MORAL ISSUES  
OF OUR TIME

J. P. MORELAND AND  
NORMAN L. GEISLER

# Life And Death Debate Moral Issues Of Our Time

**J. P. Moreland, Kai Nielsen**

## **Life And Death Debate Moral Issues Of Our Time:**

*The Life and Death Debate* Norman L. Geisler, J. Moreland, 1990-11-09 This work is an introductory treatment of issues and options in social and bioethics which center on the end of life. Moreland and Geisler have attempted to simplify and summarize various end of life topics without being simplistic or caricaturing different viewpoints even though the authors' own viewpoints are made perfectly clear. A comprehensive bibliography, glossary, and subject and author index make this a valuable textbook as well as a resource for further study. The major purpose of this book is to make the reader think more clearly and deeply about the important issues discussed between its covers. Beginning the work is an essay that introduces the dilemma of ethical decisions. The following chapters separately discuss the situations of abortion, infanticide, euthanasia, suicide, capital punishment, and war. The discussion concludes with a chapter of practical and theoretical guidance for making ethical decisions. A glossary, subject index, author index, and selected bibliography for each chapter make this a valuable text. This important work will not only appeal to experienced philosophers but also to students of moral philosophy, theology, and ethics.

*The Life and Death Debate* J. Moreland, Norman L. Geisler, 1990-11-09 This work is an introductory treatment of issues and options in social and bioethics which center on the end of life. Moreland and Geisler have attempted to simplify and summarize various end of life topics without being simplistic or caricaturing different viewpoints even though the authors' own viewpoints are made perfectly clear. A comprehensive bibliography, glossary, and subject and author index make this a valuable textbook as well as a resource for further study. The major purpose of this book is to make the reader think more clearly and deeply about the important issues discussed between its covers. Beginning the work is an essay that introduces the dilemma of ethical decisions. The following chapters separately discuss the situations of abortion, infanticide, euthanasia, suicide, capital punishment, and war. The discussion concludes with a chapter of practical and theoretical guidance for making ethical decisions. A glossary, subject index, author index, and selected bibliography for each chapter make this a valuable text. This important work will not only appeal to experienced philosophers but also to students of moral philosophy, theology, and ethics.

**Legitimizing Human Rights** Angus J.L. Menuge, 2016-04-22 When does the exercise of an interest constitute a human right? The contributors to Menuge's edited collection offer a range of secular and religious responses to this fundamental question of the legitimacy of human rights claims. The first section evaluates the plausibility of natural and transcendent foundations for human rights. A further section explores the nature of religious freedom and the vexed question of its proper limits as it arises in the US, European, and global contexts. The final section explores the pragmatic justification of human rights: how do we motivate the recognition and enforcement of human rights in the real world? This topical book should be of interest to a range of academics from disciplines spanning law, philosophy, religion, and politics.

*Beyond Death* Gary R. Habermas, J. P. Moreland, 2004-01-29 Death and what lies beyond is not

something you consider every day But the thought of it raises some intriguing questions Are there good reasons for believing in life after death What is the afterlife like How valid are the reports of near death experiences Do heaven and hell exist And if so how can hell be reconciled with a loving God By sharing the very latest scientific philosophical anthropological ethical and theological evidence on life after death noted Christian scholars Habermas and Moreland present a strong case for immortality with this book They begin by taking up the question of whether life after death is real and what evidence supports its reality They then explore what the afterlife is like and go on to show how having this reality in your future should affect the way you live here and now This book will reassure you that there s no need to fear death as long as you re prepared eternity that follows It s also a great aid in developing a serious biblical rational and even scientific defense for the belief in life beyond the grave

Dilemmas of Life and Death S. Cromwell Crawford,1995-01-01 This is a breakthrough work expanding the debate of the dilemmas of life and death in contemporary American society by carrying it beyond the insights of Western religious and philosophic thought to include ethical perspectives of the Hindu tradition The topics covered are the timely ethical issues that concern both Americans and all people of the world abortion suicide euthanasia and the environment A lively East West dialogue probes the roots of each issue in its native setting and the fruit of this historical approach is a clear cut analysis of up to date cases giving their current status in terms of ethics religion philosophy medicine and law Unlike traditional textbooks that concentrate on a theoretical analysis to the exclusion of practical issues this book does justice to both theoretical and practical ethics

Theology and Issues of Life and Death John Heywood Thomas,Susan F Parsons,2014-01-30 he has written studies of Tillich as well as of Kierkegaard

