Passports Learning System ,1994      *Passport Always Everywhere Poems* Mary Rudge,2011-08-24 Travel in poetry of intimate stirring personal and unique insights through time and cultures a passport that is universal and always In a book like no other International Poet Laureate peace activist educator Mary Rudge known world wide for her legendary travels on 5 continents as poet speaker at global events gives a kaleidoscopic view of the world A significant eclectic collection Follow the poets ardent heart through a wide range of interest from ancient China to Elvis the Beats and The Doors People everywhere will choose this book for pleasure and knowledge      **American English Primary Colors 4 Teacher's Book** Diana Hicks,Andrew Littlejohn,2002-10 American English Primary Colors is a new 4 level course for young learners from six to eleven years old      **Life in a New Language** Distinguished Professor of Applied Linguistics Ingrid Piller,Ingrid Piller,Donna Butorac,Senior Lecturer and Course Coordinator of Anthropology and Sociology Donna Butorac,Emily Farrell,Global Commercial Director for Open Research Emily Farrell,Loy Lising,Senior Lecturer in Linguistics Loy Lising,Shiva Motaghi-Tabari,Vera Williams Tetteh,2024-06-03 International migration and the social diversity it creates constitute one of the key global challenges of the early 21st century Language and communication barriers can compromise equitable access in diverse societies and where socioeconomic disadvantage becomes entrenched it poses risks to security productivity and quality of life Clearly this is an important issue and migrants and their language choices are heavily politicized though political and media debates often rely on anecdotal conjecture or are ill informed Life in a New Language examines the language learning and settlement experiences of 130 migrants to Australia from 34 different countries in Africa Asia Europe and Latin America over a period of 20 years Reusing data shared from six separate sociolinguistic ethnographies the book illuminates participants lived experience of learning and communicating in a new language finding work and doing family Additionally participants experiences with racism and identity making in a new context are explored The research uncovers significant hardship but also migrants courage and resilience The book has implications for language service provision migration policy open science and social justice movements      *Passport to Jewish Music* Irene Heskes,1994-06-30 The purpose of this book is to present a survey of Jewish music to illuminate its special role as a mirror of history tradition and cultural heritage The 27 topical chapters have been placed within a modified chronological perspective to present a historic picture of virtually every important development in Jewish music The book represents a culmination of several decades of the author s dedicated labor and scholarly study in this field      Dance and Activism Dana Mills,2021-01-28 This study focuses on dance as an activist practice in and of itself across geographical locations and over the course of a century from 1920 to 2020 Through doing so it considers how dance has been an empowering agent for political action throughout civilisation Dance and Activism offers a glimpse of different strategies of mobilizing the human body for good and justice for all and captures the increasing political activism epitomized by bodies moving on the streets in some of the most turbulent

political situations This has most recently undoubtedly been partly owing to the rise of the far right internationally which has marked an increase in direct action on the streets Offering a survey of key events across the century such as the fall of President Zuma in South Africa pro reproductive rights action in Poland and Argentina and the recent women s marches against Donald Trump s presidency you will see how dance has become an urgent field of study Key geographical locations are explored as sites of radical dance the Lower East Side of New York Gaza Syria Cairo Iran Iraq Johannesburg to name but a few and get insights into some of the major figures in the history of dance including Pearl Primus Martha Graham Anna Sokolow and Ahmad Joudah Crucially lesser or unknown dancers who have in some way influenced politics all over the world are brought into the limelight the Syrian ballerinas and Hussein Smko for example Dance and Activism troubles the boundary between theory and practice while presenting concrete case studies as a site for robust theoretical analysis *El-Hi*

*Textbooks & Serials in Print, 2005 ,2005* **Understanding the Constructions of Identities by Young New Europeans**

Alistair Ross,2019-02-13 How do young people construct their identities in the complexity of their own country belonging to the European Union and being part of global society This book is based on a unique empirical study of a thousand young people aged between eleven and nineteen from fifteen European countries Covering East European states that joined the EU be Getting Here: An Odyssey Through World War II Ruth L. Hohberg,2011 The Use of Signing Space in a Shared Sign

