**The I Ching and Mankind** Diana Farrington Hook, 1975      **The I Ching and Modern Man** Jung Young Lee, 1975

*The Original I Ching Oracle or The Book of Changes* Rudolf Ritsema, Shantena Augusto Sabbadini, 2018-05-15 Often referred to as the Eranos edition this revised and updated translation offers the most substantial advance in I Ching since Richard Wilhelm introduced the oracle to the West in the 1920s The I Ching is one of the oldest Chinese texts and the world's oldest oracle Accumulated from over 2 500 years of diviners sages and shamans and born out of the oral tradition the I Ching as we know it today is a collection of texts imagery and advice philosophy and poetry divided into 64 chapters There are 64 hexagrams created from a collection of six lines either broken or solid In order to read from the book you must cast a hexagram The traditional method required yarrow sticks but nowadays is based on tossing three coins six times The Original I Ching Oracle or Book of Changes was inspired by Carl Gustav Jung's insights into the psyche and researched for more than 60 years through the Eranos Foundation of Switzerland It presents the oracular core of the I Ching as a psychological tool the symbols interact with our minds in the same way dream images do      *I Ching* Edward A. Hacker, Steve Moore, Lorraine Patsco, 2002 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play's various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality      Master of Five Excellences Cheng Man-ch'ing á, 1996-01-04 Professor Cheng Man Ch'ing regarded a set of five disciplines the five excellences to be the mark of a well rounded person calligraphy painting poetry t'ai chi and medicine Although he is best known for his teachings on the martial arts in particular his highly influential adaptation of t'ai chi versatility was central to Cheng's philosophy of life and he encourage his students to combine artistry with scholarship This inspiring book is a commentary on and working compendium of Cheng's literary and pictorial interpretations of these subjects Of interest to aficionados of Chinese art culture and history Master of Five Excellences also offers internal techniques for practitioners of the martial arts as Hennessy provides an insight into the rarely glimpsed creative side of Cheng Man Ch'ing

*Understanding the I Ching* Hellmut Wilhelm, Richard Wilhelm, 1995 The West's foremost translator of the I Ching Richard Wilhelm thought deeply about how contemporary readers could benefit from this ancient work and its perennially valid insights into change and chance For him and for his son Hellmut Wilhelm the Book of Changes represented not just a mysterious book of oracles or a notable source of the Taoist and Confucian philosophies In their hands it emerges as it did for C G Jung as a vital key to humanity's age old collective unconscious Here the observations of the Wilhelms are combined in a volume that will reward specialists and aficionados with its treatment of historical context and that will serve also as an introduction to the I Ching and the meaning of its famous hexagrams      **The Sacred Books of the East: The I Ching**

Friedrich Max Müller,1882     *A Translation of the Confucian [I Ching] ; Or, the Classic of Change* ,1973     *The Spirit in Man, Art and Literature* C.G. Jung,2024-11-01 The Spirit in Man Art and Literature offers unique and penetrating insights into the lives and opinions of some of the most significant players in the cultural life of the twentieth century Carl Gustav Jung was at the heart of that cultural life pioneering along with Freud a new interpretation of what it meant to be human in the modern age This volume reveals the full range of Jung s involvement in this process from his famous analysis of Psychology and Literature to his landmark texts on Joyce s Ulysses and Picasso s paintings Jung writes of Freud from the perspective of one who was permitted a deep glimpse into the mind of this remarkable man and through the memories and opinions recorded in The Spirit in Man Art and Literature the reader is offered a similar privilege     *The Man in the High Castle and Philosophy* Bruce Krajewski,Joshua Heter,2017-08-04 The Man in the High Castle is an Amazon TV show based on the Philip K Dick novel about an alternate present beginning in the 1960s in which Germany and Japan won World War II with the former Western US occupied by Japan the former Eastern US occupied by Nazi Germany and a small neutral zone between them A theme of the story is that in this alternative world there is eager speculation fueled by the illicit newsreel The Grasshopper Lies Heavy about how the world would have been different if America had won the war In The Man in the High Castle and Philosophy twenty two professional thinkers look at philosophical issues raised by this ongoing enterprise in alternative history One question is whether it really made a profound difference that the Allies won the war and exactly what differences in everyday life we may expect to arise from an apparent historical turning point Could it be that some dramatic historical events have only superficial consequences while some unnoticed occurrences lead to catastrophic results Another topic is the quest for truth in a world of government misinformation and how dissenting organizations can make headway
