

I Ching: An Annotated Bibliography

EDWARD HACKER, STEVE MOORE, and LORRAINE PARSON. New York and London: Routledge, 2002.

xvii, 336 pages. ISBN 0-415-93969-0. US\$75.00 hardback.

This extensive bibliography of English-language materials on the *I Ching*, or *Classic of Change*, inhabits and serves two worlds: the world of academic scholarship on the *I Ching* as a highly influential Chinese text in East Asian history, philosophy, and religion; and the diverse and often colorful world of divination practitioners, astrologers, psychics, and amateur historians and philosophers, who have found in the *I Ching* and its lore a wellspring of inspiration that shows no signs of running dry. The backgrounds of the authors similarly reflect an academic/non-academic spectrum: Edward Hacker is Professor Emeritus of Philosophy and Religion at Northeastern University; Steve Moore is a writer and former publisher of an *I Ching* journal that straddled both perspectives (he is also identified in the Preface as a Fellow of the Royal Asiatic Society); and Lorraine Parsons is a web designer who gleaned many of the references in the book from the internet (although websites devoted to the *I Ching* were not included).¹

The bibliography is divided into three sections: books and unpublished dissertations (502 entries); journal and magazine articles and book reviews (486 entries); and "devices and equipment," including audio-visual materials, computer programs, and cards, kits, and other devices (59 entries). There is also a very short introduction to the *I Ching* by Steve Moore, a one-page glossary of *I Ching* terms, and a useful topic index. The annotations for most items are fairly extensive, but the overwhelming majority of them are not critical: they include only a summary of the contents, in many cases with substantial excerpts, some occupying as much as two pages.

The scope of the bibliography is astounding, even given its limitation to English-language materials. The authors have decided to include everything they could find that mentions the *I Ching*, even if only once (they identify such cases and quote the relevant passage, usually with a few paragraphs of context). Thus, mixed in with dissertations and critical scholarship one finds *The I Ching Coloring Book*, a 1967 "psychedelic science fiction" novel that contains brief references to the *I Ching* (first on p. 3), *I Ching in Ten Minutes* (p. 72), a single mention of the *I Ching* in the acceptance speech of someone receiving the Caldecott Medal for children's fiction (p. 262), and items such as the following (p. 98):

[310] Moody (No other name given). *I ching images*. Vol. 1, no. 1984, 61 pp. Brooklyn, New York: Munchbird Press, 1978.

¹ In the interests of full disclosure I should add that I am listed in the acknowledgements, because a number of years ago I had sent Steve Moore, at his request, an early version of my then-unpublished translation of Chu Hsi's *Introduction to the Study of the Classic of Change* [I-chieh ch'i-meng 易學啟蒙]. But I was unaware of this book until asked to review it.

I Ching Annotated Bibliography

Geoffrey Redmond, Tze-Ki Hon

I Ching Annotated Bibliography:

I Ching Edward Hacker, Steve Moore, Lorraine Patsco, 2023-05-31 With over one thousand entries covering a diverse range of sources including books articles unpublished dissertations taped lectures devices and software this is the most comprehensive annotated bibliography of English works on the I Ching This book will be indispensable for all scholars of the I Ching and an invaluable resource for those interested in this classic Chinese book Follow this link www.zhouyi.com to editor Lorraine Patsco's massive I Ching web bibliography featuring over 2500 I Ching related websites

I Ching Edward A. Hacker, Steve Moore, Lorraine Patsco, 2002 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play's various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality

The I Ching Handbook Edward A. Hacker, 1993 The I Ching the Book of Changes is the Chinese classic that is best known and most widely read in Western civilization Although it was written nearly 3000 years ago its wisdom is still applicable to modern issues and in its multi metaphorical themes one may find insights and solutions to the personal social political and philosophical problems encountered today Dr Hacker's I Ching Handbook is the best compendium of study aids and state of the art information now available on the ancient Book of Changes It contains knowledge that allows the reader to achieve a deeper level of understanding of the I Ching It also provides the reader with a formal presentation of the subject that is not found elsewhere The Handbook is excellently referenced with footnotes and appendices to meet the needs of the most assiduous scholar It also contains 2 annotated bibliographies a concordance to the most often studied Wilhelm Baynes translation of the I Ching and a glossary of technical terms Features A comprehensive compendium of study aids to guide the reader through the most popular of ancient Chinese texts Excellent references and 2 bibliographies for further reading Gl