Language of Australia Anastasia Bauer,2014-09-11 In this book an Australian Aboriginal sign language used by Indigenous people in the North East Arnhem Land Northern Territory is described on the level of spatial grammar Topics discussed range from properties of individual signs to structure of interrogative and negative sentences The main interest is the manifestation of signing space the articulatory space surrounding the signers for grammatical purposes in Yolngu Sign Language *Not Without My Passport* Anne Marie Lunkenheimer,2023-05-16 Anne Marie Lunkenheimer s memoir is a

breathtaking journey that takes readers from a small rural community in upstate New York to the far corners of the world Driven by a passion for international development and a desire to make a difference she became an active participant in the global peace and feminist movements of the tumultuous 1960s and 70s From her first experiences working in impoverished mountain villages in Mexico to a lifetime of commitments in Central America Southeast Asia the South Pacific Africa and the Caribbean her journey was one of incredible danger and heartwarming experiences In this candid and unflinching memoir Anne Marie shares her most intimate moments bringing readers along with her on a journey that defies expectations With an unshakable commitment to justice and equality she dedicated her life to making a difference in the world no matter how daunting the challenge A story of courage perseverance and the unbreakable human spirit this memoir is a must read for anyone who has ever felt the call to make a difference in the world The Psychology of Military Humour Brigadier J Nazareth,2008 This book is the most comprehensive work on the subject and perhaps the only one that focuses on military humour Everyone enjoys humour and military humour has a particular appeal because it is created in an environment that

offers the maximum opportunity for its exploitation It will also make the general reader closely familiar with the military milieu and the working of the military mind The student of psychology should find this book useful because it presents the difficult subject of humour in general in a comprehensive and readable form However this book should prove most useful to the Service officer For him the pleasure of the humour will be enhanced because he is familiar with the military environment It will also give him a new dimension in the exercise of military command by the use of humour to mitigate the stresses and strains of peace and war In handling his men he will go beyond merely applying the yardstick of the code of military law

Loisaida as Urban Laboratory Timo Schrader,2020-11-15 Loisaida as Urban Laboratory is the first in depth analysis of the network of Puerto Rican community activism in New York City s Lower East Side from 1964 to 2001 Combining social history cultural history Latino studies ethnic studies studies of social movements and urban studies Timo Schrader uncovers the radical history of the Lower East Side As little scholarship exists on the roles of institutions and groups in twentieth and twenty first century Puerto Rican community activism Schrader enriches a growing discussion around alternative urbanisms Loisaida was among a growing number of neighborhoods that pioneered a new form of urban living The term Loisaida was coined and then widely adopted by the activist and poet Bittman Bimbo Rivas in an unpublished 1974 poem called Loisaida to refer to a part of the Lower East Side Using this Spanglish version instead of other common labels honors the name that the residents chose themselves to counter real estate developers who called the area East Village or Alphabet City in an attempt to attract more artists and ultimately gentrify the neighborhood Since the 1980s urban planners and scholars have discussed strategies of urban development that revisit the pre World War II idea of neighborhoods as community driven and ecologically conscious entities These new urbanist ideals are reflected in Schrader s rich historical and ethnographic study of activism in Loisaida telling a vivid story of the Puerto Rican community s struggles for the right to stay and live with dignity in its home neighborhood

**The Aesthetics of Organization** Stephen Linstead,Heather Joy Höpfl,2000-04-19 Organizational aesthetics both as a body of theory and a method of inquiry is a rapidly expanding area of the organizational sciences The Aesthetics of Organization accessibly draws key contributions delineating the emerging parameters of the field It explains the significance of concepts devised by postmodern thinkers through which emerge meaning and order in organizations Methodological problems associated with investigations of the aesthetic are also highlighted so the reader can identify and understand the importance of recent ideas on vision perspective and periphery for learning in organizations Through the contributions of leading international theorists organizational aesthetics is defined in greater historical and theoretical depth with a broad conceptual and practical range which academics will find invaluable
