Welcome to the endless high-school  
Reunion. Welcome to past friends  
And lovers, however kind or cruel.  
Let's undervalue and unmend  
The present. Why can't we pretend  
Every stage of life is the same?  
Let's exhume, resume, and extend  
Childhood. Let's all play the games

That occupy the young. Let fame  
And shame intertwine. Let one's search  
For God become public domain.  
Let church.com become our church.  
Let's sign up, sign in, and confess  
Here at the altar of loneliness.

The Purple and Blue Collection of Poems Michael Thomas, 2001-01-09 From the first inept but energetic poetic attempts of a 14 year old boy to the controlled but somewhat confused verses of a 32 year old college student this book is an emotional thrill ride that takes one from teenage lust to early middle age romanticism from a near denial of the Christian religion to the ponderance of all life as religion and from a seriousness in all human thought to a silliness that is the result of all this human thought This is a simple book of poetry that anyone can read without feeling his her sensibilities are being offended yet in the juxtaposing of early poems to the late poems one can realize that the poetry is not a simple process Poetry as it should grows with us as we grow and this book poignantly and energetically shows the maturation of a man a mind and a poet My Book of Poems for the World Raymond Christian, 2011-06-10 I hope this book will touch your heart concerning the many attributes of life I have shared with you Although I do not have a set style of writing I consider myself as being creative and versatile a God given ability and talent to create words with energy and emotions The variety of poems that are placed in this book are unique in their own way I pray which ever poem or prose enlightens your heart that you are able to embrace the words and share them with someone else I pray this book will help you to be able to encourage the life of someone around you and help to change the course of their life Poetry is a spiritual gift of love concerning the many evolutions and cycles that this world we call the planet earth evolves around It is a gift of love shared by the muses of ones connectivity to bring an individual or

individuals into a glorifying act of happiness and peace through each word each line each stanza and ending What you choose to grasp and take with you concerning my work I pray it will be with you forever My Book of Poems for the World is a mixture of my work According to how you feel at the time you pick up the book to read it I am certain you will thumb through the pages and say to yourself I like this one or that one Just remember that any poem or prose you choose it is definitely up to your liking You will enjoy them all but everyone has a favorite I expressed many emotions and feelings in this book concerning the poetry and prose enclosed You will find poems and prose of love romance humor spiritual enlightenment poems and prose for just a little food for thought On the spiritual side of it all I must say that the prose Just One More Soul is one of my best works It deals with the lost soul and how you must seek God for yourself There is also A Penny for Your Thoughts quite controversial yet it leads you to a higher power as one would say reminding you in the process of course there is only one true God If you would go deeper into the book and study it carefully I am certain that you are going to run across what I consider a little food for thought a prose I have written titled My Shoes My Bed My Table if you really have a heart ticking in your body once you finish this one prose I am certain you will become more involved in what is taking place with those who are in need of assistance Not just the homeless but the widows orphans and strangers who you turn your backs on daily I Cry from the Womb is based on the awareness all mothers should have due to their ability to bring life into this world a child crying for their mothers protection sensitive and touching Although I do not consider myself to be a controversial writer I understand that some of my work does take some people into deep thought meaning critics and will cause them to think otherwise I must state because of my love for all mankind I only write what I know to be factual and true what I have experienced and what I have researched in order that the truth does not get distorted Prose like The Whip An Unpaid Debt The Dim Light of Justice and a few others may spark a few thoughts concerning your creed color or religious background I state it is time for a positive change to occur and if my work begins to reopen the doors of concern for everyone to put their cards on the table and show their hands then there is not a need to vote

I, the Poet Kathleen McCarthy, 2019-10-15 First person poetry is a familiar genre in Latin literature Propertius Catullus and Horace deployed the first person speaker in a variety of ways that either bolster or undermine the link between this figure and the poet himself In I the Poet Kathleen McCarthy offers a new approach to understanding the ubiquitous use of a first person voice in Augustan age poetry taking on several of the central debates in the field of Latin literary studies including the inheritance of the Greek tradition the shift from oral performance to written collections and the status of the poetic I voice In light of her own experience as a twenty first century reader for whom Latin poetry is meaningful across a great gulf of linguistic cultural and historical distances McCarthy positions these poets as the self conscious readers of and heirs to a long tradition of Greek poetry which prompted them to explore radical forms of communication through the poetic form Informed in part by the New Lyric Studies I the Poet will appeal not only to scholars of Latin literature but to readers across a range of literary studies who seek to understand
