Daddy Look! Todd Battle, Darrel Sanders, Reggie Watts, 2012-04 Fathers how many times on a weekly basis do you hear the expression from your children Daddy Look Have you ever wondered why they want you to look so badly Do you know how much power exists in Daddy's Look If you haven't been looking at them what have you been looking at What happens when Daddies don't look Are there dangers in not looking Is it too late to look Authors Battle Sanders and Watts tackle these questions and more in this tremendous book destined to change the lives of all who read it and truly want to make a difference in their children's lives This is a great book Daddy Look offers a focused approach to becoming a godly father Using the story of Daddy Look it summarizes these lessons in five key principles Being a Godly Man Being a Man of Character Being a Teacher Being a Provider Being a Protector This book is clearly written with Christian fathers as a target audience however men without a Christian background would still glean much from the principles in the book I whole heartedly recommend this book It's a great read and I'm very proud that my Pastor is one of its authors Grover Johnson Single Dad This book will both challenge and provoke change in any father who takes the time to read it and then makes a commitment to apply it I truly wish this book was around when I was raising my two children as a sole provider and self sufficient single Mom Dr Anita Latin Byrdsong Founder OVL Foundation A father with the responsibility of raising up a child and being a role model to look up to I felt like I failed recently while my 11 year old daughter asked me if I love her It

was a gut shot that caused me to stop everything and have a heart felt talk with her I realize now that she has been saying DaddyLook but in many different ways My daughter and I have a new found relationship that feels much different than before But had I listened to her cries sooner this could have been avoided and she could have detoured from the feelings of being lonely and unloved The book Daddy Look gives a great understanding on the complications of parenting and how to avoid or deal with these situations in life Michael Pine www.daddylookbook.com See What I See Craig E.

Whitsey,2015-03-09 Being blessed to have traveled extensively around the world I have had the pleasure to truly see the differences and the similarities of all humans upon this earth It is not an easy thing to see people suffering in their lives and not be moved to some kind of action or at the least speak openly about it Bringing attention to things that can be changed that often is ignored because no one wants to be responsible for speaking out against wrong Seeing that if a situation isn't directly affecting a person then it seems to not be important to help change it I am compelled to often write about the common things in life that effects every human yet for some reason or another no one wants to address Life is about growth not living in denial about what can be made right Everyone in this life deserves a chance to have joy peace and happiness without others pressing their ways upon them I believe that we are our worst enemies and until we come to the realization that most of our suffering in life comes from ourselves and we have the power within ourselves to change that Then and only then will this world be the place it was intended to be I encourage all who read this book to be encouraged and know that there is nothing in this world you can't overcome Just believe in yourself and never give up *That's My Bellybutton* Neil Aronson,2006 Visit the author's website at www.thatsmybellybutton.com That's My Belly Button is a book of memoirs that finds its voice in both serious and humorous anecdotes conversations case histories personal views serendipitous events and caricatures of patients treated in the office and hospital over a period of 35 years The book creates a unique view of childhood and pediatrics as seen by the pediatrician from the inside out "Hey, there's no violin in this case!" Reece,2011-11-21 From Rags to Riches Til Death do us Part In a quaint town near lake Erie the mild mannered Henry Thomas Belt settled into his role in life For thirteen years he struggled to live and send enough money back home to support his family in Stamford Ontario Not far away but in 1888 it was if you only had enough to live on His work never allowed time enough for a visit Now with Christmas upon him he thought of his father and sister and how much he missed them Early one morning he received terrible news His boss was found murdered the night before right after he

had left work Now out of work and a prime suspect in a murder his life seemed doomed To prove his innocence he couldnt go to see them Stuck in his tangled web Henry soon discovers there are miracles along with tragedies Thinking he was the luckiest man on earth until he hits head on with the hand of fate Read the journal he leaves behind accounting from the time he loses his job To being a fugitive in a strange world of twisted circumstance Did he ever find his true love After all Can true love keep you alive It is dark and eerie in this old abandoned room of the Palmer Boarding House With some of the wallpaper that is torn off and hanging in strips Along with old blistered paint that is peeling away from the wood trim It looks tired and run down now and I feel a bit sad because of its ill kept state This was once my room and I never would have thought Id be forced to stay here against my will It has only been a few short months since I had to move out Now I am back and I do not know how long I have to stay hiding in this unpleasant prison Earlier today I had to take refuge amongst the scattered debris that was left behind in my apartment I had heard footsteps coming up the stairs A constable looked through the opened doorway into the room as I watched him from the pile of boxes and old news prints My heart beat frantically I thought he could see me or would hear me but he did not He seemed satisfied that the room contained nothing more than rubbish or the occasional rat or mouse He closed the door and continued down the hallway to check the rest of the upstairs The officer would only find the bathroom and the small linen closet I watched the door carefully waiting for it to open again To my relief I heard him go downstairs A little later I was sure the constable had left the building Still I remained hidden for about two long and arduous hours With the greatest of caution I crawled upon my hands and knees toward the window on the opposite side of the room Slowly I ventured to peek out of the window with my nose pressed against the sill There was no one to be seen on the street below The lace curtains now tattered and dusty blew to and fro in the breeze coming through the broken window pane The curtains will help hide my presence here I hope Feeling the stress upon myself and worried what I was to do I sat on the floor beneath the window with my back against the wall My eyes focussed on the debris in the room I was trying to sort out the thoughts that were dancing around in my head What am I going to do now Nearly crying out loud Survival became my ultimate choice and I soon knew what to do Going from one abandoned apartment to another on the first floor with the results of a few canned goods preserves and flour In order to cook anything without being detected I would have to use the wood stove in Mrs Lawrences old apartment downstairs The brick buildings were constructed so close together that they had to join into one chimney They would think that the smoke was coming from the other apartment house The water at first reeked with reddish brown rust from the old pipes It was difficult to locate a decent cooking pot without a hole in the bottom Miss Palmers apartment yielded the greatest treasur

The Apology V (formerly Eve Ensler), 2019-05-14

From the bestselling author of The Vagina Monologues a powerful life changing examination of abuse and atonement A triumph of artistry and empathy Naomi Klein A crucial step forward This is an urgently needed book right now Jane Fonda Courageous transformative and yes healing Anne Lamott Like millions of women Eve Ensler has been waiting much of her

lifetime for an apology Sexually and physically abused by her father Eve has struggled her whole life from this betrayal longing for an honest reckoning from a man who is long dead After years of work as an anti violence activist she decided she would wait no longer an apology could be imagined by her for her to her The Apology written by Eve from her father s point of view in the words she longed to hear attempts to transform the abuse she suffered with unflinching truthfulness compassion and an expansive vision for the future Through The Apology Eve has set out to provide a new way for herself and a possible road for others so that survivors of abuse may finally envision how to be free She grapples with questions she has sought answers to since she first realized the impact of her father s abuse on her life How do we offer a doorway rather than a locked cell How do we move from humiliation to revelation from curtailing behavior to changing it from condemning perpetrators to calling them to reckoning What will it take for abusers to genuinely apologize Remarkable and original The Apology is an acutely transformational look at how from the wounds of sexual abuse we can begin to re emerge and heal It is revolutionary asking everything of each of us courage honesty and forgiveness
