**The Way of the Warrior Mama** Sally Clark, 2018-09-04 The Way of the Warrior Mama shows parents how to protect their teenage daughter and conquer their own fears in raising her If you are a mom you are worried about your daughter surviving

the adolescent years safe and sound In a culture that encourages kids to be sexy long before they reach puberty and when one in four college women report surviving rape or attempted rape and one in ten high school girls is the victim of date rape the prospect of raising a teenage girl can be daunting By tackling the subject of sexual assault head on Sally Clark offers a roadmap to navigating one of the most treacherous parts of the journey from girlhood to womanhood Sally speaks directly to moms who are overly anxious about keeping their daughters safe and shows them that the crucial element in raising a strong resilient daughter lies in healing and addressing their own adolescent wounds Through interviews with experts and leading practitioners in fields ranging from adolescent psychology to mindful self compassion The Way of the Warrior Mama teaches proven concrete and innovative techniques to dramatically reduce parenting stress and increase mothers faith that they can protect their daughter

Stranger Rape Kevin Bonnycastle, 2012-10-09 Kevin Denys Bonnycastle s *Stranger Rape* is an in depth study of the lives of fourteen men who raped women unknown to them Using new data derived from official offender files offender program observations and the men s personal histories Bonnycastle documents compares and contrasts their experiences from boyhood to adulthood and eventual incarceration Bonnycastle argues that stranger rapists do not fit existing portrayals of them as predatory monsters or misogynist everymen Instead through an innovative approach that builds on research and theory from feminism gender studies critical criminology and masculinity studies she positions stranger rape as a matter of experiences of pain and powerlessness rather than of male power and control The book s major achievement is to recognize rapists and rape in their particularity and complexity in the hope that critical thinking about their lives and about their experiences in penal contexts and programs may eventually lead to what one respondent called his road to redemption Please note that this book includes graphic content

*Embody* Toni Bergins, M.Ed., 2024-10-29 A new paradigm for embodied healing in a unique experiential therapeutic process in which expressive movement guided imagery ritual music and creative expression work together In *Embody* Toni Bergins the founder and creator of JourneyDance an internationally renowned dance movement program shares with readers a powerful way to address trauma mindfully so people can confront it heal and grow to love themselves unconditionally just as they are *Embody* is a dynamic conscious practice that can help people release what no longer serves them and shows them how to stop stuffing numbing the pain and start feeling stop over thinking limiting and get moving Embodiment is the new buzzword in personal transformation but most often it is connected to static practices like breathwork and meditation For Toni Bergins embodiment is best achieved through active movement and has created a practice where people literally get out of their heads and into their bodies Her program is a trauma informed one that offers a new promise leading readers through deep personal work but making it feel like play In this book she turns the

heaviness of processing pain and past trauma into an expressive art aligned with the most recent research Specifically trauma expert Bessel van der Kolk writes in his bestselling *The Body Keeps the Score* In order to overcome trauma people need to feel safe enough to open up their hearts and minds to others and become engaged with new possibilities This can be done if trauma survivors are helped to confront and confess the reality of what has happened and are helped to feel safe again In many cultures this involves communal rhythmical activities such as dancing And that is Toni Bergins mission and method to help readers move into a new story for their lives *Embody* features Toni s prescription for a comprehensive healing journey comprised of five core elements Music to open the doorways of impulse imagination creativity and healing to change mood and awareness Movement to enhance presence and confidence and release old patterns and traumas Mystical Inquiry where imagery and creative visualization exercises are used to guide readers into an alchemic and shamanic state to investigate past hurts and learn to trust their instincts Prayers and Invocations to raise energetic vibrations to a positive place with powerful affirmations and Journaling with writing prompts to process inner self awareness learned on the dance floor or through any of the other *Embody* elements
