Liberty And Learning

David Tyack, Elizabeth Hansot

Liberty And Learning:

Liberty and Learning David Moshman, 2009 I strongly encourage teachers administrators districts and state boards of education to make time to read this book together David Moshman's flawless research probing questions and insightful principles will lay the foundation for a new era in academic freedom perhaps prompting school systems to create strong policies to guard against challenges to intellectual freedom ReLeah Cossett Lent Co author of *At the Schoolhouse Gate* Lessons in Intellectual Freedom Academic freedom argues David Moshman is neither a special privilege of college faculty nor a First Amendment right of individual teachers and students Rather academic freedom is intellectual freedom in academic contexts consisting of five principles that everyone is obligated to respect Freedom of belief and identity Freedom of expression and discussion Freedom of inquiry Freedom from indoctrination Rights of equality privacy and due process Moshman succinctly shows readers how these principles resolve some of the most intractable problems facing education today On matters ranging from evolution to sex education to the literary canon his principles address the concerns of teachers administrators students parents and their communities alike providing tools that promote real student learning and thinking

Liberty and Learning William Fletcher Russell, 1933 *Liberty and Learning* Kenneth A. Strike, 1982-01

Liberty and Learning Larry P. Arnn, 2004 History of how the educational system has changed From the beginning of this country till now Arguments for liberal education and limited government *Liberty and Learning* William Fletcher Russell, Columbia University. Teachers College, 1933 *Republican learning* Justin Champion, 2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license This book explores the life thought and political commitments of the free thinker John Toland 1670 1722 Studying both his private archive and published works it illustrates how Toland moved in both subversive and elite political circles in England and abroad It explores the connections between his republican political thought and his irreligious belief about Christian doctrine the ecclesiastical establishment and divine revelation arguing that far from being a marginal and insignificant figure Toland counted queens princes and government ministers as his friends and political associates The book argues that Toland shaped the republican tradition after the Glorious Revolution into a practical and politically viable programme focused not on destroying the monarchy but on reforming public religion and the Church of England It explores the connections between Toland's erudition and print culture arguing that his intellectual project was aimed at compromising the authority of Christian knowledge as much as the political power of the Church

Learning Together David Tyack, Elizabeth Hansot, 1992-12-03 Now available in paperback this award winning book provides a comprehensive history of gender policies and practices in American public schools David Tyack and Elisabeth Hansot explore the many factors that have shaped coeducation since its origins At the very time that Americans were creating separate spheres for adult men and women they institutionalized an education system that brought boys and girls together How did beliefs about the similarities and

differences of boys and girls shape policy and practice in schools To what degree did the treatment of boys and girls differ by class race region and historical period Debates over gender policies suggest that American have made public education the repository of their hopes and anxieties about relationships between the sexes Thus the history of coeducation serves as a window not only on constancy and change in gender practices in the schools but also on cultural conflicts about gender in the broader society Learning Together presents a rich and exhaustive search through the tangled history of gender and education that links both the silences and the debates surrounding coeducation to the changing roles of women and men in our society It is the generosity and capaciousness of Tyack and Hansot s scholarship that makes Learning Together so important a book Science

The Wit and Wisdom of John F. Kennedy Alex Ayres,1996-11-01 Though he did not live long enough to write his memoirs John Fitzgerald Kennedy left behind a legacy of wit and wisdom that still informs the lives and hopes of the American people today Known for his courage and charisma he embodied the youthful optimistic spirit of the mid 20th century American Yet he could also be irreverent When questioned as to how he became a hero in World War II he replied it was involuntary they sank my boat

Teaching and Learning Practices for Academic Freedom Enakshi Sengupta,Patrick Blessinger,2020-11-23 Although academic freedom in teaching and learning methods is crucial to a nation s growth the concept comes with numerous misnomers and is subjected to much academic debate and doubt This volume maps out how truth and intellectual integrity remain the fundamental principle on which the foundation of a university should be laid

Unity ,1927

Establishing Academic Freedom Timothy Reese Cain,2012-09-06 The is this the book length work addressing the development of academic freedom and the procedures designed to protect it from the 1915 founding of the AAUP and the AAC to their endorsement of the key document in the history of professorial rights and responsibilities the 1940 Statement of Principles of Academic Freedom and Tenure

