A CLOSER LOOK AT LIFE AND DEATH SECOND EDITION BOOK I VOLUME I (BOOK SERIES) Tracy Jones,2025-06-24 A CLOSER LOOK AT LIFE AND DEATH SECOND EDITION BOOK I VOLUME I In this edition Tracy Jones delves deeper into the profound mysteries of our Eternal Existence from a NON RELIGIOUS perspective because life and death occur regardless of religious affiliation or lack thereof Jones seamlessly weaves together Science Creation and the Technology that brings Bible Prophecy into our reality

BACK COVER God who is an Eternal Spirit created our universal presence in Heaven as Eternal Spirit Life Energy in His likeness Our same Spirit which now resides within our body is the only thing that is eternal everything else perishes the body material things and the spheres Therefore if we were living an infinite Life in Heaven with the Lord how did we transition to living a finite Life on Earth captive to certain death We desire our lives to last forever Truth is We each individually betrayed God sinned rebelled and therefore you and I were cast out of Heaven along with Lucifer whereby the Force of Gravity holds us away from God s Holy Presence We now live in the darkness of the abyss and this darkness is real close your eyes what do you see The darkness that we still are The evidence of your betrayal and rebellious behavior is your undeniable Natural Death which is to come For the wages of sin is death Rom 6 23 in Heaven and on Earth As a result you see death happening all around you and you know that in the back of your mind you could be next Therefore we were sinners long before Adam and Eve were created hence the reason that we are born sinners And the reason for planting the two trees in the Garden of Eden as well as the writing of the names of the redeemed in the Book of Life Follow this chronological journey through our Eternal History as we

examine how death fits into the mystery of our eternal life Discover the cause intent and consequences of the only two death sentences and penalties that God has ever issued to His Creation We will evaluate Science Man Made Theories and Technology alongside Creation which reveals God s Divine Redemption Plan to save us from the Second Death Rev 20 14 with Heaven Hell Earth Satan Jesus all of us the Angels Death and Time each having a role to play Time was designed to take us from the beginning of God s redemption plan to the end yet Time is personal because upon your demise it is said that your time is up and you are buried but Time marches on according to God s purpose alone You will come to realize that God is NOT to blame for all the ills in the world for His objective is to redeem us through Jesus Christ so that we will avoid The Second Death based on freedom of CHOICE between eternal life and eternal death that is before us with each breath I have set before you life and death Deut 30 19 God s plan allows for the summation of our life s choices and decisions to make our eternal choice for us This is why death is designed as a surprise element and not a planned event you cannot plan your choice you must live your choice This book series will explore how God repurposed the Earth for our redemption the design details End Time Prophecy DNA Manipulation and the current biomedically engineered plagues COVID etc or Death Tests that are before us And will reveal the elite s purpose for UFOs and Computer Technology that allows them to communicate and receive knowledge from the darkness of the unseen realm or as they call them Aliens as a result of our Tree selection in the Garden And to our surprise we do surely die Gen 2 17 You are awaiting your turn to die like me right We are living near the close of God s redemption plan The End Times Therefore the goal is to aid you in determining if what you believe is fact or fiction before your certain date with death so that you can make an informed decision about your life death and eternal future

Travel Notes and Way Stations - A Rational Ethic, Vol I Traumear,2018-03-03 We moderns are reluctant to accept that a truly creative motivation affectively underlies our various deplorable aggressions and depressions This sums up our tragic predicament It is as if a special dispensation were required before we understand reality as not based on appearances but on faith and good spirit In the presence of those who do understand we are more likely to catch on because our depression and aggression rubs off on them and infects them whereupon they deal with this rationally within themselves before dealing with us then mercifully Their ethical behaviour by personal example and good works instils in us a desire for moral integrity and ethical power We gain a sense of a taste for the satisfaction from doing good We become capable of sustaining that extra dimension to our being which corresponds to the foundation of reality If we choose we can allow our thought processes to be schooled as we read this work so that we may be cleansed of the modern evil that is criticism

Isis Unveiled, Vol. I H. P. (Helena Petrovna) Blavatsky, A Critical Dictionary of English Literature, and British and American Authors Samuel Austin Allibone, 1870

The Teachings of Emanuel Swedenborg: Vol I Emanuel Swedenborg, 2016-10-20 In Heaven and Hell Swedenborg gives the reader a detailed description of the afterlife. He deals with God, heaven, hell, angels, spirits and devils and he addresses the issues of who is in heaven and hell. Are there any Jews, Muslims and people of pre-Christian times such as pagan Romans and Greeks in heaven? He posits that the love of self or of the world drives one towards hell and love of God and fellow men towards heaven. Here is the most influential and important book ever written on the subject. In Divine Love and Wisdom Swedenborg uses reason and empirical facts to prove the existence of God and God's divine love. He further posits that we are all an essential part of God's Divine plan and that without us God's plan could not come to fruition. In Divine Providence Swedenborg explains why it is that we cannot always see God's hand in our chaotic world. Why tragedy and war are allowed to happen and how these things relate to us. If God were to remove all tragedies from our lives of what worth would free will be?

The Ministry, Vol. 11, No. 06 Various Authors, 2007-07-01 This issue of The Ministry contains a complete record of the twelve messages given during the 2007 summer training on the crystallization study of the Epistles of John held July 2 through 7 in Anaheim, California. The crucial truth and burden embodied in these twelve messages may be summarized in four statements: 1. The fellowship of the eternal life; the flow of the eternal life within all the believers is the reality of living in the Body of Christ. 2. We know the Triune God by experiencing and enjoying Him as the One who dwells in our spirit and desires to spread into our heart. 3. By the anointing of the all-inclusive compound Spirit who is the composition of the Divine Trinity we know and enjoy the Father, the Son and the Spirit as our life and life supply. 4. The Son of God has given us an understanding so that we might know the true One, the genuine and real God and be one with Him organically in His Son, Jesus Christ, who is eternal life to us. These messages are being published immediately following the training in order that they might benefit the saints participating in the many video trainings that are held throughout the earth. The Reports and Announcements section includes a presentation of the Lord's burden for His move in Europe and an announcement about the upcoming gospel feast in South Korea.
