*I Love My Shadow!* Hans Wilhelm, 2002 A little dog has fun playing with his shadow at the beach      *Firefly: A Novel of the Far Future* Brian Stableford, 2017-08-07 In the far future Earth is dying Society has reverted to a more primitive life much like the Middle Ages Two men Matthew and his brother John who calls himself Firefly set out to find the time traveller the one person who can give purpose to their existence the one individual who can still access past technology The Firefly he who lights his own way seeks the age of Man's greatness the time when the human race once owned the stars when great cities stood in places that have now become rust bowls      **Black** Tyler Mahaffy, 2004-09 Dive into the darkness and wonder the lonely halls of this author's breakthrough collection of poems that makes even the most peaceful mind shiver Welcome to the the madness that consumes the mind of that individual Welcome to Black      Perhaps Love Patrick Basu, 2014-05 Perhaps Love is a compendium of romantic poems composed by the author over many decades intimately reflective of a serene storgic dying entity of true self sacrificing love It is written beautifully with a style so sublime such that the interpretation is left open to the reader depending on their individual context and frame of mind which could range from lovers to best of friends The style is rich and varies from sonnets to horatic and Pindaric odes dedicated to the lover and his beloved Perhaps Love is an enjoyable read for anyone at any level People with a passion for literary art can appreciate its full depth The author is truly an enigmatic individual to many of us who intimately know him He has a depth that is unfathomable to many and I consider myself truly privileged to know him as my father figure both personally and professionally      **I See Red** K. Zakrevski, 2016-05-24 We spoke of instances to be Enjoyed in between kisses and Soft embraces promised Nothing expected Nothing Though now we linger in an Inconformity where trust Is the anchor and Storm It was your eyes that held on To me a Look ever so pleading for Comfort for Help Reflecting my own tears It was your eyes not Your skin not Your lips Your omission of Words The imperfection that Enthralled none of it But your eyes Even now we speak In silence You cover your face But I know what rests Behind those walls For I hide it just as well I see pain zakrevski tumblr com      **Unfurl Passion** Lillie Bates, 2010-12 POETRY is like a light in the eyes of a beholder in the hue of colors shades tones and tints It offers a soft glance as a serenade to perceive thought Poetry causes a person to move in a circle within his her soul to touch love anew nature alive life again and death without fear Sometimes the soul wonders into a like magnetic field for it shows strong waves of amazement even like angels in the spiritual realm The sky beholds a spectrum rainbow that breaks into its puzzle like nature then your heart beats with motion In Unfurl Passion Lillie inspires and infuses both women and men with provoking thoughts of the soul while others come to appreciate themselves Also it is said her thoughts are only a heartbeat away fill with inner beauty and are released The heart speaks as a ruffle drumbeat heard in a low tune or as a painted Rufus heart that is like a pomegranate Indeed it will bring out the unrecognized colorful wonderlands that have not yet been seen Lillie is being a thinker and a passionate woman She has a soft and gentle suave voice which captivates her listeners like

music being played by a fiddle flute harp and clarinet She is three dimensions gentle suave voice which captivates her smooth in her creative performance for her women and men listeners      The Water Kite Journey Debbie Torrellas,2012-02

Enjoy the very personal journey and passion with water from the healing point of view and personal experiences while coaching and motivating people The journey is based on a fun perspective of flying a kite as the vehicle in life You will enjoy and watch as the Author describes health success from over or above water which brings a different way to draw parallels in life Have a close encounter with daily health issues and menacing ones that may affect quality of life In a hilarious and entertaining way the Author describes the health predators from the gossiping of a medical office to surf health conditions in the net Meet the pandemic creatures of health which stops people from evolution and transformation Explore alternative ways to approach the body as water creatures and in a fun way create a love relationship with the self Open the heart and just listen to the out loud liquid language of the body in the water through positions movement and quality of tissue Experience the uncorking sensation of healing even when it does not seem to be real Embrace the liquid success in health easier and faster than imagination when water is the catalyst to balance the energy which ignites our daily life success Meet the health challenges of real testimonies of Latin Americans who getting deep in water have balance their brain to work on their benefit and not against them Share the extraordinary success stories of the healing power of the liquid that brought us to life water The proposal of the Water Kite Journey is a simple invitation to get wet and heal It is the journey of dedication and love transferred in the water to change the lives of people No matter the condition caused by stress and external circumstances there is always water to heal all around the Island and in the ocean of life It is a personal invitation to personal empowerment of liquid prosperity in health For those who love helping others to get inspired and get wet to heal their people The Water Kite Journey is an invitation for individuals to explore the amazing healing power of water from an evolutionary and personal transformation perspective It is an invitation to live in perfect love with the self and keep pain on the beauty side of life understanding the amazing healing power of water It is an invitation to enjoy the amazing personal journey while engaged in real anecdotic testimonies of healing presented in the book      *Romantic Insanity* Patrick Basu,2013-01-09 I was touched by T S Elliot in my school days and I was profoundly impressed by William Somerset Maugham the British writer with pungent social idiosyncrasies and a disenchanted life Later in college I was inspired by poet singer and musician Paul Simon This literary flare transcribed into a more tangible artistic landscape on films Truly I was mentored by Satyajit Ray David Lean and Francois Truffaut It seemed just a capricious dream that came alive in the mode of morbid anatomy of medicine I was fortunate to peel off the deeper fascia and palpate the sublime passion in the art of medicine with an uncompromising devotion to imbibe the true elixir that heals life and touches millions of souls The literary acumen came in handy to express and depict the mundane facts and dry statistics in scientific journals Embraced liver into life and persuaded a sanative intimacy to cure liver disease and transplantation My smoldering desire for poetry and cinema was rekindled and