Funding Fathers Nicole Hoplin,Ron Robinson,2008-06-06 Money changes everything especially in politics Politicians think tanks and political parties would not be where they are without monetary gifts Yet when it comes to celebrating donors the media often praise liberals for their selfless giving and criticize conservatives for their selfish hoarding But Ron Robinson and Nicole Hoplin leaders of Young America s Foundation set the record straight in Funding Fathers The Unsung Heroes of the Conservative Movement Part historical account of the conservative movement and part expos about political philanthropy Funding Fathers busts the myth that conservatives donate less money than democrats and exposes how the media liberal organizations and even conservatives perpetuate this lie

Encyclopedia of Anthropology H. James Birx,2006 Focuses on physical social and applied anthropology archaeology linguistics and symbolic communication Topics include hominid evolution primate behaviour genetics ancient civilizations cross cultural studies and social theories

Teaching and Learning Like a Feminist Elizabeth Mackinlay,2016-11-25 Teaching and Learning Like a Feminist is a conversation between academics in Women s

Studies and Gender Studies about the politics of pedagogy in higher education What does it mean to embody feminism in universities today Written in a creative narrative style Mackinlay explores the discursive material and affective dimensions of what it might mean to live the personal as political as performative in our work as teachers and learners in the contemporary climate of neo liberal universities This book is both theory and story and aims to bring feminist theorists such as Virginia Woolf H l ne Cixous Sara Ahmed and bell hooks together in conversation with Mackinlay s own experiences and those of women she interviewed in their diverse roles as feminist academic subjects The fluid writing style presented is a deliberate attempt to enact a post academic form of literature and is playfully punctuated by black and white drawings Teaching and Learning Like a Feminist captures the precarious position of Women and Gender Studies in universities today as well as the danger inherent in grounding teaching and learning work in feminist politics Mackinlay wraps herself in both and invites us to do the same This book is designed to stimulate reflection and lively class discussion and is appropriate for courses in curriculum studies and pedagogy education feminism and feminist theory gender and women s studies and narrative inquiry It can also be read by individual teachers and researchers interested in feminism Mackinlay re envisages how feminist knowledge can be articulated through her audacious and engaging mix of reflection analysis narrative poetry and line drawings This is a refreshingly personal and powerfully collective analysis of doing feminism in hostile institutions It will give heart to many Alison Bartlett The University of Western Australia Perth This highly readable book is a love story about feminism at the same time as a rigorous investigation a must read for undergraduate students and for scholars who don t identify as feminist core reading for gender courses at all levels and mandatory reading for feminist and gender academics Julie White Victoria University Elizabeth Mackinlay is an Associate Professor in the School of Education at the University of Queensland div div div Libraries and Learning Resource Centres Brian Edwards,2009-06-04 Libraries and Learning Resource Centres is a comprehensive reference text examining the changing role and design of library buildings Critical evaluations of international case studies demonstrate the principles of library design Available for the first time in full colour the second edition of the work focuses particularly on the important question of access and design in public libraries Updated case studies and technical data allow the professional architect to use the book directly in planning library projects Providing guidance on balancing the needs of the collection and the user Libraries and Learning Resource Centres will be of value to all professional architects involved in library planning

Student Motivation and Quality of Life in Higher Education Marcus Henning,Christian Krägeloh,Glenis Wong-Toi,2014-12-17 Higher education is a high stakes process involving engagement with curricula and often entails coping with the onslaught of assessments and examinations This process creates a level of intensity that impacts on the student experience in higher education It is therefore important to consider not only the motivational aspects of learning but also quality of life issues as they have profound effects on students Quality of life affects the way students interact with their formal education and has wide reaching effects on future careers and their ability

to coordinate everyday events Integrating these two concepts student motivation and quality of life brings together the explicit elements that underpin learning in the higher education context creating links between the affective and social aspects of the student life This synthesis is integral to improving student retention and quality of life and has important ramifications for educationalists administrators pastoral care and academic support service personnel and students themselves Some highlights of the book include Applied Positive Psychology in Higher Education Internationalisation and Quality of Life A Taiwanese Perspective The Computer Assisted Learning for the Mind CALM Website Teaching Skills to Increase Resilience The Oxford University Peer Support Programme Addressing the Wellbeing of Students Higher Education and Student Stress Reclaiming Light Liberty and Learning Improving academic quality of life through attribution and motivation focused counselling **Liberty and Learning** David Edison Bunting,1942 **School Life** ,1929
