 Zamyatin **His Life's Magnet** Theodora C. Elmslie,1892 24/7 Politics Kathryn Cramer Brownell,2023-08-15 How  
 cable television upended American political life in the pursuit of profits and influence As television began to overtake the  
 political landscape in the 1960s network broadcast companies bolstered by powerful lobbying interests dominated screens  
 across the nation Yet over the next three decades the expansion of a different technology cable changed all of this 24 7  
 Politics tells the story of how the cable industry worked with political leaders to create an entirely new approach to television  
 one that tethered politics to profits and divided and distracted Americans by feeding their appetite for entertainment  
 frequently at the expense of fostering responsible citizenship In this timely and provocative book Kathryn Cramer Brownell  
 argues that cable television itself is not to blame for today s rampant polarization and scandal politics the intentional  
 restructuring of television as a political institution is She describes how cable innovations from C SPAN coverage of  
 congressional debates in the 1980s to MTV s foray into presidential politics in the 1990s took on network broadcasting using  
 market forces giving rise to a more decentralized media world Brownell shows how cable became an unstoppable medium for  
 political communication that prioritized cult followings and loyalty to individual brands fundamentally reshaped party politics  
 and in the process sowed the seeds of democratic upheaval 24 7 Politics reveals how cable TV created new possibilities for

antiestablishment voices and opened a pathway to political prominence for seemingly unlikely figures like Donald Trump by playing to narrow audiences and cultivating division instead of common ground
