I Saw Red China:

I Saw Red China Lisa Hobbs Birnie, 1966 By devious means and with enormous courage Lisa Hobbs entered Red China to bring finally to the American people the true story of what life is like in Red China **I Saw Red China** Lisa Hobbs, 1966

Flowing with the Pearl River: Memoir of a Red China Girl Amy Chan Zhou, 2022-03-15 Amy Chan Zhou's searing memoir about growing up in rural Communist China features descriptions of pastoral beauty and tales of the simple joys of raising farm animals or catching fish in a local river. However, her childhood is scarred by the primitive conditions, her family's everyday struggle to obtain food, and the horror of witnessing relatives being tortured on a stage during public denouncing meetings. As the Communists take control of China in 1949, we follow the harrowing experiences of Chan Zhou's great grandparents, her father and mother during the 1950s, 60s, and 70s when landlords, business owners, artists, and scholars were branded as bad elements and class enemies. As a teenager in the 1970s while selling vegetables on the black market, Chan Zhou is accused of being a little capitalist trader. The death of Mao ultimately saves Chan Zhou from being sent to a detention center, and her family's destiny is forever altered by Deng Xiaoping's reform that allows her family to reunite in Hong Kong and subsequently emigrate to the United States. A blend of *Wild Swans* and *The Red Scarf Girl*, *Flowing with the Pearl River* is a vividly accurate portrayal of one family's painful experiences during Communism and the Cultural Revolution in China and their eventual escape to freedom. Congress. Senate. Committee on the Judiciary, Edward Hunter, 1959 [Escape from Red China](#) Robert Loh, 2017-07-31 The experiences and attitudes of a man who lived under Chinese Communism rising to a position of importance before his decision to flee to the West whose story describes much of life and society under Maoism. Robert Loh is the first educated Chinese to give a view from the inside of life in Red China. Son of a well-to-do family who was sent to study political science in the United States during the period when the authority of the Nationalist Government was disintegrating, Loh chose to return to Shanghai to contribute what he could toward reshaping China into a major world power. Robert Loh is at pains to make clear that he could not have survived and indeed lived a relatively privileged life in communist China without giving in to much that he hated and despised. **Red China Blues (reissue)** Jan Wong, 2011-02-04 Jan Wong, a Canadian of Chinese descent, went to China as a starry-eyed Maoist in 1972 at the height of the Cultural Revolution. A true believer and one of only two Westerners permitted to enroll at Beijing University, her education included wielding a pneumatic drill at the Number One Machine Tool Factory. In the name of the Revolution, she renounced rock and roll, hauled pig manure in the paddy fields, and turned in a fellow student who sought her help in getting to the United States. She also met and married the only American draft dodger from the Vietnam War to seek asylum in China. *Red China Blues* begins as Wong's startling and ironic memoir of her rocky six-year romance with Maoism that began to sour as she became aware of the harsh realities of Chinese communism and led to her eventual repatriation to the West. Returning to China in the late eighties as a journalist, she

covered both the brutal Tiananmen Square crackdown and the tumultuous era of capitalist reforms under Deng Xiaoping In a wry absorbing and often surreal narrative she relates the horrors that led to her disillusionment with the worker s paradise And through the stories of the people an unhappy young woman who was sold into marriage China s most famous dissident a doctor who lengthens penises Wong creates an extraordinary portrait of the world s most populous nation In setting out to show readers in the Western world what life is like in China and why we should care Wong reacquaints herself with the old friends and enemies of her radical past and comes to terms with the legacies of her ancestral homeland Random Notes on Red China, 1936-1945 Edgar Snow, John K.