Christian Perspectives on Being Human J. P. Moreland,David M. Ciochi,2015-01-26 While there is a unity to truth from God s perspective there are nevertheless many different ways of knowing studying and defining that truth Thus the task of integration is the task of relating theology and other disciplines in such a way that one articulates and defends a comprehensive unified Christian worldview Christian Perspectives on Being Human is a vital step in that essential process of integration In this unique anthology colleagues from various departments at Biola University undertake an important multidisciplinary approach to integration J P Moreland and David Ciochi represent philosophy in this discussion Robert Saucy theology Sherwood Lingenfelter anthropology Nancy Duvall and Keith Edwards psychology Walt Russell and Scott Rae New Testament and medical ethics and Klaus Issler Christian education

**The Ethics of Death** Lloyd Steffen,Dennis R. Cooley,2014-07-01 In The Ethics of Death the authors one a philosopher and one a religious studies scholar undertake an examination of the deaths that we experience as members of a larger moral community Their respectful and engaging dialogue highlights the complex and challenging issues that surround many deaths in our modern world and helps readers frame thoughtful responses Unafraid of difficult topics Steffen and Cooley fully engage suicide physician assisted suicide euthanasia capital punishment abortion and war as areas of life where death poses moral challenges

Do the Right Thing Francis J. Beckwith,1996

*Vital Contemporary Issues*

RoyCheck B. Zuck, 2004-09-07 Vital pertaining to life essential of critical importance Contemporary of the present time belonging to the same time or period Issues a point or matter the decision of which is of special or public importance How does the Christian faith affect our understanding of vital contemporary issues such as abortion euthanasia and the AIDS crisis How can we evaluate the moral conflicts of our era from the perspective of biblical truth and what does the Bible say about social issues modern day claims to miraculous gifts and the tragedy of suicide Vital Contemporary Issues Examining Current Questions and Controversies draws upon the insights and studies of numerous evangelical scholars and writers to address crucial moral and social concerns Some of the chapters included in this volume are Biblical Absolutes and Moral Conflicts by Norman L Geisler Euthanasia A Biblical Approach by J Kerby Anderson The Church and the AIDS Crisis by Timothy D Howell Evangelical Pluralism A Singular Problem by W Gary Phillips Christian readers church leaders and pastors alike will appreciate the insight and guidance of Vital Contemporary Issues The Moral Status of Persons, 2021-11-08 The advances in molecular biology and genetics medicine and neurosciences in ethology and environmental studies have put the concept of the person firmly on the philosophical agenda Whereas earlier times seemed to have a clear understanding about the moral implications of personhood and its boundaries today there is little consensus on such matters Whether a patient in the last stages of Alzheimer's disease is still a person or whether a human embryo is already a person are highly contentious issues This book tackles the issue of personhood and its moral implications head on The thirteen essays are representative of the major strands in the current bioethical debate and offer new insights into humanity's moral standing its foundations and its implications for social interaction While most of the essays approach the issue by drawing on the rich intellectual tradition of the West others offer a cross cultural perspective and make available for ethical consideration the philosophical resources and the wisdom of the East The contributors to this book are highly recognized philosophers ethicists theologians and professionals in health care and medicine from East Asia China Japan Europe and North America The first part of the book probes the foundations of personhood Examining critically the main theories on personhood in contemporary philosophy the authors offer alternatives that better respond to contemporary challenges and their implications for bioethics The focus of the second part is firmly on the Confucian relational concept of the person and on the social constitution of personhood in traditional Japanese culture While the essays challenge the individualistic features of personhood in the Western tradition they lay the foundations for a richer concept that holds great promise for the resolution of moral dilemmas in modern medicine and health care The third part of the book enters into a dialogue with the Christian tradition and draws on its spiritual heritage in the search for answers to the contemporary challenges to human dignity and value Its focus is on the Catholic social thought and Lutheran theology The fourth part addresses the moral status of persons in view of specific issues such as the effects of brain injury gene therapy and human cloning on personhood It extends the scope of research beyond human beings and inquires also into the moral status of animals **Life and Death** Louis P. Pojman, 1992 Gives students

philosophical tools to think clearly about divisive moral issues faced today Early chapters introduce moral theory ethical relativism and objectivism and classical ethical theories to provide a framework for understanding moral issues Later chapters explore specific moral issues such as cloning suicide abortion the death penalty and animal rights This second edition contains four new chapters Can be used as a stand alone text or with an anthology by the author The author teaches philosophy at the US Military Academy in West Point NY

**Write to Death** Elizabeth A. Gailey, 2003-09-30 Has the mainstream media been careless in reporting on the issue of euthanasia As the Right to Die and Physician Assisted Suicide movements gather steam the national media have been too quick to perpetuate and focus on the medical and legal overtones of death The ethical religious and philosophical dimensions of our increased acceptance of euthanizing the aged infirm and disabled are often neglected Gailey argues that the press's failure to enrich public discourse may well erode its trustworthiness in the public's eye Using abundant examples from analysis of elite mainstream news publications Gailey details how the national press systematically advanced pro euthanasia views and interpretations while marginalizing or omitting pro life perspectives and frames The battle over legalizing passive and active euthanasia has enormous social economic and ethical implications An understanding of how the news media frame or package such issues for public consumption is critical Gailey's integrative approach combines an exploration of the major historical ideational and economic factors leading to the rise of the Right to Die movement and includes in depth analysis of the media's framing of the controversy in the two decades Karen Ann Quinlan's coma in 1975 to Dr Jack Kevorkian's 1999 conviction

