End Of Obscenity P

Dr Scott Beattie

End Of Obscenity P:

Purity in Print Paul S. Boyer, 2002-08-01 The first edition of *Purity in Print* documented book censorship in America from the 1870s to the 1930s embedding it within the larger social and cultural history of the time In this second edition Boyer adds two new chapters carrying his history forward to the beginning of the twenty first century **Justice Brennan** Seth Stern, Stephen Wermiel, 2013-02-27 In this sweeping and revealing insider study Seth Stern and Stephen Wermiel shine a bright light on the life career and thought of William Brennan 1906 1997 widely considered the Supreme Court s most influential twentieth century justice as well as its greatest liberal and preeminent strategist Stern and Wermiel make available for the first time a striking new view of Brennan based on what Jeffrey Toobin has called a coveted set of documents Justice Brennan s very personal case histories of the major battles that confronted the Supreme Court during the past half century *Roe v Wade* affirmative action the death penalty obscenity law and the constitutional right to privacy are among the many controversial and hotly contested big picture issues covered in the Brennan annals But they also provide more intimate glimpses of Brennan s surprising refusal to hire female clerks even as he wrote groundbreaking opinions relating to women s rights the complex tension between his commitment to law and his Catholic beliefs and new details on his unprecedented working relationship with Chief Justice Earl Warren Drawing upon Wermiel s rare access to the Brennan case histories half of which will not be released to the public until 2017 and his more than sixty hours of one on one interviews with Justice Brennan himself the authors have crafted a compelling portrait of a judicial giant filled with details and insights that will further cement Brennan s reputation as an epic playmaker during the Court s most liberal era **Litigating Morality** Alice Fleetwood Bartee, Wayne C. Bartee, 1992-02-20 This volume is a thematic study in legal history that uses past and present landmark court cases to analyze the legal and historical development of moral regulatory policies in America and resulting debates Using a critical variable approach the book demonstrates how different elements of the legal process have historically influenced the litigation of various moral issues Five moral policies are included abortion sodomy pornography criminal insanity and the death penalty The book s framework for analysis uses examples from English legal history and links them to American cases demonstrating how moral regulatory policies are impacted by the legal process by laws by judges and juries by legal scholars and by attorneys Following a brief introduction Chapter 1 examines how protagonists in the bitter moral and legal controversy over abortion in America have sought to fortify their positions with the views of prominent English legal authorities The authors discuss the role of English legal scholars in court opinion and oral arguments in *Webster* and in *Roe v Wade* and debates *Roe* s interpretation of the English legalists Chapter 2 describes how attempts to expand a right of privacy under the federal Constitution to include sodomy failed the test for common law rights Rights of Englishmen in *Bowers v Hardwick* 1986 and includes a history of sodomy in early English and American law Chapter 3 discusses pornography standards and laws highlighting the history of legal actions taken against *Memoirs of a Woman of*

Pleasure in both England and the U S demonstrating the role of precedent in American judicial efforts to define pornography In Chapter 4 which deals with the criminal insanity defense the influential role of the defense attorney on case outcomes is illustrated in cases such as England s McNaughton case 1843 and America s Hinckley case 1982 Chapter 5 deals with cruel and unusual punishment throughout U S and English history The book ends with an epilogue which ties together the idea of the American legal process as an inherited English process reiterating how decisionmakers continually mine the past to find traditions and sources of moral values for justifying or criticizing current laws and policies The Secret Museum Walter M. Kendrick,1996 Although erotica has always existed pornography is a recent phenomenon as late as the eighteenth century the word did not exist From the secret museums to the pornography trials of Madame Bovary and Lady Chatterly s Lover to Mapplethorpe cable TV and the Internet Walter Kendrick explores how conceptions of pornography relate to issues of freedom of expression and censorship He provides too a fascinating portrait gallery of the jurists artists guardians of public morality sleaze merchants and civil libertarians who have played roles in the changing definitions of pornography **The Mirror Steamed Over** Anthony Byrt,2020-06-18 In the early sixties at the Royal College of Art in London three extraordinary personalities collided to reshape contemporary art and literature Barrie Bates who would become Billy Apple in November 1962 was an ambitious young graphic designer from New Zealand who transformed himself into one of pop art s pioneers At the same time his friend and fellow student David Hockney young Northern and openly gay was making his own waves in the London art world Bates and Hockney travelled together bleached their hair together and despite being two of London s rising art stars almost failed art school together And in the middle of it all was the secretary of the Royal College s Painting School an aspiring young novelist called Ann Quin Quin ghost wrote her lover Bates s dissertation and collaborated with him on a manifesto all the while writing Berg the experimental novel that would establish her as one of the British literary scene s most exciting new voices Taking us back to London s art scene in the late fifties and early sixties award winning writer Anthony Byrt illuminates a key moment in cultural history and tackles big questions Where did Pop and conceptual art come from How did these three remarkable young outsiders change British culture And what was the relationship between revolutions in personal and sexual identities and these major shifts in contemporary art From the Royal College to Coney Island and Madison Avenue encountering R D Laing and Norman Mailer Shirley Clarke and Larry Rivers The Mirror Steamed Over is a remarkable journey through a pivotal moment in contemporary culture Censored Matthew Fellion,Katherine Inglis,2017-09-05 When Henry Vizetelly was imprisoned in 1889 for publishing the novels of mile Zola in English the problem was not just Zola s French candour about sex it was that Vizetelly s books were cheap and ordinary people could read them Censored exposes the role that power plays in censorship In twenty five chapters focusing on a wide range of texts including the Bible slave narratives modernist classics comic books and Chicana o literature Matthew Fellion and Katherine Inglis chart the forces that have driven censorship in the United Kingdom and the United States for over six

