I Jack:

I, Jack Swilling John Myers Myers, 2012-01-04 Yesterday I was delirious and the day before that or several before that Tonight though I seem to be aware of everything I've ever known It's dark double dark because of the mist that August steams from the Colorado Yet I can see almost every place I've ever been All the men I liked are having drinks with me or yarning around campfires scattered from the Appalachians to the Pacific Coast All the enemies I've fought are visible beyond the muzzles of guns or the points of knives All of the women I've wigwamed with including the two who demanded the law's blessing are either smiling or showing they wished they never met me But I could never really belong to civilization for once I hand helped to create it I yearned for a place on which it hadn't laid an ordering hand *The Bobbies of Bailiwick*

Jones, 2009-06-23 My best friend Josy had asked me to write a story about a secret she had been keeping for years I have changed some names to protect the innocent and the guilty from being held liable Josy and her family went on a festive Hawaiian cruise for Thanksgiving They were surprised to hear that one of the most famous celebrities in Hollywood was going to be promoting his newest movie by performing a show The smiles of a family vacation were shattered when Josy received a viscious injury while lounging at the pool The ship's security needed to find the answers for Josy her family and the passengers on the ship While recuperating in her state room Josy saw what looked to be a baby being thrown into the ocean Josy's mothering instinct made her jump into the ocean to save the child The Hollywood celebrity was walking though the passageway near Josy's door and heard her cries for help and was soon to participate in the role and adventure of a lifetime **The Boy's Own Paper**, 1882 **Slang and Its Analogues Past and Present** William Ernest Henley, 1896
