I Need More Kimberley White, 2009-09-01 She Has Everything She Wants Dr Erika Johnson's life couldn't get any better Her practice is flourishing and her hunk of a husband Brock can't keep his hands off her until the day he suddenly leaves her without a word of explanation Stunned Erika has no choice but to cobble together a new life on her own When she serves Brock with divorce papers Erika is certain he'll sign them so they can both move on But that's when the surprises really begin Except The Man She Loves Brock is sure he did the right thing All he ever wanted was to bring joy into Erika's life not pain and sorrow But when rumors reach him that Erika is seeing another man he's torn between what he thinks is right and what he feels is right Despite everything there's no denying the fierce attraction she and Brock have always shared is burning hotter than ever And when Erika finally learns Brock's secret they must decide if they will face the uncertain future together or apart

We Need More Tables Norma Young, 2020-05-04 Poverty isn't always a jumble of appalling statistics Sometimes there are names faces and stories to the numbers It's a cousin who's finished high school but doesn't have enough money to job hunt It's a colleague whose hand to mouth living still only gets her through half the month because her salary is just not enough It's a grandfather who worked for decades and got a retirement package so paltry he can't pay his monthly bills When people you know and love are behind the data of impoverishment it can be hard to determine how to help It can be even harder to settle on how much to help without compromising on your own quality of life In We Need More Tables Norma Young provides guidance on how to find a balance between alleviating poverty and yet maintaining a measure of the privilege one may have been born with By exploring assumptions such as the myth of hard work and the fallacy of