Teaching the I Ching (Book of Changes) Geoffrey Redmond, Tze-Ki Hon, 2014-09-01 Chinese traditional culture cannot be understood without some familiarity with the I Ching yet it is one of the most difficult of the world's ancient classics Assembled from fragments with many obscure allusions it was the subject of ingenious but often conflicting interpretations over nearly three thousand years Teaching the I Ching Book of Changes offers a comprehensive study at a time when interest in Asian philosophy and the culture of China is on the rise Still widely read in China it has become a countercultural classic in the West Recent scholarship has radically altered our understanding of this foundational work Geoffrey Redmond and Tze Ki Hon present an up to date survey of recent studies including reconstruction of the early meanings excavated manuscripts the New Culture Movement and the Cultural Revolution To facilitate introducing the classic to students the necessary background is provided for university teachers and students even non China specialists The teaching approaches described will foreground the otherness of the classic yet engage the interests of twenty

first century students Rather than dismissing the text s popular association with divination they explain why this mode of human thought has persisted for millennia Thus Redmond and Hon mediate between the two extreme views of the classic a source of timeless ancient wisdom on the one hand and a historical curiosity on the other Teaching the I Ching Book of Changes makes this important classic accessible to a broad readership thus providing a crucial service for those interested in China early civilization and world religion Now anyone with a serious interest can understand a text that continues to have a decisive influence on Chinese and world culture three thousand years after its original composition

The I Ching (Book of Changes) Geoffrey Redmond, 2017-07-13 The I Ching has influenced thinkers and artists throughout the history of Chinese philosophy This new accessible translation of the entire early text brings to life the hidden meanings and importance of China s oldest classical texts Complemented throughout by insightful commentaries the I Ching A Critical Translation of the Ancient Text simplifies the unique system of hexagrams lying at the centre of the text and introduces the cultural significance of key themes including yin and yang gender and ethics As well as depicting all possible ethical situations this new translation shows how the hexagram figures can represent social relationships and how the order of lines can be seen as a natural metaphor for higher or lower social rank Introduced by Hon Tze Ki an esteemed scholar of the text this up to date translation uncovers and explains both the philosophical and political interpretations of the text For a better understanding of the philosophical and cosmological underpinning the history of Chinese philosophy the I Ching is an invaluable starting point

Lectures on the I Ching Richard Wilhelm, 2014-07-14 Wilhelm frequently wrote and lectured on the Book of Changes supplying guidelines to its ideas and ways of thinking Collected here are four lectures he gave between 1926 and 1929 The lectures are significant not only for what they reveal about Chinese tradition and culture but also for their reflections of the scholarly and cultural milieu prevalent in Germany during that time Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The I Ching Richard J. Smith, 2012-03-25 How the I Ching became one of the most widely read and influential books in the world The I Ching originated in China as a divination manual more than three thousand years ago In 136 BCE the emperor declared it a Confucian classic and in the centuries that followed this work had a profound influence on the philosophy religion art literature politics science technology and medicine of various cultures throughout East Asia Jesuit missionaries brought knowledge of the I Ching to Europe in the seventeenth century and the American counterculture embraced it in the 1960s Here Richard Smith tells the extraordinary story of how this cryptic and once obscure book became one of the most widely read and extensively analyzed texts in all of world literature In this concise history Smith traces the

evolution of the I Ching in China and throughout the world explaining its complex structure its manifold uses in different cultures and its enduring appeal He shows how the indigenous beliefs and customs of Japan Korea Vietnam and Tibet domesticated the text and he reflects on whether this Chinese classic can be compared to religious books such as the Bible or the Qur'an Smith also looks at how the I Ching came to be published in dozens of languages providing insight and inspiration to millions worldwide including ardent admirers in the West such as Leibniz Carl Jung Philip K Dick Allen Ginsberg Hermann Hesse Bob Dylan Jorge Luis Borges and I M Pei Smith offers an unparalleled biography of the most revered book in China's entire cultural tradition and he shows us how this enigmatic ancient classic has become a truly global phenomenon

