Donnelly,2015-03-19 Appropriate for experienced elementary librarians as well as students in school library preparation programs this powerful book explains the advantages of utilizing a flexible schedule with collaboration as compared to a fixed schedule without collaboration The aptly titled The Library Collaboration and Flexible Scheduling Toolkit Everything You Need to Know to Get Started takes readers step by step through the process of considering collaboration as a method to deliver library services Authored by an experienced elementary librarian and author for School Library Monthly and School Library Connection the text begins by explaining the relevant research and underscoring the importance of being able to articulate the meaning of the research to library stakeholders Next readers learn how to gain support from administration and to train the staff in effective collaboration to impact student achievement The book provides a complete answer to the complex question that many librarians and librarians in training have How do I go about putting collaboration and a flexible library schedule into place in my library Specific methods and solutions for handling problems that may come up such as ways to win over a reluctant staff or what to do in situations where a library assistant is not available are provided to lend the author s real world experience to the challenges that the librarian might encounter in undertaking collaboration

Partnerships and Collaborations in Public Library Communities: Resources and Solutions Ellis, Karen,2011-12-31 This book shows how partnerships can be cultivated through projects programming funding and extending

the library's presence through unique avenues offering librarians a better understanding of what might be possible for their situational requirements and limitations. Provided by publisher *Space and Organizational Considerations in Academic Library Partnerships and Collaborations* Doherty, Brian, 2016-04-25. A vital component of any academic institution, libraries are held to and expected to maintain certain standards. In order to meet these standards and better accommodate the student and faculty body, they serve many libraries are recognizing the benefit of forging relationships with other professional and academic entities. *Space and Organizational Considerations in Academic Library Partnerships and Collaborations* is a pivotal reference source for the latest scholarly research on and methods for utilizing existing spaces within libraries to facilitate collection development in addition to discussions on how on campus and off campus partnerships can assist in this endeavor. Focusing on issues related to faculty and researcher collaborations, collection management and professional development, this book is ideally designed for administrators, librarians, academicians, MLIS students and information professionals.

Cross-Disciplinary, Cross-Institutional Collaboration in Teacher Education Cheryl J. Craig, Laura Turchi, Denise M. McDonald, 2020-11-24. This book focuses on the impact of sustained and evolving collaborations showcasing research and scholarship in a faculty group consisting of 28 professors from five regional universities meeting and supporting each other since 2002. Originally an innovation introduced by Cheryl J. Craig and funded by a reform movement, the Faculty Academy continues to flourish in the fourth largest city in America long after the reform initiative abandoned its charge. Contributors to this volume represent all stages of careers, include all races and genders and write from a multiplicity of disciplinary stances: literacy, mathematics, science, social education, multiculturalism, English as a Second Language, accountability, etc. In addition to fascinatingly diverse perspectives on teacher education, the authors also investigate issues related to career trajectories including experiences of vulnerability. The volume illuminates how the Faculty Academy works as a dynamic academic and social bond, not only as a glue that binds members in community but also in rigorous intellectual commitments that fuel their collective knowing and advance their careers while providing leadership, mentorship and modelling in up close and timely ways.

Collaborative Models for Librarian and Teacher Partnerships Kennedy, Kathryn, 2013-07-31. Once considered designated storytellers, modern library professionals are emerging as experts in technology integration, information literacy and curriculum alignment.
