Beings that should never have been brought to this Realm are allowed to grow their preternatural powers without restriction. A dangerous concoction is brewing unchecked at the Broken Academy. Subterfuge and shifting allegiances are the rule. At the center of the dawning war are two of the most powerful students ever to walk the halls. One a magical prodigy of ancient lineage. The other a hybrid gone rogue the Council once sought to snuff out. Amidst the uncertainty an ancient enemy lurks and a magical mishap just opened the door. Complete Series Collection Includes *Power of Fire The Broken Academy Year 1* *Power of Magic The Broken Academy Year 2* *Power of Blood The Broken Academy Year 3*. As the steam increases through the series Each book covers one year at the academy is written from different perspectives and features one or more headstrong heroines and layered heroes. A significant amount of time is spent developing the history and lore of the world. All of the books can be read as standalone stories however series order is recommended to fully maximize enjoyment. Author note The romance is described as why choose instead of reverse harem as each central female character has her cake and gets it to eat it too with multiple concurrent love interests that ebb and fall throughout the series however there are no steamy scenes with multi partner action. Select Reviews for *The Broken Academy Series* Jade Alters latest reverse harem starts with some heat and continues to fan the flames. Her new world is stunning and worth exploring.