hundred years from fears of civil unrest and corruptible youth to the oppression of various groups religious and political dissidents same sex lovers the working class immigrants women racialized people and those who have been incarcerated or enslaved The authors also consider the weight of speech and when restraints might be justified Rich with illustrations that bring to life the personalities and the books that feature in its stories Censored takes readers behind the scenes into the courtroom battles legislative debates public campaigns and private exchanges that have shaped the course of literature A vital reminder that the freedom of speech has always been fragile and never enjoyed equally by all Censored offers lessons from the past to guard against threats to literature in a new political era *Guarding Life's Dark Secrets* ,2007-11-08 This book investigates the elements that have developed as part of the definition of propriety and good behavior and how the law has acted to protect respectable people and their reputations *The Devil at Large* Erica Jong,2013-10-08 DIVDIV Fearless iconic poet novelist and feminist Erica Jong offers a fascinating in depth appreciation of the controversial life and work of American literary giant Henry Miller divDIV Henry Miller Tropic of Cancer and Erica Jong Fear of Flying are true literary soul mates Both authors have been in equal measure lauded for their creative genius and maligned for their frank treatment of human sexuality So who better than Erica Jong to offer an expert appraisal and appreciation of Henry Miller the man and his art divDIV At once a critical study a biography a memoir of a remarkable friendship and a celebration of the life and work of the author whom Erica Jong compares to Whitman *The Devil at Large* explores the peaks and valleys of Miller's storied writing career It examines his tumultuous relationships including his doomed marriage to June Mansfield and his lifelong tenuous bond with his mother and confirms his standing as a creative genius divDIV Jong a renowned feminist courageously answers critics who accuse her subject of degrading women in his fiction suggesting instead that he sought to demystify them by means of the violent verbal magic of his books With grace wit warmth and intelligence Jong brings readers close to the man and his writing There has never been a more incisive and insightful analysis of this exceptional American master divDIV This ebook features an illustrated biography of Erica Jong including rare photos and never before seen documents from the author's personal collection divDIV div div **The New Politics of Pornography** Donald Alexander Downs,1989-11-30 Fresh empirical evidence of pornography's negative effects and the resurgence of feminist and conservative critiques have caused local state and federal officials to reassess the pornography issue In *The New Politics of Pornography* Donald Alexander Downs explores the contemporary antipornography movement and addresses difficult questions about the limits of free speech Drawing on official transcripts and extensive interviews Downs recreates and analyzes landmark cases in Minneapolis and Indianapolis He argues persuasively that both conservative and liberal camps are often characterized by extreme intolerance which hampers open policy debate and may ultimately threaten our modern doctrine of free speech Downs concludes with a balanced and nuanced discussion of what First Amendment protections pornography should be afforded This provocative and interdisciplinary work will interest students of political science women

