I Shall Return Jesus:

"I Shall Return" - Jesus Jerry Vines,1977 Undeniable Biblical Proof Jesus Christ Will Return to Planet Earth Exactly 2,000 Years After the Year of His Death Gabriel Ansley,2010 Let me ask you a question you probably never pondered WHY did God create the world in 6 days Do you think God had NO logic motive or purpose behind using that specific number of days Do you think He just placed a bunch of numbers in a hat and nonchalantly drew one Or do you think the cosmos required that number of days to be completed as if God could not have created it in 2 3 5 9 12 23 or however many days Friend you should know better God can DO ANYTHING which brings us back to the original question The answer to this mystery is contained in the Bible and its gradual albeit secret uncovering in story after story leads to the stunning title of this book Undeniable Biblical Proof Jesus Christ Will Return To Planet Earth Exactly 2 000 Years After The Year Of His Death But FAR more important than merely discovering that fact this book will fully elucidate and crush all confusion concerning what a person soul MUST DO to obtain eternal life by illuminating the true spiritual meaning behind every detail of the ancient Bible stories So sit back and hold on because this book s message is going to be a life changing ride He Shall Return Chukwunonso Nwanze, 2025-08-01 A Haunting Tale of Legacy Love and the Unbreakable Bonds of History When Alexander Norwood a tech professional from Rochester New York receives an unexpected DNA match he embarks on a journey that will forever alter his understanding of self heritage and belonging His search leads him from modern day America to the heart of Igbo land where the echoes of his ancestor Afamefuna stolen and sold into slavery as a boy still linger Spanning centuries and continents He Shall Return is a powerful novel that weaves together the forced migration of the transatlantic slave trade with the voluntary migrations of today illuminating the enduring scars of displacement and the profound yearning for home From the slave markets of the Bight of Biafra to the jazz halls of Harlem from the resilience of Igbo spirituality to the rhythms of the banjo the novel explores how culture music and memory bridge the past and present Rich in historical depth and deeply human emotion He Shall Return is perfect for readers of historical fiction African heritage narratives and literary sagas that connect generations If you love sweeping evocative tales like Homegoing by Yaa Gyasi The Water Dancer by Ta Nehisi Coates or Roots by Alex Haley this novel will stay with you long after the final page A story of remembrance reconciliation and return because the past is never truly lost *I Will Return to Jerusalem with Compassion: Yahweh* Michael Adi Nachman, 2017-09-22 Life in modern day Jerusalem is not simple for an evangelist Living in the city where prophets and Messiah and saints died and rose again is indeed a wonderful experience Where else in the world can you meet Messiahs Elijahs and the two witnesses of revelation This is a story about discovering the Jewish roots of the faith of the New Testament not by rejecting the truths in the gospel but by understanding the truth of the Torah These events happen mainly in the year 2000 in Jerusalem but with many flashbacks to other times In this book Jew and Gentiles are indeed seen to be one in Messiah Yeshua and the mystery of the name of Jesus is explained **RETURNED** Tom Allen, 2011-03-16 If you look

for the return of Jesus Christ this commentary may be of interest to you It explains Matthew chapter 24 and other prophetic End Times scriptures in a way that will provide you with a new perspective Will Jesus return in the clouds Is there a rapture Will Jesus return in the flesh The answer to all these questions is yes but maybe not in the way you think Here is the mystery The Aguarian Gospel of Jesus the Christ Tait Zinszer, 2015-04-02 Originally written by Levi H Dowling The Aguarian Gospel of Iesus the Christ is a transcript that records the events of the life of Iesus as well as providing the reader with some insight into the missing years of his life that is not documented in the biblical canon To compile this work Levi spent most of his time attaining spiritual consciousness through silent meditation allowing him to view the Akashic Records and the life of Jesus The book tells about the life of Jesus that has been erased from history the side of where man becomes like God through free will and holiness obtaining the crown of life through righteousness It tells of the story of how everyone is capable of being anointed by God to do good works through love and caring for others The Aquarian Gospel is a synopsis of the four canonical gospels put together under one esoteric teaching The Revelation of Jesus **Christ by John** Francis John Bodfield Hooper, 1861 When Jesus Said He Would Return Lester McCracken, 2007-08 McCracken projects an accurate and indisputable scenario of end time events and Jesus Christs return to rapture his people Future events that lead to Jesus coming and to the end of the world are clarified in this book Christian <u>Iesus Christ by John, Expounded ...</u> Francis John Bodfield Hooper, 1861 The Zondervan 2019 Pastor's Annual T. Kenyon, 2025-07-15 Written by beloved Bible teacher E W Kenyon this challenging study course covers the entire Bible from Genesis to Revelation highlighting the long view of God's unfolding plan of redemption Appropriate for groups or individuals both the new believer and the mature Christian it lays out the legal claim for who and what we are in Christ Among the topics covered in regard to redemption are man's creation and fall the Abrahamic Covenant the Law and the Tabernacle the Incarnation the name of Jesus the Holy Spirit the Second Coming of Christ and Kenyon's classic discussion on the two kinds of knowledge This course will build your faith and challenge you to a deeper walk with our Redeemer Days? Greg Laurie, 2006-01-25 Centuries ago the disciples asked Jesus to tell them the signs of his coming and when it would be If the disciples wondered about these things in the first century then we surely have reason to wonder in the twenty first century As we look at the instability in our world the turmoil and the threat of terrorism we can not help but ask Are we living in the last days Find the answers to take some of the guesswork out of understanding the end times and be encouraged to live confidently and expectantly in an uneasy and uncertain world The "Man Christ Jesus" Stephen Oliver Stout, 2011-06-17 Does the Apostle Paul have any use for the person of Jesus presented in the Gospels Critical scholarship thinks not but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts Stout examines Paul s intriguing description of the Man Christ Jesus 1 Tim 2 5 and suggests that this title fulfills the OT expectation of God appearing in human history as a man In his incarnated humanity the Man Christ Jesus accomplished salvation in the historical events of his life and death and in his resurrected humanity he appeared to Paul on the Damascus Road rooting Paul's Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then demonstrates that Paul's gospel rests upon Jesus as a man of history who brings salvation into human history in his life death and exaltation as the Man Christ Jesus Herald of Gospel Liberty Elias Smith, 1909 Why Ultimate Happiness Transcends Human Limitations Francis Bestman Isugu,2014-06-23 This book Why Ultimate Happiness Transcends Human Limitations is a Christological Philosophical Classic that is apt for its time It presents the issue of human limitations on earth in a new light that offers proper clarification for the important issue of the purpose of human life on earth viewed in the light of a prison This book is written to you and for you in an epistle apostolic didactic and reflective style of discussion to enable you participate easily in the discussions initiated by the author to respond to some of the swaying issues bordering on the humanist outlook and its influence on society in this postmodern era of secularism and irreligion This book crops up many religious and ethical issues that make it in many ways relevant for addressing your diverse needs as an

individual in society or as a member of any political economic commercial ethical religious intellectual professional and seminal group So in diverse ways this book is addressed by the author Isugu Francis Bestman to you It answers many of the questions that you may have been thinking are unanswerable Moreover this book will appeal to scholars intellectuals professionals business personnel entrepreneurs educators public and evangelical ministers clerics and the laity especially because the issues raised and discussed by the author have objective rational religious moral psychological or emotional and practical imports and values This makes this book meet the standard for proffering solutions to problems and doubts anyone or you may experience pertaining to your personal life situations in particular and the situation of public life in general Hence this book is a must read for all and sundry
