God's Promise of Victory Iris Subel Davis, 2012-08-10 Love What was created to be so beautiful that words for centuries have been unable to encompass its many facets has now become for many a twisted and painful symbol for many who have suffered abuse of any kind And yet in spite of that pain we continue to seek love's beauty once again This book is written by one who has passed through the flames of abuse shame guilt and confusion Only by God's grace has she come out on the other side in victory She was given the courage to look at her pain identify forgive and live again as someone new and ready to live again Within these pages may you also find hope courage and healing as you take those first steps toward your own victory May you glean some wisdom that will give you strength for today as you follow the author's own steps through the process of revelation May you also find daily practical new habits of thinking and living in real love for yourself and others

I Promised God Dinny Lawrance, 2005 I Promised God is a true human interest story It deals with a family's anguished unyielding fight to save a son from the worst that life can deal us Yet it is also a story of survival My hope as the author and mother of a courageous son whose life was lost for two decades is that in sharing our family's story with others they might find strength in it for their own lives The story covers the complex environment of my oldest son's early years his developing character of kindness and positive influence strikingly evident until he reaches adolescence when his promising young life is suddenly dead ended by circumstances beyond his understanding or control The reason for writing this story is to fulfill a promise I made to God at a dark seemingly hopeless moment It is my desire that by revealing an intimate chronicle of our lives I might reach someone who is suffering and in need of the means that helped me maintain the emotional intellectual and physical energy to cope with prolonged disaster And through the story I hope to send the reader a personal message Even if you are often alone desperately trying to help your loved one find and indulge in activities that soothe you and give you peace You will regenerate strength to persevere for your loved one and help other family members meet their needs as well I believe that God gave us each other so that no one need ever walk or cry alone