Practical Guide to the I Ching Kim-Anh Lim, 1999 A comprehensive overview of the I Ching's evolution in Chinese history and philosophy Explains how to cast hexagrams and includes complete interpretations **Understanding the I Ching** Hellmut Wilhelm, Richard Wilhelm, 1995 The West's foremost translator of the I Ching Richard Wilhelm thought deeply about how contemporary readers could benefit from this ancient work and its perennially valid insights into change and chance For him and for his son Hellmut Wilhelm the Book of Changes represented not just a mysterious book of oracles or a notable source of the Taoist and Confucian philosophies In their hands it emerges as it did for C G Jung as a vital key to humanity's age-old collective unconscious Here the observations of the Wilhelms are combined in a volume that will reward specialists and aficionados with its treatment of historical context and that will serve also as an introduction to the I Ching and the meaning of its famous hexagrams Mapping China and Managing the World Richard J. Smith, 2013-05-20 From the founding of the Qin dynasty in 221 BCE to the present the Chinese have been preoccupied with the notion of ordering their world Efforts to create and maintain order are expressed not only in China's bureaucratic institutions and methods of social and economic organization but also in Chinese philosophy religious and secular ritual and comprehensive systems of classifying all natural and supernatural phenomena Mapping China and Managing the World focuses on Chinese constructions of order zhi and examines the most important ways in which elites in late imperial China sought to order their vast and variegated world This book begins by exploring the role of ancient texts and maps as the two prominent symbolic devices that the Chinese used to construct cultural meaning and looks at how changing conceptions of the world shaped Chinese cartography whilst both shifting and enduring cartographic practices affected how the Chinese regarded the wider world Richard J Smith goes on to examine the significance of ritual in overcoming disorder and by focusing on the importance of divination shows how Chinese at all levels of society sought to manage the future as well as the past and the present Finally the book concludes by emphasizing the enduring relevance of the Yijing Classic of Changes in Chinese intellectual and cultural life as well as its place in the history of Sino-foreign interactions Bringing together a selection of essays by Richard J Smith one of the foremost scholars of Chinese intellectual and cultural history this book will be welcomed by Chinese and East Asian historians as well as those interested more broadly in the culture of China and East Asia The

Quest ,2004 **Revolution As Restoration** Tze-Ki Hon,2013-03-01 Revolution as Restoration examines the journal Guotui xueaao 1905 1911 to elucidate the momentous political and social changes in early twentieth century China Rather than viewing the journal as a collection of documents for studying a thinker e g Zhang Taiyan a concept e g national essence or an intellectual movement e g cultural conservatism this book focuses on the global network of commerce and communication that allowed independent publications to appear in the Chinese print market As such this book offers a different perspective on the Chinese quest for modernity It shows that from the start the Chinese quest for modernity was never completely orchestrated by the central government nor was it static and monolithic as the teleology of revolution describes Book jacket

Science and Civilisation in China: Volume 1, Introductory Orientations Joseph Needham,Ling Wang,1954 For contents see Author Catalog *Area Bibliography of China* Richard T. Wang,1997 A combination of scholarly commercial and popular interests has generated a large quantity of literature on every aspect of Chinese life during the past two decades This bibliography reflects these combined interests it is broken up into sections by subject headings and cross references refer the researcher to related topics **Annotated Bibliography of Economic Geology** ,1929 *Total R & D*

Management Roger Dabbah,1998-04-15 Drawing on a lifetime of experience Roger Dobbah gives readers an in depth view of R D survival strategies and tactics and demonstrates how to apply them to any organization The author provides insights into the role of R D the crucial topic of creativity and innovation and the differences and similarities between general management and R D man **The Making of the Global Yijing in the Modern World** Benjamin Wai-ming Ng,2021-02-26

