I Know The Modern Prophets:

The Modern Prophets Thomas D'Urfey, 1709 Modern Prophets, 1877 **Modern Day Prophet** Douglas

Duncan, 2011-10 The author is the only person ever declared medically dead to be resurrected by God and sent back with a message for God's people Taken away from a life in the fast lane while earning fame and riches for all the wrong reasons the author thought that when the government was done with him he would live the rest of his life comfortably along with all of his ill gotten gains That would not be the case because God in His mercy had answered his mother's prayers for her son to be returned to worshipping Jesus When the government was finished God was just getting started first stripping him of pride and wealth while teaching the author humility and obedience Then through revelations visions and prophecies followed with signs and wonders the author learned the truths that have not been taught to the church ever since the last apostle died This book teaches what God wants you to learn Overcoming sin obtaining perfection and living a holy life are the commandments from Jesus Christ to His church When these commandments are fulfilled as the apostles fulfilled them God will work the same signs and wonders through His people today that He did 1900 years ago in the first century apostolic church Within this book is the knowledge the apostles had that will allow Christians to once again worship in spirit and in truth Prophecy determined that the forgotten knowledge of the truth would return to the church and once again God would be glorified through His saints when people are healed and the dead are raised alive Through acquiring the wisdom revealed in this book you will gain the faith needed for miracles to happen and bring about the revival that will usher in the Kingdom of Heaven on earth

Prophets Ancient and Modern Speak Sterling H. Redd, Sr., 2022-12-06 PROPHETS Ancient and Modern SPEAK is a reference document which provides a topical arrangement of the vast majority of outstanding scriptural quotes of principles truths key figures and familiar stories from the following 1 The Old and New Testaments with particular comprehensive focus on the four Gospels to also include minimal introductory context for clarification 2 The Book of Mormon itself a document translated from engraved writings of prophets in Ancient America on metallic plates and in modern times delivered to and translated by the young prophet Joseph Smith Jun through divine means 3 The Doctrine and Covenants a compilation of one hundred and thirty eight revelations given primarily to the prophet Joseph Smith Jun 4 The Pearl of Great Price visions and acquired papyrus having been revealed and translated by divine means through the prophet Joseph Smith Jun 5 Teachings of the Prophet Joseph Smith a book compiled by the later prophet Joseph Fielding Smith including background and source information for each entry See End Notes 6 Proclamations to the world by Joseph Smith Jr and other contemporary prophets regarding preeminent doctrines The organization of several thousand entries in PROPHETS Ancient and Modern SPEAK all considered pure scripture is a modest attempt to gather comprehensively and representatively from the above stated books and documents the plain and precious truths revealed anciently and in relatively current times The entries are arranged alphabetically under nearly sixteen hundred topic or subject headings with cross referencing throughout and with many

being placed under multiple related headings to facilitate ease of access Meticulous documentation is provided throughout the entire document In the years since its first publication in 1830 the Book of Mormon has been taken in translated versions to most countries throughout the world not only matching its Biblical companion in a vast world distribution but more importantly in presenting the gospel and teachings of Jesus Christ in its fullness and purity Indeed The Book of Mormon provides throughout another witness of Jesus Christ as well as clear validation of the Bible revealing much which has been taken out of the Bible over the centuries The Doctrine and Covenants and Pearl of Great Price have also been revealed translated and distributed in a vast and similar extent throughout the world Countless volumes have been written about the above listed books ranging from a child s animated versions to highly sophisticated technical archaeological and scientific studies of their early backgrounds and authenticity Further millions of followers testify of the truth and validity of Joseph Smith Jr as being the prophet through whom the Book of Mormon the Doctrine and Covenants and the Pearl of Great Price have come into modern hands declaring the Book of Mormon particularly as a book which will bring a person closer to God than any other book PROPHETS Ancient and Modern SPEAK has been compiled and topically organized to help a reader readily find the ennobling truths taught by ancient and modern prophets alike The topic entries arranged alphabetically draw from the above mentioned sources and are presented in relatively full context PROPHETS Ancient and Modern SPEAK in no way proposes to replace the value of a person s reading and enjoying the full text of the Old and New Testaments The Book of Mormon Doctrine and Covenants or Pearl of Great Price themselves Therein are innumerable stories and text which present live and gripping images that touch people s hearts and are foundational in building a powerful conviction in millions regarding the truth of the teachings therein What makes PROPHETS Ancient and Modern SPEAK so valuable in a person s study of the scriptures is the immediate facility it offers in readily finding pertinent and sacred truths and references on a vast array of meaningful subjects found in the sources drawn from whether for personal or presentational use The well known and late author W Cleon Skousen well promoted the idea that the greater mind is not the one that remembers the most but the one that can find it when he wants it

Why The Church Needs the Prophet's Ministry Avian L. Christian,2011 The church today is in great need of the prophet s ministry And yet there exist much ignorance and misunderstanding of this important and vital ministry This is partly due to the lack of teaching on the subject of the prophetic ministry the lack of depth in the understanding of spiritual matters concerning the church fear distrust between leaders pride jealousy and disobedience to the Spirit of God and the will and plan of God for end time ministry All of these things and such like are to be blamed for the ignorance and misunderstanding that currently exist concerning the prophet s ministry As the church draws nearer to the end of the church age prophets prophetess and prophetic ministries will become more necessary and in increasing demand The purpose of this

book is to show biblical evidence for the ministry of the modern day prophet prophetess and to show they still exist within the New Testament Church The purpose is also to establish knowledge of the workings of the need of and the importance of the modern day prophetic ministry Without the ministry of the prophet prophetess the body of Christ would indeed be incomplete Why The Church Needs The Prophet s Ministry is an excellent guide for opening the doors of awareness to the prophet s ministry and for the bringing about of understanding that can lead to cooperation between the five fold ministry as well as the entire body of Christian workers adding to the completion of the end time work of the ministry *Journal of discourses.*

