with adventure and love And that is exactly what he did Today a spritely and cheerful octogenarian and father of six Gidon speaks to celebrities and diplomats all over the world and has taken social media by storm all with his signature candor charm and wisdom Just what makes this Holocaust survivor rascal and dogged optimist tick Sharing remarkable stories from his extraordinary life Lev reveals his secrets of happiness and fulfillment From reconciling with the sometimes painful past to embracing this singular gift called life Gidon has never taken a day of his life for granted and neither should we You don't get the life you want Gidon says you get the life that you get Let's Make Things Better is the story of an indomitable spirit whose cheerful determination to never give up is just what we need during these uncertain times Now more than ever Gidon Lev has important lessons for us all about life and how to live it well having the courage to stand up to hate living for the moment believing in ourselves nurturing loving and caring relationships and always always believing that a better world is something worth fighting for

Enough Grace to Make Things Right Janet Weiler, 2021-07-15 Joe came out of prison a changed man There would be no more drugs and no more crime He had lived precariously all his adult life but he hoped to leave all that behind He was starting over Joe found his way to his grandfather's house in a small town He faced his challenges head on but there was one memory he couldn't shake Coming out of prison Joe discovered that he had a two year old son Little Stevie was thriving with parents who loved him and Joe wouldn't interfere Long ago he'd decided to never have kids No sweet little kid deserved a dad like him Joe went to church and joined a men's Bible study Many of the people he met there reminded him about but more importantly showed him God's love and grace Compelled by this truth Joe gave his life to Christ and God began to use him But then tragedy struck After picking up the newspaper at the coffee shop Joe shouted out in anguish at what he had read His mind was numb His heart was broken What could he do Joe didn't understand but soon he would stand amazed as he watched God's plan unfold

America for Americans Lee Dobry, 2020-02-21 America for Americans is Dobry s attempt to explain some of the basic concepts of America things that the schools are not allowed to teach nowadays Basic things like what is the idea of America What makes this country unique in the history of the world Where does money come from and who decides how much each country gets We hear about everyone s Constitutional Rights but what are they Why would anyone in their right mind want to destroy the Constitution the one document that guarantees our protections against a tyrannical government What is socialism at least today s version

of it Can socialism really work long term in America What is the cost of socialism What is the socialist agenda What is the conservative agenda These are things that all Americans need to understand well what we have and what we stand to lose America is at a critical point right now What we do in the 2020 elections will not only determine what kind of life we will have but also what kind of life our children and grandchildren and their children will have and we need to be keenly aware of that Will they live free or will they live as subjects under an all controlling government We need to consider that very carefully because your freedom is like your life once you give it up you won t get it back We all need to be well informed with the truth before we make decisions that will have irreversible consequences for the future generations of Americans We have the right to throw away our own freedoms if we so choose We do not have the right to throw away theirs And it s not just about the 2020 elections It won t end there The fight to keep socialist forces from taking away Americans freedom will go on until either they win or we defeat them There can be no compromise between freedom and slavery It s one or the other There is no middle ground **DESTINY** Mari Alegre,2011-02-09 I moved from Chicago to California for a reason I thought leaving my father s death would be the last of my troubles I met Sean and Kris and guess what I have More trouble Who knew a big move came with a big change There s a lot that I don t know or understand and yet all of it has to do with me So why was I the last to find out I didn t ask for this and I don t know how all this came to be But one thing I know is all of it is my destiny
