Michele Greene, 2012-05 A young girl growing up between two households that of her grandmother and her stepfather She experiences sexual abuse at one and witnesses domestic abuse at the other As she becomes a young woman branching out on her own she searches for a better life Freeing herself of the sexual abuse and hoping to find love Her path is filled with heartbreak betrayal danger and disappointments **406** Joseph J. Badowski, 2024-03-18 This book is a historical fiction that I have written about the 1960 baseball World Series specifically about game 7 of that series that many baseball experts feel was the greatest game ever played in the history of Major League Baseball The seventh game of that World Series was played on a sunny fall day on October 13 1960 at Forbes Field in Pittsburgh Pennsylvania On that date around 3 00 p m Bill Mazeroski the second baseman for the Pirates hit a walk off home run in the top of the ninth inning to win the game On the second pitch thrown by Yankee pitcher Ralph Terry Mazeroski hit a ball over the 402 sign in left field which gave the Pirates an improbable and almost miraculous win over the heavily favored New York Yankees This home run was the highlight of the many strange and dramatic plays that took place during game 7 which makes that game one for all ages and one that would

make for an excellent script for any Hollywood movie This book however is about more than the 1960 World Series It is also about two nine year old boys who meet each other in the summer of 1960 and who become close friends united by not only baseball but also by a crisis that plagues one of the main character s family Daniel Pryzinski and Adam Brodziak are the two fictional characters in this book who meet each other by chance during the summer of 1960 Daniel lives in the Polish Hill section of Pittsburgh while Adam lives in a small rural coal mining town in western Pennsylvania sixty miles from Pittsburgh The two meet each other by chance when Adam s family is invited to stay with Daniel s family while they are attending a Polish Festival in Pittsburgh While staying with the Pryzinski family the Brodziaks discover a dark secret Daniel s father Peter is an alcoholic whose drinking problems are so bad that it threatens to destroy the Pryzinski family Daniel s mother Pauline is desperately trying to hold the family together but is on the verge of leaving her husband She is a devout Catholic so that decision was one that she did not want to make Besides she loved her husband so much that she was willing to do anything to help him recover from his drinking problem Through the intervention of the Brodziaks and their family doctor Tom Slevic they are able to convince Peter to admit himself to an Alcohol Rehab Center in Somerset Pennsylvania Although the focus of this book is the seventh game of the 1960 World Series it is the relationship of the fictional characters that will show the reader how reliance upon family and friends and hope in God and faith can serve to change the lives of so many whose loved ones are affected by alcohol or other types of addiction or substance abuse

Bus Services Across the UK Great Britain: Parliament: House of Commons: Transport Committee,2006-10-26 Buses are a key local service but usage has been in decline since the 1950s The Transport Act 1985 introduced deregulation but that has failed to reverse that decline The report examines the particular problems local authorities face in developing and implementing effective bus strategies It is clear to the Committee that for many areas including all major metropolitan areas outside London the current regime is not working The Committee recommends more flexibility and is particularly attracted by Quality Contracts These would replace open competition with a licensed regime Operators bid for exclusive rights to run bus services on a route or group of routes on the basis of a local authority service specification Independent Traffic Commissioners are another development that the Committee welcomes and would like to see them have a higher profile and more resources and powers especially to enforce Quality Contracts and penalise operators who do not meet their obligations Others areas covered in the report are securing socially necessary services outside the PTAs congestion and bus priority concessionary fares and the image of the bus
