I Could Not Call Him Father

Benjamin Disraeli

I Could Not Call Him Father:

My Life in America Claude Pierre, 2009-06 My Life in America is the startling story of a young man who had left his native land with the hopes of finding a new life in a foreign land where dreams become reality and where opportunity bestows to all. However, in the process of finding his way and pursuing his dreams, he became blinded by the lures of his new home which therefore led him to a long long state of confusion and torment and therefore he was doomed to become the object of a materialistic society whereas immorality is extolled and morality is overwhelmingly depreciated and thus he nevertheless became to conform to the society in which he found himself. However, with the promises he made to himself to never forget his country and his dreams, he later forsook the life of futility and then embrace a new life where he reinvented himself.

A Kingdom in a Horse Maia Wojciechowska, 2016-06-14 David Lee is twelve years old and disappointed in his father Earl, a once famous rodeo clown who has quit the circuit and moved David to a small town in Vermont to start a new life. David has a hard time adjusting to life as a normal boy and is hurt that his father never allowed him the chance to be his partner in the rodeo arena. When Earl tries to buy David a horse at auction, David pretends to have no interest in it and the horse is sold instead to a seventy-year-old woman named Sarah Tierney. Sarah, grief-stricken at the death of her husband, tries to find solace in her new horse Gypsy but she needs help from Earl and David to learn how to care for her. As the three of them spend more and more time with Gypsy, they all become entranced in their own ways by the horse and begin to learn more and more about themselves. A heartfelt story, this middle reader novel is a must read for any girl or boy interested in nature and horses. Ages 9-12.

Punished by His Love Suzie, She was a destitute woman whose life was dependent on others. She was forced to be a scapegoat and traded herself which resulted in her pregnancy. He considered that she was the ultimate embodiment of evil as she was greedy and deceitful. She tried all her efforts to win his heart but failed. Her departure made him so furious that he searched through the ends of the world and managed to recapture her. The whole city knew that she would be shredded into a million pieces. She asked him in desperation, "I left our marriage with nothing, so why won't you let me go?" In a domineering tone, he answered, "You've stolen my heart and given birth to my child, and you wish to escape from me."

In The Land of Water Lilies Madan Mohan Sarkar, 2019-01-10 The saying goes: When two hearts come closer, discrimination and discretion disappear. Sara, the Indo-Surinamese girl settled in The Netherlands, was drawn closer to the Indian boy Rahul while on a tour of Europe. A sad and heartbroken Sara sees Rahul off at Rome Airport after the tour. Would they be fortunate enough like Sudip and Rita to unite in a bond of marriage with the happy consent of all? Or would they be defeated by the barriers of distance, protocols, injustice, social and cultural differences, and family tragedies? Or be blessed with the power of the almighty who proclaimed in Srimad Bhagavad Gita, "I and only I, the omnipotent, omnipresent, and omniscient, decide the fate of all living beings and their actions in the mundane Earth."

Escape from the Golden Cage Arti Kotak Triklani, 2019-06-24 Why can't a girl help her father?

financially Why can't a girl be the pillar of the family when tough time blows in Why is a girl asked to give up on her dreams after her marriage Why are daughters and daughter in laws always differentiated as far as their dreams freedom and ambitions are concerned Why can't a woman support a woman for her progress Who is responsible for a woman's bondage and servility The society or a woman herself This book throws light on the social issues which take place within four walls of a house especially in a woman's life These are not the apparent problems like terrorism religious rebels pollution issues racism global warming etc These are the hidden issues which suppress and destroy the entire life of women silently especially those women who have their own wings to fly Since centuries women have been getting dominated for some or other reasons Still this tyranny has not lost its stability Before she used to be dominated physically in this century she faces the oligarchy mentally by not getting permission from the society to have her own space Many a times she is not allowed to have her own space even for good works Sometimes she is prevented by the men or women and sometimes she herself accepts her slavery Why women force women to accept that there is no life of a woman after marriage This negative thought binds her to make her marriage life doomed She is ready to gain the responsibility that is why she gets married happily with positive thoughts but along with the responsibilities of the entire family if she steals sometime for herself to do the work of her own interest what is wrong in that Aditi the protagonist of the story cannot give the answers of all the above questions which are faced by various Indian women but she finds the solution of it and the solution is Ignorance and Escape Her consistency of ignoring the social tyranny for women's honour and independence takes her towards her career goals
