## **I Come From The Valley The Ottawa Valley:**

**Giants of Canada's Ottawa Valley** Joan Finnigan,1981      *History of the Ottawa valley* J.L. Gourlay,1896-01-01

Ottawa Valley Ancestry: A Dempsey Family History Gary T. Dempsey,2010-11 This revised and expanded 5th edition contains more than 660 pages of research on the Dempsey Romain Laderoute and Gervais families of the Ottawa Valley in Canada It also contains more than 100 vintage photographs as well as extensive historical research on the Quebec towns of Fort Coulonge and Waltham and the Ontario towns of Pembroke Westmeath and La Passe In other words whatever your family s surname the book contains resource material for anyone interested in Ottawa Valley history or interested in starting genealogical research of their own      *I COME FROM THE VALLEY;THE OTTAWA VALLEY. PHOTOS.BY E.CHRISTENSEN.*

Joan Finnigan,1976      *The Renfrew Millionaires - The Valley Boys of Winter - 1910* Frank Cosentino,2016-03-03 It was a time when small towns could still challenge for the Stanley Cup the holy grail of Canadian hockey The O Briens of Renfrew Ontario father M J and son Ambrose formed their own league the National Hockey Association owned four of the five teams and founded the Montreal Canadiens Money appeared to be no object Top players Lester and Frank Patrick Fred Cyclone Taylor and Newsy Lalonde were paid large salaries with the objective of winning the Cup The effort fell just short but the NHA continued and morphed into the NHL in 1917 but in 1910 Renfrew was the centre of the hockey universe The team s name was the Creamery Kings but a newspaper christened them the Millionaires after the players were paid off in cash before leaving for their trip to New York in what was billed as a world championship tournament The Millionaires won that and were declared world champions      **Tallying the Tales of the Old-timers** Joan Finnigan,1998      **Library of**

**Congress Subject Headings** Library of Congress,Library of Congress. Subject Cataloging Division,Library of Congress. Office for Subject Cataloging Policy,2013      **Hearts of Freedom** Peter Duschinsky,Colleen Lundy,Michael J. Molloy,Allan

Moscovitch,Stephanie Phetsamay Stobbe,2025-09-09 Between 1975 and 1997 some three million Vietnamese Cambodians and Laotians fled atrocities in their home countries with over 210 000 resettling in Canada While this history is partly known to some Canadians little has been written about it especially from the perspectives of the refugees themselves Hearts of Freedom is a rich oral history based on interviews with 145 former refugees sharing deeply moving accounts of oppression concentration camps genocide and perilous escapes over land and sea Survivors reflect on their first impressions of Canada the unfamiliar snow and cold the unexpected kindness of neighbours and occasional encounters with racism Through their experiences we come to understand the strengths and weaknesses of Canada s refugee programs These stories reveal how refugees attachment to Canada grew over the years and how multiculturalism policies facilitated that Ordinary Canadians played a decisive role in the first mass refugee movement through newly created private sponsorship programs a role for which the United Nations awarded the Nansen Medal to the Canadian people in 1986 Coming at a time when we are assessing the benefits of immigration and refugee policies and programs Hearts of Freedom documents the lives and

contributions of people who have suffered the worst excesses of war to rebuild their lives in Canada      Beyond the Global City James Gordon Nelson, 2012 Looking beyond the smoke screen of Toronto's rapid and costly growth to re-envision sustainable planning in Ontario's neglected regions      Landslides in Sensitive Clays Jean-Sébastien L'Heureux, Ariane Locat, Serge Leroueil, Denis Demers, Jacques Locat, 2013-09-17 Landslides in sensitive clays represent a major hazard in the northern countries of the world such as Canada, Finland, Norway, Russia, Sweden and in the US state of Alaska. Past and recent examples of catastrophic landslides at e.g. Saint Jean Vianney in 1971, Rissa in 1979, Finneidfjord in 1996 and Kattmarka in 2009 have illustrated the great mobility of the remolded sensitive clays and their hazardous retrogressive potential. These events call for a better understanding of landslide in sensitive clay terrain to assist authorities with state-of-the-art hazard assessment methods, risk management schemes, mitigation measures and planning. During the last decades, the elevated awareness regarding slope movement in sensitive clays has led to major advances in mapping techniques and development of highly sophisticated geotechnical and geophysical investigation tools. Great advances in numerical techniques dealing with progressive failure and landslide kinematics have also led to increased understanding and predictability of landslides in sensitive clays and their consequences. This volume consists of the latest scientific research by international experts dealing with geological, geotechnical and geophysical aspects of slope failure in sensitive clays and focuses on understanding the full spectrum of challenges presented by landslides in such brittle materials      **Celtic Modern** Martin Stokes, Philip V. Bohlman, 2003-09-15 The study of Celtic culture has been locked within modern nationalist paradigms shaped by contemporary media, tourism and labor migration. *Celtic Modern* collects critical essays on the global circulation of Celtic music and the place of music in the construction of Celtic Imaginaries. It provides detailed case studies of the global dimensions of Celtic music in Scotland, Wales, Ireland, Brittany and amongst Diasporas in Canada, the United States and Australia, with specific reference to pipe bands, traditional music education in Edinburgh, the politics of popular traditional crossover in Ireland and the Australian bush band phenomenon. Contributors include performer musicians as well as academic writers. Critique necessitates reflexivity and all of the contributors active and in many cases professional musicians as well as writers reflect in their essays on their own contributions to these kinds of encounters. Thus this resource offers an opportunity to reflect critically on some of the insistent othering that has accompanied much cultural production in and on the Celtic World and that have prohibited serious critical engagement with what are sometimes described as the traditional and folk music of Europe      **The Valley of the Six Nations** Charles M. Johnston, 1964-12-15 This volume traces the history of the Indians in the Grand River Valley from the first written record in 1627 until the middle of the nineteenth century. Much of the book is devoted to the Six Nations Indians who were dispossessed of their homes in the Mohawk River Valley because of their allegiance to the British cause during the American War of Independence were granted lands on the Grand River in Ontario after the war. From this grant arose many problems: the Indians' right to sell their land, the difficulties of such sales

