**I Love Idi Amin** Festo Kivengere, Dorothy Smoker, 1977-01-01      **I Love Idi Amin** Festo Kivengere, 1977      **A Popular History of Idi Amin's Uganda** Derek R. Peterson, 2025-06-24

How Africa's most notorious tyrant made his oppressive regime seem both necessary and patriotic. Idi Amin ruled Uganda between 1971 and 1979 inflicting tremendous violence on the people of the country. How did Amin's regime survive for eight calamitous years? Drawing on recently uncovered archival material, Derek Peterson reconstructs the political logic of the era, focusing on the ordinary people, civil servants, curators, and artists, businesspeople, patriots who invested their energy and resources in making the government work. Peterson reveals how Amin, 1928-2003, led ordinary people to see themselves as front-line soldiers in a global war against imperialism and colonial oppression. They worked tirelessly to ensure that government institutions kept functioning even as resources dried up and political violence became pervasive. In this case study of how principled, talented, and patriotic people sacrificed themselves in service to a dictator, Peterson provides lessons for our own time.

**The Church** David Zac Niringiye, 2014-12-14

In this day when Christians and churches are widely dispersed throughout the world, the question Who is the church could easily be dismissed as irrelevant. In this publication, Bishop David Zac Niringiye pleads that as Jesus warned, we should not be in haste to conclude that any community with religious titles or forms and who speaks the right language of Lord is authentic church. Taking his cue from Hebrews 11 and 12, the author addresses the motif of the people of God, looking first at the ancient people of Israel, beginning with Moses, then the new Israel and the covenant in Christ, born through the Holy Spirit at Pentecost, and finally the life of the new community, the church, during the apostolic era. Through this biblical journey, it is made clear that as the pilgrim people of God and the new community in Christ, we must be marked by faith, love, and hope, looking forward to the full consummation of the kingdom of God, justice, peace, and joy, fully realized when the new heaven and the new earth, where righteousness dwells (2 Peter 3:13), is inaugurated.

***Missionary of Reconciliation*** Alfred Olwa, 2013-11-30

*Missionary of Reconciliation: The Role of the Doctrine of Reconciliation in the Preaching of Festo Kivengere of Uganda, 1971-1988* Alfred Olwa, Sydney, Australia, 1988

In the period 1971-1988, the Christian doctrine of reconciliation was central to Festo Kivengere's preaching in Uganda and beyond. This doctrine so gripped Kivengere that it shaped his attitude to life, to others, and even to his enemies. He exhorted his audiences to be reconciled with God and then with their fellow human beings as part of God's remedy for a broken world. In his preaching, Kivengere depicts Jesus as a missionary of reconciliation who brings a fresh and alternative life, characterized by the reconciling love and peace from God. He preached the Christian doctrine of reconciliation into a Uganda where Christians lived under the horrors of Amin's rule and its aftermath. According to Kivengere, the world changes through the preaching of the reconciliation centered in Jesus Christ.

***The End of Empire in Uganda*** Spencer Mawby, 2020-05-14

The negative legacy of the British empire is often thought of in terms of war and economic exploitation, while the positive contribution is associated with the

establishment of good governance and effective modern institutions In this new analysis of the end of empire in Uganda Spencer Mawby challenges these preconceptions by explaining the many difficulties which arose when the British attempted to impose western institutional models on Ugandan society Ranging from international institutions including the Commonwealth to state organisations like the parliament and army and to civic institutions such as trade unions the press and the Anglican church Mawby uncovers a wealth of new material about the way in which the British sought to consolidate their influence in the years prior to independence The book also investigates how Ugandans responded to institutional reform and innovation both before and after independence and in doing so sheds new light on the emergence of the notorious military dictatorship of Idi Amin By unpicking historical orthodoxies about 20th century imperial history this institutional history of the end of empire and the early years of independence offers an opportunity to think afresh about the nature of the colonial impact on Africa and the development of authoritarian rule on the continent

**The Church in the World** David Zac Niringiye, 2016-04-30 Historically studies of the church in Africa have tended to focus on church history or church state relations but in this publication David Zac Niringiye presents a study of the Church of Uganda focused on its ecclesiology Niringiye examines several formative periods for the Church of Uganda during concurrent chronological political eras characterized by varying degrees of socio political turbulence highlighting how the social context impacted the church's self expression The author's methodology and insight sets this work apart as an excellent reflection on the Ugandan church and brings scholarly attention to previously ignored topics that hold great value to society the church and the academic community globally

**12 Faithful Men** Collin Hansen, Jeff Robinson, 2018-07-03 Most pastors know when they enter the ministry that they will spend time helping others through times of suffering What they usually do not realize though is that they too will suffer Caught off guard many of them end up deeply hurt and quit the ministry deciding that perhaps they misunderstood God's call on their lives or that they simply do not have what it takes But church history is filled with compelling stories of men who were profoundly afflicted while they carried out their ministry and yet persevered faithfully until death Now the editors of The Gospel Coalition have collected inspiring stories of twelve faithful men who endured great suffering for the cause of Christ The stories of the apostle Paul John Calvin Charles Spurgeon John Bunyan Wang Mingdao and others show that suffering in the context of ministry is expected and it's never wasted Pastors and ministry leaders as well as those who support them will find in this collection encouragement to run the race with endurance

