realized that it is so easy to do In fact as I thought back over my years of ministry I found that I too was guilty of misquoting verses and clinging to them in the wrong way just because I heard someone else do it Too much of Christendom is groomed by poor theology and poor hermeneutical guidelines This book will take some of the verses that have been misused and shine the light of proper interpretation upon them You will see that encouragement and application from Gods eternal truth can come without the cost of compromising Scripture

Free by Divine Decree Paul Johansson,2013-04-01 Free by Divine Decree is written in narrative form The

individual being spoken about is brought before a judge In the first few chapters the judgment is given all have sinned From that point on Jesus Christ our appointed lawyer takes the case and ultimately is able to show the Judge that we are free by divine decree *Lectures on Systematic Theology ...* Charles Grandison Finney,1851 Anthologia sacra; or, Select theological extracts, selected and arranged by B. Gilpin and W.H. Valpy. 2 vols. [in 1]. Anthologia,1832 *Promises from God's Word* Dr. John Thomas Wylie,2020-04-07 Some of the time it is elusive solutions hard to find answers to life's issues when we need them the most Promises From God's Word is an assortment of promises from God's Word The Bible designed as an important instrument for finding what God has to say about our specific needs or circumstances Every section contains interesting inquiries regarding the matter answers from Scripture with references and a promise from God's Word in the Authorized King James Translation unless otherwise indicated It is Dr Wylie's expectation that this perusing and hope makes the Bible open helpful and accessible for all who reference its pages Dr John Thomas Wylie *The Works of Nathanael Emmons, D.D., Third Pastor of the Church in Franklin, Mass* Nathanael Emmons,1860 the works of nathanael emmons ,1860 **Works of Love** Søren Kierkegaard,2025-07-15 Following his acclaimed translations of *Fear and Trembling* and *The Sickness unto Death* Bruce H Kirmmse presents a new translation of Kierkegaard's discourses on love Bruce H Kirmmse is among the very best translators of Kierkegaard working today Christopher B Barnett A founding figure of existentialism Søren Kierkegaard is perhaps best known for his writing on anxiety and despair particularly in such works as *Fear and Trembling* *The Concept of Anxiety* and *The Sickness unto Death* Yet love too is a common theme in Kierkegaard's oeuvre underlying his various collections of edifying discourses as well as *Either/Or* *Stages on Life's Way* *Christian Discourses* and especially *Works of Love* First published in 1847 *Works of Love* is the most important explicitly religious work Kierkegaard published under his own name Intended to awaken rather than convince replicating in Socratic fashion the stinging impatient character of a gadfly the book consists of two sets of deliberations on love the first set addressing love as a duty and the second examining the applications of love Throughout Kierkegaard contrasts romantic love and love of one's friends with the selfless Christian love or agape of the New Testament ultimately contending that the only way to purge self-interest from love is to love one's neighbor as oneself and oneself as one's neighbor who is indeed unconditionally every person Although careful to distinguish his deliberations from clerical sermons Kierkegaard insisted that in order to grasp the full meaning of the texts that constitute *Works of Love* one must hear them Kierkegaard makes this point repeatedly in his journals and indeed the preface of a work he published a few years after *Works of Love* begins with the words My dear reader If possible read aloud If you do so let me thank you for it While previous translations have not given sufficient attention to this critical aural aspect of the text Bruce H Kirmmse's translation preserves it thus making the same request of its readers that Kierkegaard once made of his to hear the argument by reading it aloud Featuring an illuminating introduction by Kirmmse this new translation of *Works of Love* promises to become the standard for generations to come Ethics, Love, and Faith in

Kierkegaard Edward F. Mooney, 2008-07-17 Ethics Love and Faith in Kierkegaard collects essays from 13 leading scholars that center on key themes that characterize Kierkegaard's philosophy of religion With their unique focus on notions of the self views on the command to love one's neighbor thoughts on melancholy and despair and the articulation of religious vision the essays in this volume cover the breadth and depth of Kierkegaard's philosophical and religious writings Poised at the intersection of Kierkegaard's moral psychology and its religious significance they offer vivid testimony to the ongoing power of his unique and fervent religious spirit Students and scholars alike will find new light shed on questions that define Kierkegaard's philosophy and religion today *Conditional Promises* M. Peter, 2017-12-16 Psalms 37:4 says He will give you the desires of your heart Sounds good And automatically our next thought is what should I desire Yes such beautiful assurances can come only from our Lord God He is waiting to fulfill the desires of our heart Likewise there are hundreds of more promises stated in the Bible that our dear Lord will grant us If only we know how to claim them Each promise comes with a condition As you steer your way through these conditional promises you will see the abundance of God's Love and the bounty that awaits us in the kingdom of heaven So do not tarry my friends for the harvest is ready
