## **Enemies World War II Alien Internment:**

*Enemies*, 2009-10-01 They were called aliens and enemies But the World War II internees John Christgau writes about were in fact ordinary people victimized by the politics of a global war The Alien Enemy Control Program in America was born with the United States s declaration of war on Japan Germany and Italy and lasted until 1948 In all 31 275 enemy aliens were imprisoned in camps like the one described in this book Fort Lincoln just south of Bismarck North Dakota In animated and suspenseful prose Christgau tells the stories of several individuals whose experiences are representative of those at Fort Lincoln The subjects lives before and after capture presented in five case studies tell of encroaching bitterness and sorrow Christgau based his accounts on voluminous and previously untouched National Archives and FBI documents in addition to letters diaries and interviews with his subjects Christgau s afterword for this Bison Books edition relates additional stories of World War II alien restriction detention and internment that surfaced after this book was originally published and he draws parallels between the alien internment of World War II and events in this country since September 11 2001 *Enemies*

*Among Us* John E. Schmitz, 2021-08 John E Schmitz examines the causes conditions and consequences of America s selective relocation and internment of German Italian and Japanese Americans during World War II We Were Not the Enemy Heidi

Gurcke Donald, 2007-01-26 The United States clandestinely funds the operation of a huge prison in Cuba Men women and children are spirited away from their homes and imprisoned indefinitely No charges are made no legal counsel is allowed Newspapers fill with stories of espionage and enemies Current events No During World War II the United States used tactics remarkably similar to those in use today against presumed terrorists By 1939 President Franklin Roosevelt had covertly authorized J Edgar Hoover s Secret Intelligence Service to begin surveillance of Axis nationals in Latin America Believing that all German nationals without exception are dangerous the United States surreptitiously pressured Latin American countries to arrest and deport more than four thousand civilians of German ethnicity to the United States There many languished in internment camps while others were shipped to war torn Germany As my parents German born Werner Gurcke and his American wife Starr began their lives together in Costa Rica he was falsely labeled one of the country s most dangerous enemy aliens Soon she too was considered dangerous to the safety of the United Nations From newlyweds to parents innocent civilians to dangerous enemies prisoners to internees *We Were Not the Enemy* tells their story **The American Experience in World War II: The United States and the road to war in Europe** Walter L. Hixson, 2003

**Managing the Canadian Mosaic in Wartime** Ivana Caccia, 2010 With the outbreak of the Second World War in Europe the Canadian government realized that the war effort required not only invoking national consciousness but also involving the twenty percent of the country s population who were not of British or French origins *Managing the Canadian Mosaic in Wartime* explores both the anxieties that characterized public debated and policy making at the time and the pragmatic view that the wartime project depended upon the successful integration of marginalized immigrant communities This history

provides a key to understanding the later development of multiculturalism in Canada At the time Canadian policies regarding ethnic communities were preoccupied with the involvement and loyalty these communities might have with their homeland s politics and with fears of infiltration from either the left or right of the political spectrum Focusing on the creation and operation of government institutions and committees devised to exercise subtle control of minority groups Ivana Caccia explores the shaping of Canadian identity the introduction of government inspired citizenship education and the management of ethnic relations in the mid twentieth century An engaging work that offers an important account of nation building in Canada and the treatment of ethnic minorities in times of heightened international tensions Managing the Canadian Mosaic in Wartime provides crucial insights into multicultural policy and the possibility of parallels with the preoccupations with security and surveillance in the aftermath of 9 11 Book jacket

**Bootlegged Aliens** Ashley Johnson Bavery, 2020-09-25 In contemporary discourse much of the discussion of U S border politics focuses on the Southwest In Bootlegged Aliens however Ashley Johnson Bavery considers the North as a borderlands region demonstrating how this often overlooked border influenced government policies toward illegal immigration business and labor union practices around migrant labor and the experience of being an illegal immigrant in early twentieth century industrial America Bavery examines how immigrants politicians and employers helped shape national policies toward noncitizen laborers In the process she uncovers the northern industrial origins of an exploitative system that emerged on America s border with Canada whose legacy remains central to debates about America s borders today Bavery begins in the 1920s to explore how that decade s immigration restrictions launched an era of policing and profiling that excluded America s foreign born from the benefits of citizenship On the border between Detroit and Windsor Canada this process turned certain Europeans into undocumented immigrants a group the press and policymakers referred to as bootlegged aliens Over the next decade deportation and policing practices stigmatized entire communities of ethnic Europeans regardless of their legal status Moreover restrictive laws allowed manufacturers to exploit workers in new ways By the Great Depression citizenship had become an invisible boundary that excluded hundreds of thousands of laborers from New Deal entitlements Accepted wisdom suggests that the 1924 Immigration Act had allowed ethnic Europeans to shed ties to their homelands and assimilate into the melting pot of American culture by the 1930s Bavery challenges this perspective finding that instead of forging a common culture with their fellow workers European immigrants coming through Canada to Detroit faced statewide registration drives exclusion from key labor unions and disqualification from the Works Progress Administration the cornerstone of America s nascent welfare state In the heart of industrial America Bootlegged Aliens reveals citizenship was highly contingent

