between health and design *Like Flaming Fields Stoked by a Gentle Breeze* Sarah L. Brinklow,2002-04-25 This collection of poetry was compiled in the hope that womyn of all ages might enjoy various topics found in the life of Everywomyn This is truly a collection meant to be savored as it is highly relatable to the female condition in today s society advanced yet still full of the constraints and angst womyn have faced for centuries prior love loss parenting political oppression abuse and use by men in their lives romance love gone awry This book covers this broad spectrum of life Screen Comedy and Online Audiences Inger-Lise Kalviknes Bore,2017-06-14 The question of why we laugh or don t laugh has intrigued scholars since antiquity This book contributes to that debate by exploring how we evaluate screen comedy What kinds of criteria do we use to judge films and TV shows that are meant to be funny And what might that have to do with our social and cultural backgrounds or with wider cultural ideas about film TV comedy quality and entertainment The book examines these questions through a study of audience responses posted to online facilities such as Twitter Facebook review sites blogs and message boards Bore s analysis of these responses considers a broad range of issues including how audiences perceive the idea of national comedy what they think of female comedians how they evaluate romcoms sitcoms and web comedy what they think is acceptable to joke about what comedy fans get excited about how fans interact with star comedians and what comedy viewers really despise The book demonstrates some of the ways in which we can adapt theories of humour and comedy to examine the practices of contemporary screen audiences while offering new insights into how they negotiate the opportunities and constrictions of different online facilities to share their views and experiences *Dreamwalker* Anthony W. Shotwell,2010-09 I started dreaming alot when I was around 8 years old This would be around the time when most children are easily scared half to death with anything especially a bad dream The story itself takes place in Lansing and Dimondale Michigan the city where I grew up and spent a lot of time dreaming of life love and of course monsters There s a lot of history and spirituality involving the Native American heritage as well as some of my own small speculation where the Myans are concerned The hero of this story starts out a boy and finds his way to becoming a man through the highly spiritual violent and majical world of dreams Along the way he learns his own family history and finds love in the most peculiar place I hope you enjoy the story as much as I enjoyed writing it for you *Immortalaeism III* Vault Impera,2025-04-25 I have devised the Way of Heroism and in this text I illustrate how the Immortal integrates himself into the Spiritualism of Immortalaeism and what transpires if he succeeds Contra is a term I use throughout the series meaning to oppose or conflict In this book the Immortalaeist emerges as a hero who comprehends both his immortality and the spirit of fighting Having left the world behind the hero embarks on a journey as a Street Fighter seeking to understand himself For him self discovery is the only path to reclaim what is rightfully his in the world The spirituality of the Immortalae practitioners of Immortalaeism is deeply examined as the hero comes to understand his connection to creation and his spiritual identity Armed with a full arsenal of spiritual principles and requirements to embody the Immortalae he prepares for the ultimate challenge the Night of

Inhibition Through this journey he finds his spirituality in both immortality and the spirit of fighting The Contra series I II III and IV is designed to prepare the Immortalae for a life of heroism and spiritual excellence charting a path toward self realization and ultimate triumph *Beneath the Sands of Time* Jody Cooke,2021-06-08 The poetry of Jody Cooke while greatly varied and at times seemingly unfocused in theme is a wonderful read and filled with rich emotional commentary From man s base desires and carnal hunger to the more brutal aspects of rage obsession and the need for violence Mr Cooke takes a deep look into man s heart and pulls out the things we all try so desperately to hide In other works he explores more romantic themes such as love family and the untamed wilds of our deepest imagination Contained within this book are many such pieces A body of work that is the result of a lifetime of creation Here is a brief examination of a few of my favorites

Return Fire Glenn Blake, 2010-03-31 I was born in a land of bayous raised between rivers writes Glenn Blake in his latest collection of short stories There is a place in Southeast Texas where two rivers meet and become one There is a long bridge over these waters and as you drive across you can look to the south and see where the Old River and the Lost River become the Old and the Lost You can look out as far as you can see and watch this wide water become the bay The stories in Return Fire are set in the swamps bayous and sloughs of Southeast Texas a region that is subsiding sinking inches every year beneath the encroaching tides The characters who inhabit Blake's Southern landscape struggle to salvage what they can of their hopes and dreams They are the walking wounded cautious crippled capable of any act Magnolias water mescal stars and fire return again and again in these seven sparse yet tightly written vignettes
