Smith,1862 *The War with the South: a History of the Great American Rebellion* Robert Tones,1862 *UTOPIAS - The Plague Wars* Don Viecelli,2022-01-11 The Plague Wars began in 2084 due to the Climate Crisis which caused many diseases to spring up worldwide The World Federation WF sent Peacekeeper troops to hot spots around the world to try and reduce tensions among fighting countries The United Americas Continent UAC sent soldiers from

Fort Leonard Wood FLW to India to prevent the Chinese from forcing India to join the Eurasia Federation under the control of the autocratic leader Premier Tung Wing. Colonel Luis Martin served with soldiers under General Bradley Clark from FLW in the disputed Ladakh Region in northern India. The Chinese Army invaded India from the north, forcing the Indian Armed Forces and the WF Peacekeeper troops to retreat after a fierce battle as they tried to prevent the capital city New Delhi from falling into Chinese hands. Colonel Martin was tasked with a mission to rescue the UAC Ambassador and the WF Director General Envoy in New Delhi from capture by the Chinese and take them to the nearest military base in Jaipur to return home. It didn't take long for the Chinese to find them and attack. In the UAC, conditions have not gotten any better since Colonel Martin and the soldiers from FLW left to fight overseas two years ago. The Climate Crisis continued to worsen even faster than predicted. Humans were still facing extinction unless President Ricardo Carlos could implement the solutions he promised to save humanity and the world. UTOPIAS: The Plague Wars is a prequel story in the UTOPIAS Dystopian Series. It sets the stage for the beginning of Book Zero, which explains in realistic and explicable detail how the Climate Crisis began and what it will take to reverse the environmental damage caused by dependence on fossil fuels, leading to mankind's Sixth Mass Extinction Level Event. UTOPIAS Books 1 & 2 continue the story when President Carlos and others wake up in 2199 after sleeping for one hundred years. The world has changed, but the future with androids and rightwing militia groups is still unpredictable.
