Energy And Life:

Messages from the Universe: Genesis Elbert H. Bolsen, 2008-12-09 The book *Messages from the Universe Genesis* is a refreshing and personally candid view of Genesis The book views unity of all life as written in the Book of Genesis The book is intended to show the Bible as a living book that is screened through each person who reads and ponders its message It takes a look at each chapter of Genesis with the hope that each person who reads this book will be challenged to read Genesis from the perspective of finding his or her own truth Screening the message of the Bible through each individual makes the message no less from God and gives the Bible's message a more personal impact *Messages from the Universe* expresses belief that God is the energy and power of all life
