Life Factor:

Illuminati Bible of Divine Light: Part one Sorin Cerin, 2021-07-10 With the appearance of my first philosophical studies but also of aphorisms I initially published the book entitled Bible of the Light and then a more complete form of the book Bible of the Light was the book entitled The Illuminati Bible so that in present to publish the full form of the Bible which I felt that it will be perfected with the help of God and which I decided to call the Illuminati Bible of Divine Light Some will wonder why I chose this name of The Illuminati Bible starting with that book published in 2014 the content of which is also in this book called the Illuminati Bible of Divine Light which in turn contains many other parts Simple Firstly because I wanted to help in Good the Karma of this World because Illuminati and Enlightenment are spoken of in negative terms and secondly because Illuminati comes from Enlightenment and true Enlightenment cannot bring the Evil nor can it be the Evil vile True Enlightenment must be based only on Good and never on bringing the Evil as the supreme Wickedness Therefore in order to improve the Karma of Mankind I show that Enlightenment does not consist in Wickedness but in combating Wickedness The enlightened ones cannot be a hidden group of people who lead humanity out of the shadows committing all sorts of evils and abuses to maintain power These people are by no means Enlightened but Dark If there really are some in such a situation then they use the term Illuminati or Enlightened falsely How just as Dark are those who dirtyly attack on the true Illuminati or Enlightened only out of obscure interests of a religious nature for fear that the Enlightened ones might open the souls of the People and show them the Way to the Truth from which some high prelates that are at the head of certain churches flee who are afraid that if the Truth would be found they will lose both their financial and their decision making power I believe that the future will belong to those truly Enlightened the true Illuminati A thing is to use Evil to bring through it Good and another is to use Evil to bring through it the Wickedness The true Enlightened and not Dark are those who understand that the Evil can only be used for Good when he can do it and the Good only for the Evil less Evil when the Good itself can lead to destruction disaster or pain The real Bad People the Dark Ones are the ones who use both Good and Evil to do as much as possible Evil and not Good Mankind must understand that the Evil and Good the God and the Devil are an Entity with two distinct characteristics an Entity that defines our True God that is our Creator Factor and Unique Incidentally Therefore in order to improve the Karma of this World we will have to pray to the Universal Consciousness formed by the Universal Pure Language That is to pray to the Divine Light of all the Worlds the Supreme God of Intelligence which to inspire our thoughts so that to use in moderation both Good and Evil for the ultimate purpose of doing and bringing through us as much as possible Good Why didn't I let in continuation the name of the Illuminati Bible and to this new much deeper work of the Bible and call it the Illuminati Bible of Divine Light Because compared to the other book called the Illuminati Bible the Illuminati Bible of Divine Light contains in addition to the content of that book many other new chapters that appeared with the new Wisdom Collections or with the final form of the Coaxialism Sorin Cerin **Computational Intelligence in Data Mining**

Businesses Using Regression Analysis C. Fred Hall, III, 2021-04-16 Demystifies regression based valuation through simple explanations easy to understand charts and time saving bonus resources Current methodologies using median quartiles or standard deviations to calculate revenue multipliers and cash flow multipliers often produce values that are wildly divergent This forces the appraiser to choose between a very high or a very low value or consider averaging the values opening the possibility for the appraiser to be challenged On the surface regression analysis appears to be the more complex mathematical model so many professionals shy away from using it out of fear that readers will be confused and reject the results of the appraisal Valuing Businesses Using Regression Analysis solves this issue by breaking down regression to its simplest terms and providing easy to read charts and explanations that can be understood by all Since regression analysis does not come pre installed in Excel this book will show you how to enable Excel s regression in your computer Then you ll learn four different Regression tools that can be used for business valuations or for forecasting in general As an added perk this book also comes with a template that simplifies the entire regression methodology into the click of one button With a minimal amount of work you can use this template to produce a compelling four page valuation report See why current valuation methodologies can be wildly inaccurate and why regression analysis is a practical and preferable alternative Learn how to set up Regression in Excel and use single variable linear regression to predict revenue and cash flow multipliers Walk through the process for conducting more advanced analyses including curved regression with outliers and multiple variable regression Use the bonus template to create attractive four page valuation reports using regression analysis in Excel This

book is an excellent choice for valuers and other financial professionals ready to take the leap into regression analysis for more accurate more objective business valuations Understanding Veselin Penef,2022-01-28 The book reveals the Reality of Life Life s origin Life s reason for existence is answered The personal choice for the self self creation is shown Life s Eternity Life s Indestructible Nature is proven The immortality of the soul is proven The book proves God s existence Unlimited power is disproven The philosophy of the book is titled the one philosophy The One Philosophy includes all opposites the Middle Ground between which is taken and confirmed All that is lacking of the good is exposed Philosophy is the answer to knowledge of the good not religion not democracy The philosopher king is advocated The three main human objectives are put forth understanding of Life s laws the creating of the good society the need to live in peace Only philosophy has the answers This book marks the new human beginning It is groundbreaking The phony not so peaceful and loving the real Jesus Christ is exposed The destruction of Jesus Christ is complete The greatest human questions are answered The basis of future humanity will be the One Philosophy **Federal Register** ,1994-06-10 Income Tax Regulations, Under the Internal Revenue Code of 1954 United States.
