I Want More Of Everything:

About My Daddies S.E. Law, Jared s a photographer with a growly exterior and sapphire eyes to die for Vlad is a filthy rich Russian billionaire who s utterly possessive The catch They re both my mom s ex husbands My mom Vivian is a crazy woman She marries and divorces men like it s no big deal As a result even though Vivian s not old she already has two ex husbands I come home from college one day and my mom says she wants to take a family photo with both men This is crazy Vlad and Jared aren t even family anymore Why are we doing this But when the shutter starts to click both men of the house are ready to CLAIM and I m just the brat to make it happen *About My Daddies* is a collection of taboo romances with growly possessive OTT alpha males feisty curvy girls and lots of bouncing babies The collection features three standalone full length novels and one short story including *About Last Night* *About This Morning* *About This Evening* and *About My Daddies* They don t have cliffhangers or cheating They DO have very happily ever afters and plenty of steam *More Everything Forever*

Adam Becker,2025-04-22 This wild and utterly engaging narrative Melanie Mitchell shows why Silicon Valley s heartless baseless and foolish obsessions with escaping death building AI tyrants and creating limitless growth are about oligarchic power not preparing for the future Tech billionaires have decided that they should determine our futures for us According to Elon Musk Jeff Bezos Sam Altman and more the only good future for humanity is one powered by technology trillions of humans living in space functionally immortal served by superintelligent AIs In *More Everything Forever* science journalist Adam Becker investigates these wildly implausible and often profoundly immoral visions of tomorrow and shows why in reality there is no good evidence that they will or should come to pass Nevertheless these obsessions fuel fears that overwhelm reason for example that a rogue AI will exterminate humanity at the expense of essential work on solving crucial problems like climate change What s more these futuristic visions cloak a hunger for power under dreams of space colonies and digital immortality The giants of Silicon Valley claim that their ideas are based on science but the reality is darker they come from a jumbled mix of shallow futurism and racist pseudoscience *More Everything Forever* exposes the powerful and sinister ideas that dominate Silicon Valley challenging us to see how foolish and dangerous these visions of the future are