The Biblical Prophets for Today Keith Malcolm

Hunt,2011-02-10 Nearly ONE THIRD of the Bible concerns Prophecy And MOST of that prophecy is for the last 42 months of this age The book of Revelation is for the Lord s day not a day of the week but for the prophetic time in the prophets of the Old Testament known as the day of the Lord All nations on earth are families grown large and many of them moved migrated and settled in the lands where we find them today Much recorded history down through the ages shows who the modern nations of the world are where they came from and who they were in the days of the Old Testament prophets Much prophecy has a two fold fulfillment i e Jeremiah 30 1 9 Isaiah 11 The latter fulfillment is for the very end times the last 42 months of this age Luke 21 22 For these be the days of vengeance that all things that are written may be fulfilled With these basic keys we can understand the Bible prophets as they speak to us for our day and beyond into the last 42 months of this age leading up to the glorious powerful mighty return of Christ Jesus to this earth and the establishing of the Kingdom of God on earth Nearly ONE THIRD of the Bible concerns Prophecy And MOST of that prophecy is for the last 42 months of this age The book of Revelation is for the Lords day not a day of the week but for the prophetic time in the prophets of the Old Testament known as the day of the Lord All nations on earth are families grown large and many of them moved migrated and settled in the lands where we find them today Much recorded history down through the ages shows who the modern nations of the world are where they came from and who they were in the days of the Old Testament prophets Much prophecy has a two fold fulfillment i e Jeremiah 30 1 9 Isaiah 11 *The Latter-Day Saints' Millennial Star* ,1918 *Navigate the Strait* Bradford G. Smith,2020-12-23 A dying father s testimony to his children about faith covenants and eternal life *Navigate the Strait* is an insightful look at one man s journey through an active life of teaching in The Church of Jesus Christ of Latter day Saints which is ending in the slow downward spiral of ALS also known as Lou Gehrig s Disease Yet his happy sustaining faith and his love for his all caring Tiffany and their three children Lincoln Edison and Abigail drive his passion to finish this book He wants his family and friends to KNOW him better after the disease will likely take his life This book is a must for anyone who wants to teach understand or gain the strength to live the gospel of Jesus Christ You will find in it stories ideas and teaching examples that express the doctrine of Christ in simple ideas that make life better I m just a normal guy with a testimony of Jesus Christ Then I got ALS Bummer ALS is taking away everything that I am good at speaking typing fixing things hugging my wife and children I am writing this book with one finger on a mouse or with my eyes controlling my iPhone On the bright side I finally have something in common with Stephen Hawking Now that my disease has reduced my life to complete dependence on others what am I worth Well I am still a good teacher I love my Savior I love the restored gospel of Jesus Christ I look at the gospel in a nonlinear fashion thinking critically about how gospel teachings connect to one another and to our personal struggles If all truth is circumscribed into one whole we need to think deeply and sometimes creatively about how the gospel connects to us and to others Since ALS will take my life I will likely not be around to teach these ideas to my

kids in the moment they need a lesson I pray that this little book of Dad's testimony will help my children and grandchildren as they grow and need answers to their questions If you happen to read it and if it helps you on your journey that's great too When we meet let me know what you liked Most of my writings are about The Church of Jesus Christ of Latter day Saints While I present many ideas within the framework of church doctrine and culture I hope that anyone can learn something useful from what I have learned I am no scriptorian I have never taught religion at BYU I don't know the location of the Ark the lost tribes of Israel the Book of Mormon cities or Nikola Tesla's death ray These ideas are my own based on my prayerful study of doctrine and scriptures But don't just take my word go to the source and see for yourself If anything in this book conflicts with living prophet then I am wrong Stick with the prophet I do know that Jesus Christ is the Savior and Redeemer of all mankind I know that he loves you and me even when life gets hard If you have never looked into The Church of Jesus Christ of Latter day Saints I encourage you to visit ComeUntoChrist.org to learn the basics You can ask questions and even invite missionaries to visit your house and share a message with your family You will discover that the kingdom of God has been restored to the earth in The Church of Jesus Christ of Latter day Saints You will hear about a living prophet of Christ on the earth who speaks with authority like Moses Elijah or Peter And you will learn more about Jesus Christ in the Book of Mormon as a companion to the Bible That is what we mean when we say it's true This book is my attempt to dive deeper into those simple truths It is organized by topic so feel free to jump around and to jump out to the scriptures I hope this book makes you happy

A Modern Ninety-Five Nancy A. Almodovar, 2008-06-01 In 1517 an Augustinian monk by the name of Martin Luther nailed ninety five statements to the door at Castle Church in Wittenberg Germany This was not a means of open debate but a desire to discuss scholarly objections to church practices of the time Five centuries later many of the same errors and heresies have crept back into the evangelical church A modern ninety five theses couched in new terms for a new generation require scholarly debate once again Through modern day apostles and prophets and through the elitists within the evangelical church the doctrine of buying God's grace and favor has been propagated through appeals for seed offerings and atonement day donations in order to garner God's blessings Pragmatic approaches to preaching the gospel through such movements as the seeker driven models have moved the focus of the message of Christ and the worship of God from being God centered to human centered Sound historical doctrines such as the Trinity have been relegated to the sidelines in favor of unity and ecumenicalism with Oneness preachers In the words of Martin Luther Out of love for the truth and the desire to bring it to light the following propositions need to be discussed in their entirety by church leaders pastors and laypeople alike
