that darkness offers you something that light can never give you All the important mysteries of life are hidden in darkness These are talks by Osho given at a meditation camp where he introduces people in a direct and practical way to an understanding of meditation as a way to get acquainted with darkness to re discover that darkness is peace relaxation and stillness all through the simple method of witnessing Meditation means discovering the one who is beyond all happening and has never been a part of anything You Have to Laugh to Keep from Crying! The Night Gardener
This is my bliss time
I water under the moon while the world sleeps
Awake with owls and bats moths and cats and
the worker bee who never sleeps
I give grasses their drink
kiss the night blooming flowers whose moon drenched yellow
scent surrounds the garden whose round blossoms glow in the dark dancing like drunkard angels
