to suit their lifestyle Their black and white sense of right and wrong gets trapped in a gray area In NO COMPROMISE founder and president of Family Policy Institute FPI Errol Naidoo maintains that the major reason for the moral decline in the world today is the lack of conviction and commitment of Christians to be salt and light in society Even though prayer is the foundation of everything a Christian does NO COMPROMISE states that Christians shouldn t just pray and not engage in politics and social issues Naidoo spurs readers on not only to be people of prayer but also people of action They should adjust their lifestyle according to their faith no compromise      **The Twentieth Century** ,1882
