Kozplay! Kyousuke Imadori, **Brighton Up** Nick Szczepanik, 2017-08-24 Brighton Up The Inside Story of Brighton Hove Albion's Journey From Despair to Triumph and the Premier League tells the story of how Brighton Hove Albion Football Club bounced back from the heartbreak of missing out on promotion to the Premier League by the narrowest of margins to achieve that ultimate goal earlier this month Acclaimed sports journalist Nick Szczepanik a lifelong Brighton fan with strong contacts at the club documents its travails over two turbulent seasons. The book explains how the Seagulls written off as certainties for relegation to League One before the 2015 16 season overcame the loss of one of their own in the Shoreham Air Show tragedy to go on a record unbeaten run But although top scorers in the Championship they fell agonisingly short of their target of automatic promotion by a single goal then lost out again in the lottery of the play offs The football world expected them to be crushed by disappointment and outspent by the big guns of Newcastle Norwich and Aston Villa but instead they regrouped and came back stronger in 2016 17 Led by experienced and inscrutable manager Chris Hughton and backed by owner Tony Bloom the world class poker player nicknamed The Lizard for his ice cold blood they played with a determination not to let the heartbreak happen again Mastership Master Lorne Davidson, 2018-02-26 In 1996 at the age of 48 Lorne Davidson declared bankruptcy and was forced to take a hard look at his life as a touring musician With debts racking up and no answers in sight he felt he had hit rock bottom After a suggestion from his wife to try taekwondo to help him relax and release some stress he agreed to a few lessons and he was hooked Mastership From Bankruptcy to a New Life is an autobiography of a twenty year journey to achieving the title of Master Instructor in Songahm Taekwondo at the age of sixty nine After successfully testing for his sixth degree black belt achieving a goal he set for himself in 1997 Lorne Davidson reflects on the changes taekwondo has brought to his life From Bankruptcy to a New Life is a story of dedication hard work and hope It's a reminder that there truly are second chances in life no matter what our age or situation Football Club **Management** Ian Lawrence, 2018-01-29 The rapid global growth of the sport industry has prompted the need for a more commercial approach to the management of sport clubs This book is the first study of its kind to focus on the management of professional football clubs providing a real world insight into management principles and their practical application The international commercialisation of football has led to a fundamental transformation of the industry s management practices given the financial rewards of success and the high price of failure This book presents a critical examination of this transformation questioning why clubs are increasingly adopting management strategies from other industries Each chapter analyses the role played by a key leadership figure within a club such as the owner chief executive officer CEO chief financial officer CFO chief operating officer COO director of football DoF and head coach Full of exclusive interviews case studies and examples of best practice this book sheds new light on the challenges of working in this extraordinarily high pressure environment Football Club Management Insights from the Field is fascinating reading for all those working in or studying the
