Becoming Free Indeed Jinger Vuolo, 2023-01-31 New York Times Bestseller on disentangling faith but keep your belief in Jesus intact Jinger Vuolo the sixth child in the famous Duggar family of TLC's 19 Kids and Counting and Counting On recounts how she began to question the unhealthy ideology of her youth and learned to embrace true freedom in Christ When Jinger Duggar Vuolo was growing up she was convinced that obeying the rules was the key to success and God's favor She zealously promoted the Basic Life Principles of Bill Gothard fastidiously obeying the modesty guidelines no shorts or jeans

only dresses eagerly submitting to the umbrella of authority any disobedience of parents would place her outside God's protection promoting the relationship standard of courtship and avoiding any music with a worldly beat among others Jinger along with three of her sisters wrote a New York Times bestseller about their religious convictions She believed this level of commitment would guarantee God's blessing even though in private she felt constant fear that she wasn't measuring up to the high standards demanded of her In *Becoming Free Indeed* Jinger shares how in her early twenties a new family member a brother in law who didn't grow up in the same tight knit conservative circle as Jinger caused her to examine her beliefs He was committed to the Bible but he didn't believe many of the things Jinger had always assumed were true His influence along with the help of a pastor named Jeremy Vuolo caused Jinger to see that her life was built on rules not God's Word Jinger committed to studying the Bible truly understanding it for the first time What resulted was an earth shaking realization much of what she'd always believed about God obedience to His Word and personal holiness wasn't in line with what the Bible teaches Now with a renewed faith of personal conviction *Becoming Free Indeed* shares what it was like living under the tenants of Bill Gothard the Biblical truth that changed her perspective and how she disentangled her faith with her belief in Jesus intact

[Valkyrie Lost: A Slow Burn, Slow Build, Why Choose Fantasy Romance](#) Shannon Pemrick, Legacy World, 2023-01-17

Will one desperate prayer deliver me salvation or seal my destruction I'll do anything for my family even call upon the gods to save them I didn't anticipate they would arrive in person to offer their blessing and I most certainly didn't predict the feelings they evoke in me when they decide to become part of my life As a cursed v lva a Norse witch I have learned to not ask for more than I am afforded So when Tr and Baldr openly admit their desire to be around me I shouldn't think anything of it beyond friendship I am but a mortal woman cursed to only feel the ache of a yearning heart And yearn I do From shared drinking horns to unforgettable nights I foolishly believe my curse is finally broken But when trouble amongst the gods stirs I may just pay the ultimate price for my transgressions And the price for spilling the blood of their Valkyrie is one too steep for any god

Valkyrie Lost is perfect for fans of fated yet forbidden romances reimagined Norse mythology and stories such as *A Fate Inked in Blood* and *Twilight of the Gods* It is book 1 of Astrid's slow build the men fall first saga that spans both the Viking Age and Modern Age Her other two books are *Valkyrie Renewed* and *Valkyrie Freed* Astrid's story is part of the *Valkyries Rising* series Tales where the heroine doesn't have to pick just one mate In these pages you'll find strong heroines who don't back down and the shifters gods dragons and other immortals who love them and fight by their sides
