those that Jackie Robinson suffered for breaking baseball's color line. As they crossed the country in the course of their jobs they faced the cruelty of American racial attitudes. Jim Crow laws often limited where they could eat and sleep while on the road and they faced resistance even within their own company. Yet these men succeeded as businessmen and all went on to success in other professions as well including medicine, journalism, education and international diplomacy. Happily six of these pioneers lived to tell their stories to the author. Their voices full of pride, good humor and sharp recollection enrich these pages and give voice to the continuing American saga. **My Life, My Country, My World** James Leonard Mack, 2008

A History of Texas and Texans Frank White Johnson, 1916 Detroit, Lenacraive and Cleveland Brooke!, 2010-12 I was almost as hard headed as it gets while repeatedly insisting on missing and ignoring the entire point that Mom and a few others tried to get me to realize GET YOUR EDUCATION. I still had some great times here and there every now and then and I can only imagine how beautiful my life would have been if I would have followed the The Golden Rules. Some wonderful things have happened to me even though I still feel that I truly did not deserve or even know how to sincerely enjoy thoroughly but on the other hand some not so wonderful things have happened to me that I basically brought on myself as a direct result of not following The Golden Rules. EDUCATION IS A MUST. I know my family was not the only family that has gone through a divorce and I know there are millions of kids who went through divorce without a scratch. I am not blaming any of my failures as a man on the pitfalls of divorce but I can clearly see now that my character flaws were a direct hit stemming from the casualties of my parents divorce. I did not ask to be me and I certainly did not ask or expect to be stuck on stupid for almost three tenths of a century. It was what it was. If I would have known their divorce would eventually effect me which I believe set the wheels in motion that turned towards me turning out the way I have I would have started Praying that night. But I had no idea it would and neither did they. I can only imagine how beautiful my life would have been if their marriage was meant to be but it was not about me.