**The Prophets of God** John F. Finkbeiner,2012-01-31 We are at war When our Lord and King prepares for battle he first releases a loyal band of servants prophets who boldly declare his intentions Objective observers agree that this world is headed in a very bad direction The signs for an impending disaster are everywhere Profiteers are capitalizing on this growing sense of danger by manufacturing dire end of the world predictions These false prophecies swirl about as people struggle to make sense of the increasing insanity and violence Presently God is selecting and preparing his anointed prophets for a global assault They will overturn the money changers tables in the compromising and lukewarm church as they announce the coming destruction of the wicked Even now Satan is sending a great multitude of his minions to every institution where he has a foothold in order to undermine the truth and fill the minds of the Biblically uninformed with lies fear and hatred It will take a hero s courage to read The Prophets of God with an open mind and an open Bible Taking a Pre Wrath Rapture position the arguments contained inside have the power to rock the Christian establishment to its core If the message in this book becomes widely known it will thoroughly upset those profiting from the status quo But that is what the Spirit must do What comes out of the prophet s mouth is a two edged sword that

judges each one hearing the message Inside The Prophets of God readers will have a valuable resource as they go forward to the end of this age and the return of Christ Each page promotes wisdom that comes from God while exposing the deceit that originates in the hell of his defeated foe Chapters such as The King s Enemy Counterfeits The Sword Captivity The Surprise Judgment and Restoration will excite and challenge every Bible student regardless of their knowledge level Nothing is more powerful than an idea whose time has come Absolutely nothing can stop it What is contained in The Prophets of God will demonstrate again how the pen is mightier than the sword Why now Why this book It is because it is the season for war The time for the great battle prophesied at Jesus return will soon arrive Before then sides will be chosen men and women will persuade their children and their friends as to whom they should believe On the day of the Lord s salvation those with a future and a hope will all have one thing in common They recognized heard and followed The Prophets of God *Contesting Catholics* Jonathon L. Carney,2021 First scholarly treatment of Uganda s first elected ruler offers new insights into the religious and political history of modern Uganda **The Persecution of Christians Concerns Us All** Thomas Schirrmacher,2018-05-10 In this situation I can highly recommend Dr Thomas Schirrmacher s new book It gives a clear and logical insight in many of the questions even people who consider themselves nonreligious people now ask It can best be read with an open Bible and some open daily newspaper It will give a surprisingly new insight into what it means to live in a time like this From the preface by the Very Rev Johan Candelin Director of the Religious Liberty Commission of the World Evangelical Alliance Suffering comes in many forms but the one that Scripture tells all Christians to expect is persecution for one s faith As Thomas Schirrmacher s theological study will demonstrate the Bible has a tremendous amount to teach us about persecution Without a Biblical understanding we are unlikely to fully grasp the nature of the spiritual battle I am delighted therefore that his book puts the Bible s teaching on persecution centre stage Preface by Julia Doxat Purser Socio Political Representative the WEA represents churches with 600 million members altogether He also is a member of the board of the International Society for Human Rights Schirrmacher regularly testifies in the German parliament and other parliaments in Europe as well as in the EU in Brussels the OSCE in Vienna and other international bodies His has written 102 books three of his newest books are Fundamentalism Racism and Human Trafficking He has earned four doctorates in missiology and ecumenical theology in cultural anthropology in ethics and in sociology of religion and received two honorary doctorates from the USA and India Epidemic of Joy Randal Earl Denny,2007-05-01 Randal Denny began a devotional study in the Book of Acts with Do It Again Lord Acts 1 4 Where the Action Is Acts 5 8 Wind in the Rigging Acts 9 12 and continued it with this volume This book is about joy a certain kind of joy that comes from deep down inside the joy of the new life in Christ E Stanley Jones noted A strange sober joy went across that sad and decaying world joy that goodness was here for the asking that moral victory was possible now that guilt could be lifted from the stricken conscience that inner conflict could be resolved and that a fellowship of like souled persons gave one a sense of belonging It was Good News And it worked

Acts 13 through 16 the scope of this study traces the beginnings of that epidemic of joy which spread so rapidly and so extensively that it has reached us today      **Your Spiritual Gifts Can Help Your Church Grow** C. Peter Wagner,2012-05-14 Find Your Gifts and Use Them to Serve God s People The Bible tells us that God has given every believer one or more spiritual gifts to build up the Body of Christ But how can Christians know which gifts they possess This revised edition of C Peter Wagner s bestselling spiritual gifts resource will help you learn about your own gifts and empower your congregation or group to use their specific gifts In this comprehensive and easy to understand guide and accompanying spiritual gifts inventory you will also discover The 28 gifts listed in the Bible and how to distinguish them The difference between gifts talents and roles How you can know your individual gifts and use them effectively Five steps to help you build God s kingdom through your gifts You Spiritual Gifts Can Help Your Church Grow will help you and your group use the gifts God has provided to you so that your church will flourish      *The Judge Is the Savior* Jean Wyatt,2015-02-16 This is a book Jean Wyatt felt compelled to write as she has for many years wrestled with questions surrounding the love and the justice of God his salvation and judgment through Jesus Christ and the effect of our response or lack of response to that salvation The Bible gives glimpses of hope that in the end God will restore all things and that finally all people will worship him If it is God s will that all should be saved is it possible to resist that will for all eternity Or dare we hope that God will continue to seek and ultimately save those who now reject his offered salvation Dare we hope that hell will be a place of restorative justice and cleansing with redemption as its aim Wyatt has come to the conclusion that we can answer Yes to both these questions The fire of God consumes evil and cleanses people Meanwhile in the here and now in which we live as disciples of Jesus Christ we are called to be witnesses to the kingdom of God and to work for his kingdom to come on earth as it is in heaven
