Goodbye Hiding, Hello Freedom Morgan Krueger, 2024-09-03 Healing for the brokenhearted and freedom for those bound by shame Do you know what it's like to feel stuck in the cycle of shame Through personal stories and biblical wisdom Morgan offers encouragement to every soul who has ever felt disqualified from the abundant life God has for her because of her past Morgan links arms with her readers as she talks through our beautiful identity as daughters combats the shame that keeps us from growing and exposes wounds that won't heal Morgan teaches on how to forgive yourself the blessing of community and our wholeness in Jesus The world has a lot to say about who you are and who you should be Morgan lifts the burden of cultural lies and replaces them with the truth of our freedom in Christ Join her in saying Goodbye Hiding Hello Freedom *A Cry For Justice II* Daniel Cummings, 2022-08-26 What would you do if upon arriving home from a hard day's work you found out that your wife had been brutally raped by someone you knew What would you do He put a gun to my head and dragged me into a dark room He pushed me down on the bed and said If you make a sound I will kill you He then pulled down my pants and raped me Rape is a horrible crime It is a crime that often leaves the victim psychologically scarred for life Daniel Cummings is the husband of a rape survivor The heinous crime of rape has been perpetrated upon his man's wife and the culprit is identified by the victim When the criminal's identity is made known to the agents of law enforcement it is reasonably expected that justice will be served When the culprit has been positively identified as the rapist and those agencies empowered with the authority to arrest the culprit and thereby mete out justice consciously refuse to perform the duties they have been sworn to uphold citing their own lack of confidence in the process of the justice system as the reason they will not perform their sworn duty they have by their own inaction aligned themselves with the rapist and closed the doors to even a semblance of justice What would you do What would you do if you discovered that a knife and gun were used to force your wife into submission What would you do What would you do if after doing everything that the law dictated a law-abiding citizen should do all the right things that a traumatized man and wife could possibly endure by reporting the rape you get slapped in the face with endless contrived humiliation What would you do Daniel Cummings hasn't been able to sleep All he can think about is the knife put to his wife's throat the gun put to her head and the bloodstains on her pants from vaginal hemorrhaging He knows he has to do something **Katie's Redemption** Patricia Davids, Kit Wilkinson, 2016-04-26 Katie's redemption After two years away Katie Lantz returns to her Amish community nine months pregnant and unmarried She nervously knocks on her family's door fearing she'll be shunned Yet the handsome stranger who now owns the farm welcomes her in just in time for Katie to give birth Carpenter Elam Sutter and his kindly mother care for Katie and her newborn in a loving way she never dreamed was possible And Katie learns just what family faith and acceptance truly mean *The Healing Path* Dan B. Allender, 2000-09-26 Don't Waste Your Pain None of us escapes the heartache and

disappointments of life To live is to hurt and we all have the wounds to prove it Regardless of how we've been hurt we all face a common question What should we do with our pain Should we stoically ignore it Should we just get over it Should we optimistically hope that everything will work out in the end If we fail to respond appropriately to the wounds that life and relationships inflict our pain will be wasted it will numb us or destroy us But suffering doesn't have to mangle our hearts and rob us of joy It can instead lead us to life if we know the path to healing Healing is not the resolution of our past it is the use of our past to draw us into deeper relationship with God and his purposes for our lives If you're ready to shape a future characterized by love service and joy now is the time to step out onto The Healing Path **The War Cry** ,1896

