I Like To Talk To God:

I Like to Talk to God Karen Nicola, 1995 Listen as a group of children share special things they've learned about talking with God and new ideas on how to pray Katie Justin and Liz tell about their prayer phone and teeter totter prayers Joel learns that God hears even if he doesn't say words out loud Alexander learns that his prayers are not always answered the way he wants but that God knows best *I Like to Talk With God* C. S. Marietta, 2017-10-17 Do you ever wonder how to pray when to pray where to pray or what to say God wants us to have a personal relationship with Him He wants us to talk with Him anytime and anywhere You pick the time and He will be there for you *I Like to Talk with God* sets the stage for nurturing a closer relationship with God **Talking with God** Adam Weber, 2018-02-27 Prayer seems like it should be so simple Yet when it comes to actually praying so often it feels awkward and complicated The truth is prayer is simple It's like talking Talking with a good friend Down to earth pastor Adam Weber offers an accessible hopeful approach to one of life's greatest mysteries talking with God Now with a brand new bonus chapter and in paperback This is a book on prayer for the person who longs to connect with God but doesn't really know how It's a book for the person who has a job family schedule kids deadlines full inbox and a million things to do and yet is curious about prayer and talking with God What does it really look like to pray in the midst of all of life's craziness *God Talk* Ruth A. Tucker, 2006-01-01 Does God speak The answer seems clear Books abound on the topic of hearing God's voice And many believers testify to God's conversational guidance in their life God told me to help you I knew it was God speaking to me Our culture reinforces the idea that speaking constant speaking is good and natural and essential In those rare moments during a day when talking ceases or when we're alone we quickly find some way to fill the void whether turning on the television or radio or calling someone on the phone With others and especially with God we get the message speaking is good silence is bad But still Ruth Tucker is not afraid to ask the question Does God speak And her answer might surprise you She urges caution in speaking about hearing God pointing out that our privatized spirituality often sets those who hear God on a pedestal and leaves those who don't feeling spiritually inferior Further she shows how the expectation of conversation may too easily humanize God in our minds causing us to approach God with the same attitude we have when we call a friend on the phone And if God does speak how can we be sure our own desires are not affecting our interpretation of God's voice In *God Talk* Tucker offers us a new paradigm for viewing silence and prayer Rather than feeling inferior when we don't hear God speak she helps us lean more deeply on his silent Spirit inspired Word By examining the Trinity Tucker gives us a new glimpse of how God the Father spoke his words in the past how Christ the Incarnate Word lived among us and how the Holy Spirit speaks to us now through Scripture Here is a probing thought provoking read on how our present active powerful God relates to us and how we in turn should relate to God **Balancing It All** Candace Cameron Bure, Dana Wilkerson, 2014-01-01 How do you do it all That's the question that wife mom actress and best selling author Candace Cameron Bure is often asked And it's a question that women everywhere

are asking themselves as we seek to balance all of our roles responsibilities and opportunities So how do we do it Working since the age of 5 Candace has been in a balancing act for nearly her entire life She is the first to tell you that there is no miracle formula for perfect execution in every area of your life but there definitely are some lessons to be learned lessons that come to life in Candace s story Come along and dig into Candace s story from her start in commercials the balance necessitating years on Full House to adding on the roles of wife and mom while also returning to Hollywood Insightful funny and poignant Candace s story will help you balance it all *Destined for Greatness* Michael Ojugo,Clement Ojugo,2024-09-17 Deep within all of us is the longing to see our children achieve success in every area of life This book stemmed from the love of the father for his children to embrace the deepest desires of our hearts and experience life as God intended it to be with meaning and purpose Many people including our children suffer from depression anger and a feeling of being lost without a clear direction in life This book helps to diagnose and offers the right medicine for both young and old in our society people who lacks self discovery and may be disillusioned with life This book is markedly distinct from others with many inclusions and end chapter recaps for reflection and reference One of the important differences is that the authors lived through many of the experiences and examples shared in the book Comments from Readers After finishing the first chapter of this book my life has been profoundly impacted The wisdom and knowledge presented are explained so clearly that the techniques can easily be applied to your daily life If you re seeking to break old habits and strongholds your solution is right here The advice in this book is truly special as if it s directly from God himself Chadwick Davis actor and movie producer In the book *Destined for Greatness* the Ojugos combine the lessons learned in life marked by accomplishment in business with Christian principles and the teaching of some of the most accomplished motivators in modern times It is packed full of relevant scripture references quotes by great theologians and authors and covers a wide range of topics related to success and prosperity in life Michael Barnes pastor Community Church Big Bear In this thought provoking book the author encourages readers to find their life purpose while holding God s hand A purpose that will enrich their own lives and the lives of anyone that comes in contact with them in any way We are reminded that while finding one s purpose will be filled with obstacles it is up to us to rise to the challenge with perseverance and determination Qualities that will be fueled by God s word every step of the way Veronica Lopez hotel executive leader Excellent read with great guidelines on how to maneuver this winding road we call our own My favorite part are the Bible excerpts that accompany the main text One of the key concepts discussed are that it s never too late to find yourself in this life or to reinvent yourself This really resonated with me as I am going through this right now and I m sure many others are too Jorge Medrano sports agent JD MBA *Wanting a God You Can Talk To* Jesse Duplantis,2012-04-10 Does God seem distant to you Does His vastness overwhelm you Do you desire to just pull up a chair and talk a few things over with Him You can God wants to have a relationship with you like no other In *Wanting A God You Can Talk To* world renowned evangelist and author Jesse Duplantis shares his often humorous