s studies civil liberties and constitutional law **J. D. Salinger's the Catcher in the Rye** Harold Bloom, Sterling Professor of Humanities Harold Bloom, 2014-05-14 Presents a collection of essays analyzing Salinger's *The catcher in the rye* including a chronology of his works and life **Community, Space and Online Censorship** Dr Scott Beattie, 2013-02-28 Internet censorship is a controversial topic while the media periodically sounds alarms at the dangers of online life the uncontrollable nature of the internet makes any kind of pervasive regulatory control impossible This book compares the Australian solution a set of laws which have been criticized as being both draconian and ineffectual to major regulatory systems in the UK and US and understanding what drives them The impossibility of internet regulation opens deeper issues what do we mean by regulation and how do we judge the certainty and effectiveness of law These questions lead to an exploration of the theories of legal geography which provide tools to understand and evaluate regulatory practices The book will be a valuable guide for academics students and policy makers working in media and censorship law those from a civil liberties interest and people interested in internet theory generally **In Defense of American Liberties** Samuel Walker, 1999 This updated comprehensive history of the American Civil Liberties Union recounts the ACLU's stormy history since its founding in 1920 to fight for free speech and explores its involvement in some of the most famous causes in American history including the Scopes monkey trial the internment of Japanese Americans during World War II the Cold War anti Communist witch hunts and the civil rights movement The new introduction covers the history of the organization and developments in civil liberties in the 1990s including the U S Supreme Court's declaration of the Communications Decency Act as unconstitutional in *ACLU v Reno* ***Perspectives on Pornography*** Clive Bloom, Gary Day, 1988-11-10 Dealing with moral political and sexual tensions this volume provides a forum for male female dialogue concerning the history dissemination and consequences of pornographic representation in film and literature aiming to challenge established views and inspire further exploration and debate ***Pornography, the Conflict Over Sexually Explicit Materials in the United States*** Greg Byerly, Richard Rubin, 1980 ***Censorship and the Limits of the Literary*** Nicole Moore, 2017-02-23 Explores the defining relationship of literature to censorship across the globe ***Sexual Politics, Sexual Communities*** John D'Emilio, 2012-04-26 With thorough documentation of the oppression of homosexuals and biographical sketches of the lesbian and gay heroes who helped the contemporary gay culture to emerge *Sexual Politics Sexual Communities* supplies the definitive analysis of the homophile movement in the U S from 1940 to 1970 John D'Emilio's new preface and afterword examine the conditions that shaped the book and the growth of gay and lesbian historical literature How many students of American political culture know that during the McCarthy era more people lost their jobs for being alleged homosexuals than for being Communists These facts are part of the heretofore obscure history of homosexuality in America a history that John D'Emilio thoroughly documents in this important book George DeStefano *Nation* John D'Emilio provides homosexual political struggles with something that every movement requires a sympathetic history rendered in a dispassionate voice *New York Times Book Review* A milestone

in the history of the American gay movement Rudy Kikel Boston Globe *Judging the Image* Alison Young, 2005 This book extends the cultural turn in legal and criminological studies by interrogating our responses to the image It provides a space to think through problems of ethics social authority and the legal imagination *Offensive to a Reasonable Adult* Robert Cetti, 2014-09-01 Thoroughly researched and fully APA referenced chronological history of film censorship and classification in Australia Case by case histories of banned films punctuate a detailed account of the evolution of the Australian Film Classification system and the concurrent development of the Australian adult XXX industry culminating in the establishment of the Australian Sex Party Former SAR Research Fellow at Australia's National Film Sound Archive Robert Cetti gained exclusive access to both the national collection and the highly restricted Australian adult industry archive the Eros Collection at the Flinders University of South Australia Library to piece together the complete history of film censorship in Australia Progressing through individual banned and censored films including works by such internationally renowned directors as Hitchcock Whale Bunuel Forman Godard Oshima Pasolini Hopper Lyne Breillat Noe Brass Bertolucci Fellini Ford Clark Desportes Winterbottom Von Trier Cetti maps out the specification of offensive material in parallel to the emergence of Australia's adult XXX industry and the Christian morals driven pressure groups that advocate tighter censorship restrictions In a country that has the dubious honor of being the most censorial of Western democracies film censorship is based on the principle of offense to a reasonable adult an undefined refrain that religious minorities have used to manipulate censorship decisions in their favor The history of these groups and the political support for their right wing Christian agenda driven by what Australians term Wowserism makes Australian film censorship unique in its delineation of the aesthetics of offense as grounds for the suppression of free dissemination to the point of seeking mandatory ISP Internet filtering and Internet blacklisting of all material classified RC or refused classification much of which is available for dissemination throughout Europe and the USA in violation of UN Human Rights Article 19 In this comprehensive study of the socio political ideology surrounding the censorship of primarily sexually explicit material pornography Cetti delineates the aesthetic construction of offense as a transgressive genre and charts the morality driven religiosity behind their construction as Other to a civilized society questioning whether the categorization of such material as other makes of it legitimate discourse With extensive case histories never before published government censorship reports press clippings and secret internal memos between some of Australia's most powerful and influential politicians *Offensive to a Reasonable Adult* exposes the quagmire of Australian censorship law and the morals cabal of wowsers that dominate the censorship agenda in the so called Clever Country

Child Pornography Alisdair A. Gillespie, 2012-02-01 Child Pornography Law and Policy draws on interdisciplinary work in order to critically address the law relating to child pornography Child pornography is recognized as a specific form of child abuse and there are now many national and international efforts to tackle it Yet despite these efforts the volume of child pornography particularly on the internet is increasing The law has reacted to this situation by adapting its definitions

increasing sentences and providing new powers to law enforcement It is however unclear how far the law should extend What should the relationship be between criminalization and free speech Is there a link between the use of child pornography and contact offending The issue of child pornography has been the subject of considerable literature in the areas of psychology sociology and psychiatry These studies provide the basis for a greater understanding of the nature of child pornography as well as the profiles and behaviour of those who access or produce such material Child Pornography Law and Policy brings this wider literature to bear on the legal and policy frameworks relating to child pornography questioning both the appropriateness and the effectiveness of the law in this context *The New Partridge Dictionary of Slang and Unconventional English: A-I* Eric Partridge, 2006 Entry includes attestations of the head word s or phrase s usage usually in the form of a quotation Annotation 2006 Book News Inc Portland OR booknews com
