Rasmus NIELSEN (Professor of Philosophy at Copenhagen University.),1862 *Fighters, Girls and Other Identities* Lian Malai Madsen,2015 This book examines how young people at a martial arts club in an urban setting participate and interact in a recreational social community The author relates analyses of their interactions to discussions of relevance to the sociology of sports anthropology and education ultimately providing an analytically nuanced contribution to the study of contemporary sociolinguistic processes and identity practices The author explores how the young participants negotiate their place in the social order create and maintain friendship groups and relate to different social categories using the ecological descriptions provided by linguistic

ethnography The book will appeal to researchers of discourse analysis sociolinguistics sport sociology extra curricular education and anthropology

Early Work (1905 - 1911) J.R. Nielsen,2013-10-22 The influence of Niels Bohr s work of his approach to research both practical and theoretical is widely felt today His contributions to our knowledge of the atomic constituents of matter and to our view of science remain of fundamental importance The publication of his collected works will give historians of science and scientists easy access to a life work entirely devoted to the rational analysis of the laws of nature and of the singular character of their meaning for us In addition to Bohr s published papers the series includes unpublished manuscripts and a wide selection of letters and other documents with explanatory notes *Living Waters* Egon Keck,Svend Søndergaard,Ellen Wulff,1990 *Living Waters* Scandinavian Oriental Studies In Honour of Frede L kkegaard
