representations of men and women in World War II and women's own narratives of their wartime lives *Billboard*, 1979-08-18 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *The Publishers' Circular and Booksellers' Record*, 1928 **The Publishers Weekly**, 1928 **The Care of the Self and the Care of the Other** Daniel Louis Wyche, 2025-05-20 What is the relationship between the ethical transformation of the self and the political transformation of the world This book explores the ways several twentieth century thinkers can help us relate the care of the self to the care of the other tracing their accounts of how and why practices intended to change an individual can help spur social and political change just as collective political action can produce a transformation of the self Daniel Louis Wyche examines the political implications of what he calls practices of ethical self change These include Pierre Hadot's notion of spiritual exercises what the French sociologist of labor Georges Friedmann calls the interior effort Michel Foucault's ethics of the care of the self what Martin Luther King Jr refers to as the work of self purification integral to direct action and Audre Lorde's claim that caring for herself constitutes a form of political warfare Wyche argues that these concepts can collectively provide an understanding that effaces distinctions between the care of the self the other and the community in a way that avoids reducing the political to the ethical Ambitious and nuanced *The Care of the Self and the Care of the Other* offers a framework for unifying individual moral action and collective political life *The Burns Supper* Clark McGinn, 2019-02-19 When did Burns Suppers start Why is it celebrated all over the world Who can join in the fun Spanning the history of the phenomenon from the year of its creation in 1801 to the present day this book offers you everything you need to know about the Burns Supper and the poet for whom it is held every year From the origins of the custom to its modern day interpretations from the rituals and traditions to the fun and fellowship this first full length study of the unique annual celebration of Scotland's national poet answers every question you can think of along with every one you can't [Catalogue of Copyright Entries](#) Library of Congress. Copyright Office, 1941 **The Price of Victory: A Naval History of Britain: 1815-1945** N. A. M. Rodger, 2025-05-13 The final installment of N A M Rodger's definitive authoritative trilogy on Britain's naval history Across two acclaimed volumes preeminent naval historian N A M Rodger has traced the progress of naval warfare in Britain from the seventh century through to Trafalgar combining decades of scholarship with original insights and analysis In this final volume N A M Rodger delivers a magisterial history of the Royal Navy beginning after its defeat of Napoleon and concluding in 1945 with the Second World War At the end of the French and Napoleonic Wars British sea power was at its apogee But by 1840 as one contemporary commentator put it the Admiralty was full of intellects becalmed in the smoke of Trafalgar How the Royal Navy reformed and reinvigorated itself in the course of the nineteenth century is just one thread in this magnificent book which refuses to accept standard assumptions and analyses Rodger's comprehensive

narrative goes beyond the conduct of war at sea to tell a sprawling story of naval warfare as a national endeavor As in previous volumes the social history of officers and men and now also women has a prominent place Along the way he describes the development and strategic significance of submarine and navy air forces and the rapid evolution of weapons and ships from classic Nelsonian type to hybrid steam sail ships then armor clad and the fully armored Dreadnoughts and beyond He assesses the character and importance of leading admirals Beatty Fisher Cunningham together with the roles of other less famous but no less consequential figures Rodger sets all this in the essential context of politics and geo strategy Based on a lifetime s learning *The Price of Victory* is a masterful culmination of one of the most significant British historical works in recent decades Naval specialists will find much that is new and will be invigorated by the originality of Rodger s judgments but everyone who is interested in one of the central threads in British history will find it rewarding
