**Life According to Maude** John Lund, 2005-04 Meee ow The word catty in the dictionary just got a new picture and it's none other than the Queen of Attitude herself Maude Maude for anyone who may have been preoccupied with hairballs and such is the fabulously popular kitty with her very own line of greeting cards We're not talking a mouse sized 10 or 20 slicks here but a full line of 60 plus cards displaying this furry diva and her bon mots Life According to Maude captures our feline diva in full cattitude Each page shares the world according to Maude and pictures her resplendent in all her well whiskered glory Consider towel wrapped Maude perched in her favorite salon chair saying When life gets stressful nothing soothes the soul like the great indoors Or Maude sporting her favorite pearl necklace what self respecting cat would have just one reflecting Relationships are a two way street My way and the wrong way Photographer John Lund captures this catchy cat at her all time best and then works with a wacky creative team to craft the unforgettably funny scenes and sayings that go with them The resulting catmosphere makes for one of the freshest and zaniest gift books in years Exposing the Wilderness Robert Bogdan, 1999-10-01 Robert Bogdan combines a richly descriptive text with striking illustrations to create vivid biographical sketches of these pioneer photographers who worked their individual styles to illuminate six different regions of the Adirondack Mountains The book also provides insight into the popular culture of the times mainly through postcards but it also takes an in depth look at the families and work lives of these artisans as they plied their trade in the popular venue of commercial postcards Aside from the Adirondack locals and a few postcard connoisseurs the gifted folk artists and craftspeople profiled here were virtually unknown until now Bogdan has collected nearly 250 illustrations including postcards and photographs depicting Adirondack life of the time Many of these images have never before been published