**Physician Assisted Suicide** Margaret P. Battin, Rosamond Rhodes, Anita Silvers, 2015-10-15 Physician Assisted Suicide is a cross disciplinary collection of essays from philosophers physicians theologians social scientists lawyers and economists As the first book to consider the implications of the Supreme Court decisions in Washington v Glucksburg and Vacco v Quill concerning physician assisted suicide from a variety of perspectives this collection advances informed reflective vigorous public debate

**Christian Ethics** Norman L. Geisler, 2010 This update of a classic text evaluates contemporary ethical options and pressing issues of the day from a biblical perspective

**Does God Exist?** J. P. Moreland, Kai Nielsen, 2009-12-02 Is there a God What is the evidence for belief in such a being What is God like Or is God a figment of human inspiration How do we know that such a being might not exist Should belief or disbelief in God's existence make a difference in our opinions and moral choices in the way we see ourselves and relate to those around us These are fundamental questions and their answers have shaped individual lives races and nations throughout history On March 24 1988 at the University of Mississippi J P Moreland a leading Christian philosopher and ethicist and Kai Nielsen one of today's best known atheist philosophers went head to head over these questions Does God Exist records their entire lively debate and includes questions from the audience the debaters answers and the responses of four recognized scholars William Lane Craig Antony Flew Dallas Willard and Keith Parsons Noted author and philosopher Peter Kreeft has written an introduction concluding chapter and appendix all designed

to help readers decide for themselves whether God is fact or fantasy      *Christianity & Bioethics* Mark Wesley Foreman, 1999

It's difficult to see a family member suffer yet is it right to take actions to relieve that suffering which might hasten their death Is human cloning something we should allow to happen Should doctors be allowed to assist patients who choose to die rather than continue to live in pain or with a disease As medical technology improves the challenges to your ethical and religious convictions will certainly increase Sooner or later you will find yourself making medical choices that have faith implications This book will help you begin the process of determining what you believe God would want you to do in the face of these challenging situations This is a must read book      **Christian Ethics (Revised Edition)** Wayne Grudem, 2024-09-18

What Does the Bible Teach about How to Live in Today's World How should Christians live when the surrounding culture is increasingly hostile to Christian moral values Granted the Bible is our guide but how can we know if we are interpreting it rightly with regard to ethical questions about wealth and poverty marriage and divorce birth control abortion euthanasia homosexuality ethical business practices environmental stewardship and dozens of other issues And on a very practical level how can we know God's will in the ordinary decisions of life To address questions like these Wayne Grudem author of the bestselling book *Systematic Theology* draws on 40 years of teaching classes in ethics to write this wide ranging introduction to biblical moral reasoning organized according to the structure of the Ten Commandments He issues a challenging call for Christians to live lives of personal holiness and offers a vision of the Christian life that is full of joy and blessing through living each day in a way that is pleasing to God Written by Wayne Grudem Bestselling author of *Systematic Theology* and the *What the Bible Says About* series Biblical and Applicable Teaches readers how to protect 7 central tenets of God's law God's honor human authority life marriage property truth and purity of heart Accessible An ideal textbook for Christian college and seminary ethics classes with straightforward language and a bibliography for the topic at the end of each chapter Replaces ISBN 978 1 4335 4965 6

## **Life And Death Debate Moral Issues Of Our Time** Book Review: Unveiling the Magic of Language

### **Life And Death Debate Moral Issues Of Our Time Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Life And Death Debate Moral Issues Of Our Time has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Life And Death Debate Moral Issues Of Our Time has opened up a world of possibilities. Downloading Life And Death Debate Moral Issues Of Our Time provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Life And Death Debate Moral Issues Of Our Time has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Life And Death Debate Moral Issues Of Our Time. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Life And Death Debate Moral Issues Of Our Time. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Life And Death Debate Moral Issues Of Our Time, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect

themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Life And Death Debate Moral Issues Of Our Time has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Life And Death Debate Moral Issues Of Our Time Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Life And Death Debate Moral Issues Of Our Time is one of the best book in our library for free trial. We provide copy of Life And Death Debate Moral Issues Of Our Time in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Life And Death Debate Moral Issues Of Our Time. Where to download Life And Death Debate Moral Issues Of Our Time online for free? Are you looking for Life And Death Debate Moral Issues Of Our Time PDF? This is definitely going to save you time and cash in something you should think about.
