

A scenic photograph of a lighthouse perched on a grassy cliff. The lighthouse is white with a dark top section. To its right, a small white building with a red roof is visible. The foreground is dominated by a large, powerful wave crashing against the base of the cliff, creating a misty spray. The sky is a mix of soft pinks and purples, suggesting a sunset or sunrise. Several evergreen trees are scattered across the cliffside.

Colin McIntyre caught Alex's attention when his daring rescue of a young child was shown on TV. He's obviously the ideal candidate for her research. But the more time she spends with him the more he fascinates her. Soon Alexandra Robbins isn't just researching the Type R man anymore.

**Dignity for All** Robert W. Fuller, 2009-02-03 Dignity Isn't that what everybody really wants? You, me, your parents, your children, your friends, your colleagues at work. All of us want to be treated with dignity. The homeless person in the park, the elderly in nursing homes, students, teachers, principals, Christians, Jews, Muslims, taxi drivers, store clerks, waiters, police officers, etc.

**All Rise** Robert W. Fuller, 2010-09-07 By the author of the bestselling *Some Bodies and Nobodies*. Overcoming the Abuse of Rank. Argues that rankism, abuse of the power that comes with superior rank, does serious damage to our private relationships and public institutions. Details how to design social institutions that overcome rankism and protect human dignity. Learn more at [www.BreakingRanks.net](http://www.BreakingRanks.net). In his groundbreaking book *Some Bodies and Nobodies*, Robert Fuller identified a form of domination that everyone has experienced but few dare to protest: rankism, abuse of the power inherent in rank to exploit and humiliate someone of lower rank. It plays a role in just about every form of social oppression: racism, sexism, homophobia, and religious intolerance all have a significant element of rankism in them. Most everyone has felt the sting of rankism at the hands of a dictatorial boss, a condescending teacher, an arrogant doctor, or an imperious bureaucrat. But equally, most everyone has inflicted it on someone of lower rank. That we are all of us both victims and perpetrators of rankism mandates a novel, multifaceted strategy for confronting it. Fuller isn't proposing that we do away with rank; without it, organizations become dysfunctional. He's not advocating an egalitarian society where all are equal in rank, but rather a dignitarian one where all are equal in dignity, a society in which rank holders are held accountable, rankism is shunned, and dignity is broadly protected. In *All Rise*, Fuller lays the groundwork for a dignitarian society by delineating the scope and impact of rankism and then shows how a dignitarian movement can defeat it by addressing issues such as: What would workplaces, schools, health care organizations, politics, religion, and international relations look like if they were to embody dignitarian values? What policies could we develop to defend dignity in our various social institutions? How can we embody these principles in our lives and create a culture of universal dignity? *All Rise* offers hope and practical solutions for fashioning a world where human relationships are governed by respect and every person's right to dignity is affirmed.
