Mills, Jerry Mills, 2011-04 About the Cover This simple sketch is over 100 years old It hung in the farm house I was raised in as a small boy The artist was a relative on the Jackson side of my family tree The original sketch now hangs in the cabin where I live My grandmother tried to explain the meaning of the sketch to me when I was eight years old but it was way over my head Now that I have entered the final chapter of my long journey I look at the sketch a lot differently than I did when my grandmom talked to me about it so long ago The old man is not only old but very wise The sweet mellow smell from his pipe is now an integral part of him The fragrance of Spring completely surrounds the young girl As she tells him about his upcoming long journey you can see the slight smile on his face He knows his next journey will be soon and very short I suspect that he will give her very little advice He knows that unraveling the mysteries and finding your own answers are what make our long journeys worthwhile Poppy About the Stories You may find some of them are sad some funny and some a little mysterious However I hope they rekindle and stir emotions you have hidden deep inside you for a very long time