came alive in screenplays after a few decades of my life drowned in medicine I sculpted the lost dream into a few film screenwrites with a nascent flicker of poignant passion for poetry I dedicate the book as a prelude to my widowed mother who was the primordial driving force in my life in making me a physician and to my wife who has submitted an infinite tolerance to forgiving my daily insanities Patrick Basu MD **Living in My Shadow** Hazel Minnick,2012-05-14

*Cantonese Love Songs* Peter Morris,1992-01-01 This collection of 97 Cantonese love songs aims to give a wider audience the opportunity of reading these songs in English The author investigates the language and social background of the songs and provides cross references to Chinese and Western literature The Chinese text of the poems is also included The Watcher K.M. **Loserdorm** Ryan Collins,2011-12 Justin Taggart doesn t know anything about being a loser He likes girls and plays sports and has some friends Unfortunately his fear of rejection outweighs his ability to deal with these well Mostly there s Sterling the girl of his dreams who knows how to stop his heart by not knowing he likes her Another thing is trying to get money with Adam who s rich anyway so it s more about hanging out As for Justin he makes ends meet by mowing people s yards with Adam and sometimes by breaking into vending machines and selling late night cable programming to peers also with Adam But it s not like he doesn t feel bad about it since Jesus died for his sins School is pretty terrible with all the work and practice but there are a few people there worth mentioning Anyone who picks up his journal will be in for something if they feel like getting through a lot of grammar and spelling problems They ll probably end up seeing that they shouldn t have looked at it anyway because this is someone s private anthem of girls grass and loserdorm **Chasing Peace** Tom

Rosshirt,2025-01-21 Chasing Peace is a guide for turning emotional breakdowns into breakthroughs with the insights of modern neuroscience It s the story of a lifelong seeker who suffered years of escalating depression and anxiety then discovered that the latest practices from brain science offered a path to the peace he longed for AN OPEN FIELD PUBLICATION FROM MARIA SHRIVER Tom Rosshirt like millions of people chasing peace put his faith in the scripture of our culture we find peace by becoming who we want to be So Tom aimed high worked hard and excelled But instead of peace he experienced debilitating anxiety depression and discouraging bouts of brain fog that forced him out of his life He was one of a rising number of people now getting sidelined by conditions doctors can t cure Many sufferers never find their way back

but Tom got lucky After another dead end session with a psychiatrist Tom heard about self directed neuroplasticity a daily practice of retraining the brain based on the discovery that pain and illness often start in the brain s neural circuits and what the brain learns the brain can unlearn After months of using this approach Tom began to see an alignment between neuroplasticity and the principles of spiritual practice Reversing the patterns that made him ill did more than make him well it opened the path from stress to peace from striving to be who we want to be to becoming who we are Brimming with hope Chasing Peace is for anyone who is sick of chasing peace but might be willing to read one more book *Medieval Futurity* Will Rogers, Christopher Michael Roman, 2020-11-09 This collection of essays asks contributors to take the capaciousness of the word queer to heart in order to think about what medieval queers would have looked like and how they may have existed on the margins and borders of dominant normative sexuality and desire The contributors work with recent trends in queer medieval studies blending together modern concepts of sexuality and desire with the queer configurations of eroticism desire and materiality as they might have existed for medieval audiences **The Divine Feminine Oracle** Meggan Watterson, 2018 **Curse of the Crummy Mummy!** Joe McGee, 2022-10-25 The Junior Monster Scouts are going to have an exciting new visitor at Castle Dracula an exchange scout who just happens to be a MUMMY But she brings along Cleo her pet SPHINX who vies the scouts and the village townspeople nothing but trouble when they are turned to STONE for failing to answer Cleo s tricky riddles Will the scouts solve the puzzling problem and convince Cleo to turn everyone back to NORMAL The Giant Encyclopedia of Monthly Activities for Children 3 to 6 Kathy Charner, Maureen Murphy, Charlie Clark, 2006 A collection of over 600 activities for the primary classroom that provides creative ideas for all topics across the curriculum that helps to develop both literacy and imaginative play **Messages from Flowers** Igaegburumwa Emmanuel, 2019-09-27 Messages from flowers is a poetry and prose collection that talks about hope love romance heartbreak and healing It is divided into five chapters and each chapter is burdened with a different message The last chapter deals with messages echoing from the sounds of different voices in such a way that it feels like the writer is having an experience of mysticism and writing on behalf of strange entities The author used a literary device called aside to bring a feeling of rest and contentedness to the reader Messages from flowers takes the reader s hand and walks them through the journey of moments of feeling alive to the end where voices speak *Modern Nordic Plays*, 1973 *Translation, Transformation and Transubstantiation in the Late Middle Ages* Carol Poster, Richard J.
