

A close-up photograph of a pile of US pennies. The coins are scattered and overlapping, with some showing the profile of Abraham Lincoln. The background is a plain, light-colored surface.

If I had a penny for
every time
someone told me I
looked nice, I'd
have a dollar.
Cause like, my
mom is really nice.

Greater Expectations, 2014-08-05 It is said that the course of true love never runs smooth even for us men. Yet it has never been easier to find love than in this modern digital era where the mighty computer has all but rendered Cupid redundant. Love is now to be found quite literally at your fingertips. Although love also seems to have changed with the times. This new love is deceitful and manipulative, cunning and untrustworthy. Love has gotten ugly. Thankfully, not all the answers to life's mysteries are to be found in the computer and Cupid, battered and bruised as he may be, proves that he still has some game and a few tricks up his sleeve. **Under This Beautiful Dome** Terry Mutchler, 2014-09-23 Under This Beautiful Dome tells the true story of journalist Terry Mutchler's secret five-year relationship with Penny Severns, an Illinois State senator who mentored Barack Obama. Forced to engage in an elaborate ruse to keep their relationship a secret, the two women constantly fear discovery in their conservative town. Denied legal access to the altar, they face even greater hardships when Penny is diagnosed with cancer and begins undergoing treatment. **While We're Far Apart** Lynn Austin, 2010-10-01 In an unassuming apartment building in Brooklyn, New York, three lives intersect as the reality of war invades each aspect of their lives. Young Esther is heartbroken when her father decides to enlist in the army shortly after the death of her mother. Penny Goodrich has been in love with Eddie Shaffer for as long as she can remember, now that Eddie's wife is dead, Penny feels she has been given a second chance and offers to care for his children in the hope that he will finally notice her and marry her after the war. And elderly Mr. Mendel, the landlord, waits for the war to end to hear what has happened to his son, trapped in war-torn Hungary. But during the long, endless wait for victory, overseas life on the home front will go from bad to worse. Yet these characters will find themselves growing and changing in ways they never expected and ultimately discovering truths about God's love even when He is silent. **A Boy from Barnhart** Herbie R. Taylor, 2011-11-09 Everyone has a story to tell, a legacy to leave to both living family and future generations. In his memoir *A Boy from Barnhart: Times Remembered*, author Herb Taylor shares his life story and legacy from his coming of age on large ranches and small towns in West Texas to his subsequent career as a professional army officer. Taylor writes of life and its realities during the drought years of the 1950s. He chronicles the people, places, ideas, and incidents he encountered during a twenty-eight year army career as well as his struggle with a lifelong alcohol addiction and the death of his childhood sweetheart after a thirty-five year marriage. He writes of the good times and the not so good, the ordinary and the unusual in a casual, personal, and informative way that captures the times and his life experiences. Equal parts genealogy, history, travelogue, and memoir, Taylor's memories are the emotional account of a life well lived as well as an interesting and intricate record of times gone by. **Report of the Commissioner of Agriculture and Arts** Ontario.
