I Giorghos A Novel:

I, Giorghos William J. Lederer, 1984-02-20 I am stunned by I Giorghos I was completely carried away by the beauty of the thought the vigor of the writing and the absolute truth of the whole I read far into the night until I had finished it and then lay awake thinking about it I have rarely been so impressed or inspired by a book It raised up my spirit and the perfect line of the plot from initial imperfection and degradation to what was exactly the right ending gave me enormous satisfaction What a wonderful journey that was too between beginning and end with interesting development of character and philosophy expressed in shining phrases many of which I copied out because I couldn't bear to lose them It's a triumph Noreen Maxwell

Who I Am - The Black Book of Change Spyros Karagiannis,2024-08-30 I might not know who you are and what you are trying to find What I know is that whatever you are trying to find has a lot to do with who you are It s like an old saying Who you are can be defined by what you do when nobody is watching This book is the sarcastic side of my personal truth about who each one of us is how we tend to deny our own nature blindfolded by our egos and how vigorously we try to convince ourselves otherwise It s an irony A vicious circle In its lines through stories from my daily life s madness and insanity the more you read the more you will understand And the more you understand the more you will come face to face with the traits that define you Your own nature The challenge is whether you will accept it Spyros Karagiannis
