

Verily, verily, I say unto you, The  
servant is not greater than his  
lord; neither he that is sent  
greater than he that sent him.

**I Say Unto You** Osho,2013-12-10 What if Jesus were not a supernatural being conceived by a virgin but a real human being who had experienced the awakening of consciousness known as enlightenment in the East This extraordinary line by line commentary on selected Gospels from Matthew and John tests the hypothesis that Jesus was a mystic not a miracle worker of supernatural origin Osho convincingly makes the case that the stories of Jesus life were never meant to be a factual record of history but rather are teaching parables designed to provide ongoing spiritual guidance for generations to come I Say Unto You introduces us to a dynamic compassionate intelligent loving Jesus who speaks in a plain and simple way that everyone can understand This is not the long faced sad and tortured man often depicted down the centuries Osho looks with a crystal clear perception at Jesus work inviting us to see the parables and miracles as metaphors of the inner world He gives insight into Jesus own search and his journeys to the ancient mystery schools of Egypt Kashmir and Tibet that transformed him into one of the most evolved masters of the paths of love and meditation with insights that are still relevant for today s world

**I Say Unto You - Vol. II** Osho,2022-06-22 What if Jesus were not a supernatural being conceived by a virgin but a real human being who had experienced the awakening of consciousness known as enlightenment in the East This extraordinary line by line commentary on some of the best known Gospels from the New Testament tests the hypothesis that Jesus was a mystic not a miracle worker And convincingly makes the case that the stories of his life were never meant to be a factual record of history but rather are teaching parables designed to provide ongoing spiritual guidance for generations to come I will speak on Christ but not on Christianity Christianity has nothing to do with Christ In fact Christianity is anti Christ just as Buddhism is anti Buddha and Jainism anti Mahavir Christ has something in him which cannot be organized The very nature of it is rebellion and a rebellion cannot be organized The moment you organize it you kill it Then the dead corpse remains You can worship it but you cannot be transformed by it You can carry the load for centuries and centuries but it will only burden you it will not liberate you That s why from the beginning let it be absolutely clear I am all for Christ but not even a small part of me is for Christianity If you want Christ you have to go beyond Christianity If you cling too much to Christianity you will not be able to understand Christ Christ is beyond all churches Verily, Verily, I Say Unto You ...

## **I Say Unto You Introduction**

In today's digital age, the availability of I Say Unto You books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of I Say Unto You books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of I Say Unto You books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing I Say Unto You versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, I Say Unto You books and manuals for download are incredibly convenient. With just a computer or

smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing I Say Unto You books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for I Say Unto You books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, I Say Unto You books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of I Say Unto You books and manuals for download and embark on your journey of knowledge?
