

A medium shot of Simon Cowell on the American Idol stage. He is wearing a dark suit jacket over a white shirt, looking off-camera with a concerned expression. His hands are clasped in front of him. The background is a large, dimly lit audience. Two red cups with straws are visible on the stage in the foreground. A yellow text overlay at the bottom reads "I think I'm having a heart attack".

Mauro,2017-02-15 The book I Am Joe s Heart Attack is a factual and humorous lighthearted pardon the pun story of exactly what occurred to me before during and after the heart attack I suffered Of course all is not fun and games As you will see there are some sad moments in my life that I would love to forget as well But as they say once you live through these things you simply cannot unlive them Some facts seem too wild to be true but I swear they are Some of the names may have been changed to protect the guilty I am sure the medical community will not like much of what I say in the book so I better remain healthy now or else my next book just might be my obituary As far as recommendations you read from some of the experts such as diet and exercise I tried to follow them as well as I could But as you will see it really didn t help me I hope you find the book as fun and informative as my family has and that you will have a good positive experience with I Am Joe s Heart Attack I hope you enjoy Joe