**World War II in Europe, Africa, and the Americas, with General Sources** Loyd Lee, 1997-08-21 A broadly interdisciplinary work this handbook discusses the best and most enduring literature related to the major topics and themes of World War II Military historiography is treated in essays on the major theaters of military operations and the related themes of logistics and intelligence while political and

diplomatic history is covered in chapters on international relations resistance movements and collaboration The volume analyzes themes of domestic history in essays on economic mobilization the home fronts and women in the military and civilian life The book also covers the Holocaust This handbook approaches each topic from a global viewpoint rather than focusing on individual national communities Except for nonprint material the literature research and sources surveyed are primarily those available in English The volume is aimed at both experts on the war and the general academic community and will also be useful to students and serious laymen interested in the war

### **Texas and Texans in World War II**

Christopher B. Bean,2022-08-24 Texans in World War II offers an informative look at the challenges and changes faced by Texans on the home front during the Second World War This collection of essays by leading scholars of Texas history covers topics from the African American and Tejano experience to organized labor from the expanding opportunities for women to the importance of oil and agriculture Texans in World War II makes local the frequently studied social history of wartime bringing it home to Texas An eye opening read for Texans eager to learn more about this defining era in their state s history this book will also prove deeply informative for scholars students and general readers seeking detailed definitive information about World War II and its implications for daily life economic growth and social and political change in the Lone Star State

**Constructing the Enemy** Rajini Srikanth,2011-12-09 In her engaging book Constructing the Enemy Rajini Srikanth probes the concept of empathy attempting to understand its different types and how it is or isn t generated and maintained in specific circumstances Using literary texts to illuminate issues of power and discussions of law Srikanth focuses on two case studies the internment of Japanese citizens and Japanese Americans in World War II after the bombing of Pearl Harbor and the detainment of Muslim Americans and individuals from various nations in the U S prison at Guantanamo Bay Through primary documents and interviews that reveal why and how lawyers become involved in defending those who have been designated enemies Srikanth explores the complex conditions under which engaged citizenship emerges Constructing the Enemy probes the seductive promise of legal discourse and analyzes the emergence and manifestation of empathy in lawyers and other concerned citizens and the wider consequences of this empathy on the institutions that regulate our lives

**The War Against Japan, 1941-1945** John J. Sbrega,2015-06-12 With over 5 200 entries this volume remains one of the most extensive annotated bibliographies on the USA s fight against Japan in the Second World War Including books articles and declassified documents up to the end of 1987 the book is organized into six categories Part 1 presents reference works including encyclopedias pictorial accounts military histories East Asian histories hisotoriographies Part 2 covers diplomatic political aspects of the war against Japan Part 3 contains sources on the economic and legal aspects of the war against Japan Part 4 presents sources on the military apsects of the war embracing land air and sea forces Religious aspects of the war are covered in Part 5 and Part 6 deals with the social and cultural aspects including substantial sections on the treatment of Japanese minorities in the USA Hawaii Canada and Peru

Historical Dictionary of the 1940s James Gilbert Ryan,Leonard C

Schlup,2015-03-26 The only available historical dictionary devoted exclusively to the 1940s this book offers readers a ready reference portrait of one of the twentieth century s most tumultuous decades In nearly 600 concise entries the volume quickly defines a historical figure institution or event and then points readers to three sources that treat the subject in depth In selecting topics for inclusion the editors and authors offer a representative slice of life as contemporaneous Americans saw it with coverage of people movements court cases and economic social cultural political military and technological changes The book focuses chiefly on the United States but places American lives and events firmly within a global context

