Guelzo, 2008-03-17
Jonathan Edwards towered over his contemporaries a man over six feet tall and a figure of theological stature but the reasons for his power have been a matter of dispute Edwards on the Will offers a persuasive explanation In 1753 after seven years of personal trials which included dismissal from his Northampton church Edwards submitted a treatise Freedom of the Will to Boston publishers Its impact on Puritan society was profound He had refused to be trapped either by a new Arminian scheme that seemed to make God impotent or by a Hobbesian natural determinism that made morality an illusion He both reasserted the primacy of God s will and sought to reconcile freedom with necessity In the process he shifted the focus from the community of duty to the freedom of the individual Edwards died of smallpox in 1758 soon after becoming president of Princeton as one obituary said he was a most rational and exemplary Christian Thereafter for a century or more all discussion of free will and on the church as an enclave of the pure in an impure society had to begin with Edwards His disciples the New Divinity men principally Samuel Hopkins of Great Barrington and Joseph Bellamy of Bethlehem Connecticut set out to defend his thought Ezra Stiles president of Yale tried to keep his influence off the Yale Corporation but Edwards s ideas spread beyond New Haven and sparked the religious revivals of the next decades In the end old Calvinism returned to Yale in the form of Nathaniel William Taylor the Boston Unitarians captured Harvard and Edwards s troublesome ghost was laid to rest The debate on human freedom versus necessity continued but theologians no longer controlled it In Edwards on the Will Guelzo presents with clarity and force the story of these fascinating maneuverings for the soul of New England and of the emerging nation

Seeking a Revival Culture Allen M. Baker III, 2009-07-01 The great burden of Al Baker's life that which drives him in Christian ministry more than anything else is to see the church of the Lord Jesus Christ rise up and become mighty as she has been so often in past years One thing has become very clear to Baker the western church is in big trouble Many pastors are terribly discouraged in their ministries So are their people Pastors have been told that they can model their ministries after whoever the latest and hottest preacher is and all will be well with them that they can expect exponential growth in their churches With few exceptions this has not been their experience They have attended the seminars and read the latest books but they have little to show for their efforts As a pastor Baker is heartbroken over the vastness of people's problems in today's church everything from incest child molestation homosexuality pornography severe depression suicide divorce wayward children adultery fornication and more The pastoral problems are epidemic The Christian faith in American churches is woefully lacking Church people are generally no different from those of the world What are we to do We need revival We need a revival culture in the western church We need like Israel laboring under Egyptian bondage to become intolerable of our circumstances Israel cried out to the Lord when their slavery became intolerable to them May God move us to divine discontent to be dissatisfied with the status quo *Getting the Gospel Right - A Balanced View of Salvation Truth* Carl Gordon Olson, 2005-11 A revised and abridged edition of *Beyond Calvinism and Arminianism* An Inductive Mediate Theology of Salvation in Which theologian missiologist Olson gives the fruit of a 25 year theological pilgrimage His inductive focus on Scripture results in a middle view of salvation truth thus resolving polarized extremes This edition is much more readable and accessible for most Christians The exegetical methodology emphasizes context word studies and grammar of all relevant passages with extensive support for eternal security and refutation of deterministic concepts of salvation In the foreword Dr Tim LaHaye refers to the incredible distribution of the academic edition which sold out in 3 years A revised academic edition is forthcoming in 2006 A Charge to Keep Garth M. Rosell, 2020-03-10 In celebration of Gordon Conwell Theological Seminary's fiftieth anniversary its former Academic Dean and longtime historian Garth M Rosell was commissioned to write a history of the school The merger of two much older institutions the Conwell School of Theology founded in 1884 in Philadelphia and Gordon Divinity School founded in 1889 in Boston created an institution that since its own founding in 1969 has become one of the largest theological seminaries in the world With more than ten thousand graduates and nearly two thousand students studying on four campuses from Hamilton and Boston in the north to Charlotte and Jacksonville in the south the seminary has become an important center for theological education in the evangelical tradition A Charge to Keep explores the seminary's history from its founding by Billy Graham Harold John Ockenga and J Howard Pew to the installation of its seventh president Scott Sunquist An Uncommon Christian Francis I. Kyle III, 2007-12-24 An Uncommon Christian seeks to show how and why James Brainerd Taylor 1801-1829 became a popular participant during America's Second Great Awakening and why the Princeton graduate and Yale Seminary student grew to

be a frequent example of evangelical Protestant spirituality and evangelistic passion long after his untimely death Those interested in religious revivals evangelism and missions spirituality early nineteenth century American history the integration of faith and action with university or seminary studies or inspirational Christian biography will benefit from this exhaustive and long overdue book on a forgotten hero of the Protestant faith **The Supremacy of God in Preaching** John

Piper,2015-01-27 According to Warren Wiersbe *The Supremacy of God in Preaching* calls us back to a biblical standard for preaching a standard exemplified by many of the pulpit giants of the past especially Jonathan Edwards and Charles Spurgeon This newly revised and expanded edition is an essential guide for preachers who want to stir the embers of revival Piper has added valuable new material reflecting on his thirty three years of preaching at Bethlehem Baptist Church offering a glimpse of what a lifetime of putting God first has done for the faith of the hundreds of thousands who have heard him preach over the years *The Branch Exposition of the Bible, Volume 1* Michael A. Eaton,2020-08-31 If you picture the Bible to be a

mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant **MARTIN LUTHER** A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap *The Branch Exposition of the Bible* is a resource for preachers scholars and everyday Christians alike to help open God's word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit With an Old Testament volume to follow this exposition of the New Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture

The New Princeton Review ,1834 Includes index *The Presbyterian Quarterly and Princeton Review* ,1876 **An Able and Faithful Ministry** James M. Garretson,2014-03-03 Samuel Miller 1769 1850 played an integral part in founding Princeton Theological Seminary which became one of the most influential training grounds for Presbyterian ministers in the nineteenth century While Miller is most commonly remembered for his writings on church office he also played a significant role instructing students and shaping their theology of preaching and pastoral ministry In the present volume Jim Garretson highlights the narrative of Miller's life and the major ministerial emphases found in his published writings sermons and unpublished lecture notes As a result readers will come to know the spiritual convictions of Miller's heart and understand the theology of ministry he imparted over the course of his lifetime