This book represents an ambitious effort to bring leading Yijing scholars together to examine the globalisation and localisation of the Book of Changes from cross cultural and comparative perspectives It focuses on how the Yijing has been used to support ideologies converted into knowledge and assimilated into global cultures in the modern period transported from the Sinosphere to British American and French cultural traditions travelling from East Asia to Europe and the United States The book provides conceptualised narratives and cross cultural analyses of the global popularisation and local assimilation of the Yijing highlighting the transformation and application of the Yijing in different cultural traditions and demonstrating how it acquired different meanings and took on different roles in the context of a global setting In presenting a novel contribution to understandings of the multifaceted nature of the Yijing this book is essential reading for scholars and students interested in the Classic of Changes It is also a useful reference for those studying Chinese culture Asian philosophy East Asian studies and translation studies **The Nature of Classical Chinese Medicine (Book 1 of 2)** David

Nassim,2013-09 The Nature of Classical Chinese Medicine The foundational context to reunite myriad styles Book 1 of 2 Foundation and Constitution Energetic Anatomy and Physiology This book in two parts is an extensive research project into the original essence of Classical Han dynasty Chinese medicine It is an investigation to look at how medicine might have been understood and connected to from the origin of Taoist Non duality as expressed in the Tao Te Ching There are today

myriad styles and approaches to energy medicine all over the world and even within Chinese medicine itself This book aims to connect to the unifying principle that is inclusive not exclusive and as such has the potential to unify all medicine This book attempts to clarify theoretical positions but with the key realization that Classical books were only pointers to instinctual health and the nature led healing that occurs when self and hierarchical egotism drop out **Ancient and Early Medieval Chinese Literature (vol. 3 & 4)** ,2014-09-18 At last here is the long awaited first Western language reference guide focusing exclusively on Chinese literature from ca 700 B C E to the early seventh century C E Alphabetically organized it contains no less than 1095 entries on major and minor writers literary forms and schools and important Chinese literary terms In addition to providing authoritative information about each subject the compilers have taken meticulous care to include detailed up to date bibliographies and source information The reader will find it a treasure trove of historical accounts especially when browsing through the biographies of authors Indispensable for scholars and students of pre modern Chinese literature history and thought Part Three contains Xia Y Part Four contains the Z and an extensive index to the four volumes *Pictures and Visuality in Early Modern China* Craig Clunas,2006-03-01 Pictures and Visuality in Early Modern China is not simply a survey of sixteenth century images but rather a thorough and thoughtful examination of visual culture in China s Ming Dynasty one that considers images wherever they appeared not only paintings but also illustrated books maps ceramic bowls lacquered boxes painted fans and even clothing and tomb pictures Clunas s theory of visuality incorporates not only the image and the object upon which it is placed but also the culture which produced and purchased it Economic changes in sixteenth century China the rapid expansion of trade routes and a growing class of consumers are thus intricately bound up with the evolution of the image itself Pictures and Visuality in Early Modern China will be a touchstone for students of Chinese history art and culture

This is likewise one of the factors by obtaining the soft documents of this **I Ching Annotated Bibliography** by online. You might not require more become old to spend to go to the ebook inauguration as without difficulty as search for them. In some cases, you likewise pull off not discover the message I Ching Annotated Bibliography that you are looking for. It will unquestionably squander the time.

However below, with you visit this web page, it will be suitably very easy to get as competently as download lead I Ching Annotated Bibliography

It will not assume many become old as we accustom before. You can reach it though play a role something else at house and even in your workplace. for that reason easy! So, are you question? Just exercise just what we allow below as skillfully as review **I Ching Annotated Bibliography** what you gone to read!

I Ching Annotated Bibliography Introduction

In today's digital age, the availability of I Ching Annotated Bibliography books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of I Ching Annotated Bibliography books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of I Ching Annotated Bibliography books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing I Ching Annotated Bibliography versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, I Ching Annotated Bibliography books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing I Ching Annotated Bibliography books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for I Ching Annotated Bibliography books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, I Ching Annotated Bibliography books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of I Ching Annotated Bibliography books and manuals for download and embark on your journey of knowledge?

FAQs About I Ching Annotated Bibliography Books

What is a I Ching Annotated Bibliography PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a I Ching Annotated Bibliography PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a I Ching Annotated Bibliography PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a I Ching Annotated Bibliography PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a I Ching**

Annotated Bibliography PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