their transition from a fur to an agricultural economy the position of the Six Nations in the War of 1812 and the Rebellion of 1837 and the adjustment of the Indians to a European way of life religion and education All of this is told in the words of the missionaries travellers army officers government officials and settlers as well as in the vigorous letters and speeches of the Indians themselves Ontario Series of the Champlain Society Volume 7 *Promoters and Politicians* Brian J Young,1979-12-15 The history of the north shore railways provides a case study in the complexities of industrial development in nineteenth century Quebec Constructed in the fifteen years following Confederation the North Shore and the Montreal Colonization Railways reinforced Quebec s integration into a transcontinental unit Yet bankruptcy of both companies in 1875 forced the provincial government to assume ownership of the railways and to shoulder a financial burden that kept the province preoccupied weak and subservient to Ottawa Diverse political clerical and business interests united to construct the railways and to manoeuvre them from private companies into a public venture and ultimately into the Canadian Pacific system The two railways brought new concentrations of capital and power that cut across French and English ethnic lines and sharpened regional rivalries Along the south shore of the St Lawrence both French and English speaking inhabitants protested against the province s commitments to its north shore railways By the late 1870s Quebec City s English community was lobbying hard against the growing power of their English speaking counterparts in Montreal The north shore railways plagued a generation of Quebec politicians and their construction bared incompatible regional aspirations By 1885 years of negotiation scandal and political blackmail culminated in the incorporation of the two north shore railways into the Canadian Pacific system As this study so clearly demonstrates Quebec paid a high price in making its contribution to linking Canada by steel a mari usque ad mare *The Cambridge Companion to Alice Munro* David Staines,2016-03-08 This Companion is a thorough introduction to the writings of the Nobel Prize winner Alice Munro Uniting the talents of distinguished creative writers and noted academics David Staines has put together a comprehensive exploratory account of Munro s biography her position as a feminist her evocation of life in small town Ontario her non fictional writings as well as her short stories and her artistic achievement Considering a wide range of topics including Munro s style life writing her personal development and her use of Greek myths Celtic ballads Norse sagas and popular songs this volume will appeal to keen readers of Munro s fiction as well as students and scholars of literature and Canadian and gender studies *Select Documents in Canadian Economic History 1783-1885* Harold A. Innis,Arthur Lower,1933-12-15 This second volume of economic documents resumes the story of the development of Canada as told by contemporary sources Newspaper accounts of economic forces and factors contemporary writings by statesmen and business men poems depicting current situations official documents all have been included The volume divides the period into two eras 1783 1850 and 1850 85 The basis of classification of entries is by topics and geographic sections It is hoped that the material which follows will amplify and illustrate the blend of materialistic and non materialistic factors which has determined the nature of Canadian history and will allow students in Canadian

universities to study with some degree of fullness the development of the economic institutions of their native land

While this might not be the I Come From The Valley The Ottawa Valley full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of I Come From The Valley The Ottawa Valley eBooks, including some popular titles.

## **FAQs About I Come From The Valley The Ottawa Valley Books**

**What is a I Come From The Valley The Ottawa Valley PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a I Come From The Valley The Ottawa Valley PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a I Come From The Valley The Ottawa Valley PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a I Come From The Valley The Ottawa Valley PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a I Come From The Valley The Ottawa Valley PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, I LovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any

restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