Halwende's Redemption John Wegener,2018-12-20 You can't escape your past It always catches up with you in the end After crash landing on a planet that shouldn't exist Halwende discovers the uninhabited planet isn't what it seems What is this uninhabited paradise and will anyone ever rescue him Or is it inhabited Fighting his own demons Halwende believes he's hallucinating as he begins an incredible journey back to his destiny When an entire society draws him into a struggle for power he knows he can't resist their plea for help a plea echoing from his remote past But betrayal capture and torture lies ahead What is he willing to die for **Shame and Humiliation** Blema S. Steinberg,1996-04-16 Steinberg focuses on the narcissistic personality identifying it as intensely self involved and preoccupied with success and recognition as a substitute for parental love She asserts that narcissistic leaders are most likely to use force when they fear being humiliated for failing to act and when they need to restore their diminished sense of self worth Providing case studies of Johnson Nixon and Eisenhower Steinberg describes the childhood maturation and career of each president documenting key personality attributes and then discusses each one's Vietnam policy in light of these traits She contends that Johnson authorized the bombing of Vietnam in part because he feared the humiliation that would come from inaction and that Nixon escalated U S intervention in Cambodia in part because of his low sense of self esteem Steinberg contrasts these two presidents with Eisenhower who was psychologically secure and was therefore able to carry out a careful and thoughtful analysis of the problem he faced in Indochina Shame and Humiliation reveals how personality traits affect our perception of reality and offers a powerful demonstration of the impact of psychodynamics on presidential decision making *Stories of Redemption* Thomas Ward,2014-06-12 The stories in this book all have to do with second chances Chances at redemption that are deserved as well as those that are not Chances that sought after as well as those that are not I hope that in some way these short stories are entertaining as well as uplifting I hope that in some way the reader can relate to these stories and can see their own lives in them **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 *Surviving the Storm* Cheryl Krauter,2017 A workbook for cancer survivors that addresses the emotional needs of patients partners family members and friends by offering them a format to tell the story of how they've been touched by cancer It offers a perspective that focuses on the whole person their potential and their natural drive toward authenticity TILL WE HAVE FACES

(Cupid & Psyche - The Story Behind the Myth) C. S. Lewis, 2023-12-05 C S Lewis's *Till We Have Faces* reinterprets the ancient myth of Cupid and Psyche through a richly layered narrative that blends allegory with philosophical inquiry. Set in the fictional realm of Glome, the novel is narrated by Orual, Psyche's elder sister, who grapples with issues of love, jealousy, and the human condition. Lewis employs an elegant prose style imbued with a mythic quality that engages readers in profound moral and ethical dilemmas, challenging conventional views on divine love and personal sacrifice. This work is often regarded as Lewis's most mature fiction, embodying a synthesis of classical mythology and Christian thought and standing out within the canon of modern literary explorations of myth and identity. C S Lewis, renowned for his theological works and fantasy novels, was deeply influenced by his own spiritual journey and interest in mythology. His background in literature, as well as his profound Christian faith, guided him to create a nuanced tale that examines the interplay between the mortal and the divine. Lewis sought to delve deeper into the motivations of characters often portrayed in simplistic terms, offering a fresh perspective that resonates with contemporary audiences by addressing timeless questions about human nature. I wholeheartedly recommend *Till We Have Faces* to those interested in a thought-provoking exploration of mythology reimagined through a lens of psychological depth and moral complexity. Lewis's masterful storytelling invites readers to navigate the labyrinth of the human heart, making it an essential read for anyone seeking a profound understanding of love, identity, and the sometimes turbulent relationship between humanity and the divine.

Put the Disciple into Discipline
Erin MacPherson, Ellen Schuknecht, 2017-06-20 *PUT THE DISCIPLE INTO DISCIPLINE* gives parents the tools they need to truly disciple their kids through their most trying discipline situations. What do you say when your kid has really messed up? How do you respond when your three-year-old is throwing pennies at other carts as you walk through the aisles at Target? Or when your eight-year-old daughter rolls her eyes in a dramatic fit of preteen angst? Or when your sixteen-year-old son is lying as he attempts to go somewhere that he never should be? These are the tough moments in parenting. But they are also the moments that will define your kids. We want to give parents the tools they need to truly disciple their kids through their most trying discipline situations. With these tools, parents can guide their kids' hearts towards the God who loves them deeply and survive those pull-out-your-hair parenting moments. We pray that *PUT THE DISCIPLE INTO DISCIPLINE* will help parents to connect with their kids in a heartfelt way so that their kids in turn can connect with the God who created them to be truly and imperfectly His.