**Historical Dictionary of World War II** Anne Sharp Wells,2023-12-15 World War II was the largest and most costly conflict in history the first true global war Fought on land on sea and in the air it involved numerous countries and killed maimed or displaced millions of people both civilian and military around the world In spite of the alliances that bound many of the same participants the war was essentially two separate but simultaneous conflicts one involved Japan as the major antagonist and took place mostly in Asia and the Pacific and the other initiated by Germany and Italy was contested mainly in Europe North Africa the Mediterranean and the Atlantic This book focuses on the lesser known war the war with Japan It begins with Japan s seizure of Manchuria from China in 1931 and covers Japan s ambitious attacks on Pearl Harbor and other territories ten years later the use of atomic bombs on Japan s cities and the end of the Allied occupation of Japan in 1952 Although Japan renounced war in its 1947 constitution conflict continued across Asia as former colonies fought for independence and civil war engulfed other areas Historical Dictionary of World War II The War Against Japan Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on the military diplomatic political social economic and scientific aspects of the war in addition to the lives of the people who participated in and directed the war This book is an excellent resource for students researchers and anyone wanting to know more about the war against Japan during World War II

*The Nazi Spy Ring in America* Rhodri Jeffreys-Jones,2020-09-14 In the mid 1930s just as the United States was embarking on a policy of neutrality Nazi Germany launched a program of espionage against the unwary nation Rhodri Jeffreys Jones s fascinating history provides the first full account of Nazi spies in 1930s America and how they were exposed in a high profile FBI case that became a national sensation

**Geneva Conventions for the Protection of War Victims** United States. Congress. Senate. Committee on Foreign Relations,1955

**Kokomo Joe** John Christgau,2009-01-01 The first Japanese American jockey Kokomo Joe burst like a comet on the American horse racing scene in the summer of 1941 As war with Japan loomed Yoshio Kokomo Joe Kobuki won race after race stirring passions far beyond merely the envy and antagonism of other jockeys His is a story of the American dream catapulting headlong into the nightmare of a nation gripped by wartime hysteria and xenophobia The story that unfolds in Kokomo Joe is at once inspiring deeply sad and richly ironic and remarkably relevant in our own climate of nationalist fervor and racial profiling Sent to Japan from Washington State after his mother and three siblings died of the

Spanish flu Kobuki continued to nurse his dream of the American good life Because of his small stature his ambition steered him to a future as a star jockey John Christgau narrates Kobuki s rise from lowly stable boy to reigning star at California fairs and in the bush leagues He describes how at the height of the jockey s fame even his flight into the Sonora Desert could not protect him from the government s espionage and sabotage dragnet And finally he recounts how after three years of internment Kokomo Joe tried to reclaim his racing success only to fall victim to still rampant racism a career ending injury and cancer

**Deportation Nation** Daniel Kanstroom,2010-03-15 This book is a chilling history of communal self idealization and self protection By illuminating the shadowy corners of American history Kanstroom shows that deportation has long been a legal tool to control immigrants lives and is being used with increasing crudeness in a globalized but xenophobic world

**The Rotarian** ,1987-01 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine

**Closing the Golden Door** Anna Pegler-Gordon,2021-10-28 The immigration station at New York s Ellis Island opened in 1892 and remained the largest U S port for immigrant entry until World War I In popular memory Ellis Island is typically seen as a gateway for Europeans seeking to join the great American melting pot But as this fresh examination of Ellis Island s history reveals it was also a major site of immigrant detention and exclusion especially for Chinese Japanese and other Asian travelers and maritime laborers who reached New York City from Europe the Americas and the Caribbean and even within the United States And from 1924 to 1954 the station functioned as a detention camp and deportation center for a range of people deemed undesirable Anna Pegler Gordon draws on immigrants oral histories and memoirs government archives newspapers and other sources to reorient the history of migration and exclusion in the United States In chronicling the circumstances of those who passed through or were detained at Ellis Island she shows that Asian exclusion was both larger in scope and more limited in force than has been previously recognized

**Racism in the United States** Meyer Weinberg,1990-05-21 This volume represents the most comprehensive book length bibliography on the subject of racism available in the United States Compiler Meyer Weinberg has surveyed a wide ranging group of material and classified it under 87 subject headings drawing on articles books congressional hearings and reports theses and dissertations research reports and investigative journalism Historical references cover the long history of racism while the heightened awareness and activity of the recent past is also addressed in detail In addition to works that fit the narrow definition of racism as a mode of oppression or group denial of rights based on color Weinberg includes references dealing with sexism antisemitism economic exploitation and similar forms of dehumanization References are grouped under a series of subject headings that include Civil Rights Desegregation Housing Socialism and Racism Unemployment and Violence against Minorities Items which do not have self explanatory titles are annotated and virtually every section is thoroughly cross referenced Also

included is one section of carefully selected references on racism in countries other than the United States Unlike the remainder of the book this section is not comprehensive but rather provides an opportunity to view racism comparatively The volume concludes with an author index This work will be a significant addition to both academic and public libraries as well as an important resource for courses in racism sociology and black history Relating to the Calling of an Atlantic Exploratory Convention United States. Congress. Senate. Committee on Foreign Relations,1955
